VOL. 85, NO. 40 BAY ST. LOUIS, MISSISSIPPI 39520 THURSDAY, MAY 20, 1976 SINGLE COPY 10¢

### Four released

## Hancock jail count down

By CAROLE LANGE

Four of the eight men arrested in Hancock County in connection with the smuggling of 9.5 tons of marijuana into Port Bienville last week were released this week on \$50,000 bond each.

One of those, William T. Allan, 20, Boca Raton, Fla., was bound over to await action of the July grand jury following a preliminary hearing held Wednesday morning before Beat Four Justice of the Peace Joe Dobson. Lee Klein, justice from beat one, was scheduled to hear the case but was unable to make the morning session.

Others out on bond include Dennis M. Leighton, 31, Milford, Ohio; Michael D. Howard, 27, Detroit, Mich.; and Michael McKee, 28, Cincinnati, Ohio. McKee, buyer of the 20-acre plot in Catahoula where the marijuana was seized after it was transported there from the docking area, turned himself in to District Attorney Albert Necaise Tuesday.

Bond had originally been set at \$100,000 for all those arrested last week, but was reduced to \$50,000, by order of Circuit Court Judge J. Ruble Griffin, for everyone with the exception of Jack Zatz, 38, Fort Lauderdale, Fla., captain of the trawler Gulf Stream which hauled the contraband from Colombia, S.A. to Port Bienville. Zatz remains in Hancock County Jail under \$75,000 bond.

In an unexpected turn of events Monday, Sheriff Sylvan Ladner refused to approve the \$50,000 bond and cited a state law giving him that privilege. In order for the men to post their bail and be released, Judge Griffin was forced to sign the papers.

Ladner said he could be held liable with the bonding company, Owen and O'Neal of Gulfport, and refused to be involved.

During Wednesday's hearing, Leighton and McKee sat in the spectators gallery listening to the testimony given by six witnesses for the prosecution. Seated at the counsel's table was Patrick M. Flannery, Covington, Ky., who is representing McKee, Leighton, and Howard.

Talbot Smith, Ann Arbor, Mich., is representing Allan, with Walter and Gerald Gex of Gex, Gex and Phillips, Bay St. Louis, serving as co-counsel. Lead-off witness for the state was Steven P. Ford, enforcement agent with the Mississippi Bureau of Narcotics, who gave an account of his observation of activities at the Port Bienville docking site.

Answering a question directed by Necaise, he testified that he saw the defendant armed with "a short shoulder-type weapon," standing on the deck of the trawler near the wheel house. He also testified that in his opinion, Allan fired a shot after he and his partner made their presence known to those aboard the boat.

During cross-examination by Smith, it was brought out that the fire arm was never discovered nor were ejected shell casings found on the boat or in the water.

Deputy Glenn Dorr of Pearlington who arrested Allan said he made his arrest based on information from law enforcement broadcasts and the fact that the man's clothes were "wet from right above the belt down."

Dorr said when he made the arrest, he questioned the defendant about the condition of his clothes and was told that he (Allan) "had been in the woods."

Other witnesses for the state included federal and state law enforcement officials who all testified as to their involvement in surveillance and observation proceedings prior to the arrests.

In other events which developed during the week it was discovered that

the Gulf Stream was purchased April 20 with \$56,500 in cash "most of it in \$10 bills," according to Sydney Herndon owner of a fleet of shrimpboats in Arkansas Pass, Texas, the Gulf Stream's home port.

The ill-fated trawler met with some embarrassment over the weekend when she started to sink in the Gulfport harbor where she had been towed following her seizure at Port Bienville.

It was later revealed that the 80-foot trawler ran aground as persons aboard

were trying to escape last Wednesday and two splits in the hull filled with two to three feet of water. The boat is now in dry dock at Pascagoula.

DEA officials announced that "three or four" Cincinnatians have been pegged as financiers of the smuggling operation.

Jim Bland, DEA regional director, said the suspects are expected to be indicated by a New Orleans grand jury within two weeks, although no arrests have been made yet.

### Out on bail

Sheriff's deputy Paul Bernard escorts William T. Allan from the Hancock County Jail where he had been held since last week on charges of possessing marijuana with intent to distribute. Allan, 20, Boca Raton, Fla., posted \$50,000 bond for his release Tuesday and has been bound over for action of the July grand jury.

### Sisters of St. Joseph leave

Sisters of St. Joseph are to leave Bay area after 121 years service. A special feature concerning this event appears on Page 6-A.

### Travel on a budget

## Washington, D.C. - Mirror of American faces

By JOE PILET

The beautiful city of Washington in the District of Columbia mirrors the face of America. It is as young as our hopes, and as old and wise and wrinkled as its nine black-robed Justices. Washington expects 17 million bicentennial tourists this year. Even now it's getting pretty crowded. I stopped at the Midtown Motor Inn, actually planning to be there for three nights, however, a worried clerk explained bookings exceeded space available so two nights it was and about three days for hitting some of the high spots.

Washington is assuredly the "Mecca for Americans." Every citizen should at least once in a lifetime see our impressive center of government. It is a beautifully planned city with parks and playgrounds, splashing fountains and stately statues, monuments and public buildings of grandeur.

A bit of homework is advised before visiting. In advance of your visit write to your Congressman or your Senator. He will arrange for you to visit the White House where guided tours of all rooms open to the public are free and frequent. By writing to the Visitor's Bureau, 1129 20th Street, N.W., Washington, D. C. 20036 you may request a package of helpful information. You'll need a good map, too. Study the map, circle the places you intend to visit and you'll manage to see a great deal in a relatively short time. For a good map write to Maps, Room 519, Presidential Building, 415 Twelfth Street N.W. Washington and send along a self-addressed envelope

stamped with 26 cents in postage.

Midtown is right there in the midst of things. Taxis are readily available and rates are not excessive. In addition, there is a shuttle bus, sponsored by the National Park Service and you may get on and off at will with 12 stops including the Lincoln Memorial, Jefferson Memorial, Washington Monument, White House, Smithsonian Buildings, National Gallery of Art, the Capitol and Kennedy Center. Greyline Sightseeing buses offer all sorts of good tours. Half day for \$11.75 and full day for \$25.55 (children at half price). There are tours for inside and outside public buildings and a popular one takes one to Mount Vernon by bus with a return down the Potomac River by catamaran. These large boats hold about 400 passengers. Enroute to Mount Vernon is a short stop in Alexandria with time allowed for a visit to the famous Christ Church where tradition dictates our first families must worship at least once during their tenure of office. The sky line drive of the Shenandoah Valley is beautiful beyond belief.

Quite frankly, the crowds lining up at Mount Vernon were long and the hostesses urged tourists along rather rapidly. This was, of course, necessary since the boat's schedule returns tourists to Washington in time to take the Washington by Night Tour. Nevertheless, the Mount Vernon estate with beautiful grounds and numerous outbuildings is well worth the tour price and Washington's burial grounds are included. Highlight of the night trip was a visit to the Library of

Congress. I saw no building in Europe or in Asia more beautiful or more inspiring. Another plus was a visit to the museum owned by the National Society Daughters of the American Revolution. The Paul Revere silver collection in this museum is priceless, and there is a very large section devoted to cup plates.

Grounds around the Capitol are beautifully kept and large. One hundred and thirty persons are employed to keep Capitol Grounds beautiful - all 180 acres of them. Included in this season's planting were 60,000 tulips! Borders sported red, white and blue blossoms and well manicured lawns.

Is it safe to visit Washington? Should an unescorted woman take the night tour? Eight and a half million dollars worth of added police protection has been added. Planned tour sightseeing is recommended.

The distance from Washington to Philadelphia is not great, and buses run so frequently you can call the score to suit your convenience. But don't count on too much "people pampering" in this city of brotherly love. The birthplace of the United States was also the Nation's capital during the Revolutionary War. The old section is charged with colonial American charm and patient tourists stand in endless lines awaiting their turn to touch the Liberty Bell, climb the narrow steps of the Betsy Ross House, read the inscription on Benjamin Franklin's grave, tour the historic churches - visit Carpenters' Hall, Independence Hall and all the restored or

reconstructed historical buildings. The "Bicentennial City" is best seen by a walking tour and help may be obtained from the Visitors Services Headquarters located at 313 Walnut Street.

Highly desirable are the walking Historical Architectural tours. In comparison, I waited longer to see less during this trip than on any of three former visits to Philadelphia. This I attribute to more than normal numbers of tourists inspired by bicentennial programs.

Atop the City Hall is a 37 foot statue of William Penn looking out over the city he founded. Philadelphia is unique among large cities in that it has no towering skyscrapers. The City Hall rises 548 feet and there is a taboo on any building rising to a height greater than William Penn's likeness. Independence Mall was an ambitious undertaking and at the time of my visit there still remained work to be done. Work-in-progress was also underway in the Old Section where bracing was being added to support the weight of many guests, and painters and plasterers were frantically rushing to "prepare the way." Bus tours are a good buy and include the lovely Fairmount Park. Many fine old colonial houses are yet to be seen in the Germantown area. A visit to the Amish country near Lancaster is also recommended in your "Get in touch with America" tour.

Next week's coverage will include Williamsburg, Jamestown, New York and Boston.

### Counsel with client

Patrick M. Flannery, Covington, Ky., confers with his client, Michael D. Howard, Detroit, Mich., prior to Howard's release Tuesday from Hancock County Jail where he had been con-

fined following his arrest last week. Howard was apprehended last Thursday at a Catahoula farmhouse where 9.5 tons of marijuana was seized.

### Law determines, claims assessor

By JAKE JACOB

Mayor Warren Carver of Bay St. Louis again took his Tax Assessor and Collector Commissioner Clarence Ladner to task, Monday, when he read a "Mayor's Message" into the minutes.

The "message" criticized Ladner for the non-collection of personal taxes, a matter broached earlier in the month.

"On May 3, 1976," it read, "I handed to Commissioner Clarence Ladner, a schedule of personal taxes amounting to \$37,392.38 and which according to records on file in City Hall, remain unpaid for the years 1968 through 1973. On the same day, the taxpayers in-

involved were notified by me of their apparent delinquencies. This sum of money is in addition to the \$19,367.46 list of delinquencies submitted to Commissioner Ladner on April 8, 1976. The total of all unpaid personal taxes during the period mentioned, therefore, amounts to \$76,759.84."

The "message" went on to accuse Ladner of non-action concerning collections and indicated that had the tax collector performed his duties the "...so-called 'equalization' of assessments" of two years ago which resulted in a substantial increase in real estate taxes and which I in-

cidental opposed and voted against might not have been necessary."

Ladner responded that since the mayor had brought up the matter he had attempted to discuss it with Carver but he seemed unable to understand.

"I resent very much the mayor making accusations and implication that I am derelict in my duty as an assessor," Ladner said.

He said that like Mayor Carver's plumbing business the banks the principal identities involved, made out their own personal property assessments and that he had adjusted

### Surrender

Michael McKee, 28, Cincinnati, Ohio, steps out of the elevator at the Security Markham Building in Gulfport to give himself up to District Attorney Albert Necaise. To McKee's right is his attorney, Patrick M. Flannery of Covington, Ky. McKee is the buyer of the 20-acre plot in Catahoula where last week's haul of marijuana was seized.

—Photo by Charle Lange

### Vital Statistics

The following applied for marriage licenses at the Hancock County Circuit Clerk's Office during the period May 14-18.

May 14 - Herbert Lee Dorsey, 29, 529 Washington St., Bay St. Louis and Elaine Elizabeth Laneaux, 23, Necaise Ave., Bay St. Louis. James Semple Hay, 71, 308 River Oaks Dr., New Orleans, La. and Barbara C. Chavez Benjamin, 66, 2655 Hyman Place, New Orleans.

Rodric Wayne Flanagan, 27, 2550 Burma Dr., Pearl and Linda Louise Hayes, 25, 200 Marcus Dr., Waveland.

May 17 - Larry Maurice Stockstill, 36, Picayune, and Brenda Davis Stockstill, 30, Picayune.

William James Stechmann, 27, 117 Bay View Court, Bay St. Louis, and Carolyn Anne Phillips, 22, One Ramaneda St., Bay St. Louis.

Michael James Poulen, 20, 127 Barre St., Montpelier, Vt., and Julia Faye Morel, 16, 504 Genin St., Bay St. Louis.

Estus Laran Ladner, 26, Pearlinton, 18, Perkinson. May 18 - George Samuel Burch, 25, Boyd St., Waveland and Karen Ann Madere, 20, Clermont Harbor.

### School lunch managers plan workshop

**LONG BEACH** - Approximately 150 courses, an increase of about 25, will be taught this summer at the University of Southern Mississippi-Gulf Park, including Keesler AFB and Jackson County Resident Center, announced Gwinn Naderhoff, director of records and admissions.

For the first time, six afternoon classes will be taught to see if a demand exists for day-time classes.

Registration will be at Keesler, Vanderburg Hall, June 7, from 9 a.m. - 1 p.m.; at Jackson County Resident Center, in the Cafeteria June 7, from 5-8 p.m.; and at Long Beach, in St. Thomas Gymnasium June 8, from 1-7 p.m.

Students can register for all courses at any of the three locations.

Out of state tuition has been waived for the summer, and students can obtain admission by a letter of good standing from the deans of colleges and universities where they now attend.

Late registration will be accepted at Gulf Park and Jackson County only from 1-5 p.m., June 9 - June 16 excluding Saturday and Sunday, late fee of \$10 in effect.

Summer quarter examinations will be Aug. 12-18.

### Proclamation signing

Bay St. Louis Mayor Warren Carver and Waveland Mayor John Longo affix their signatures Monday to proclamations endorsing their respective city's observance of May 21-28 as

"Knights of Columbus days to help retarded citizens." Overseeing the signing is (left) George DiBenedetto and Joe Benvenuti of the Knights of Columbus chapter.

### obituaries

#### LEONTINE ZIEGLER

Services for Mrs. Leontine C. Ziegler, 90, 302 Carroll Ave., Bay St. Louis, will be held Wednesday from Edmond Fahey Funeral Home Chapel followed by a Mass at Our Lady of the Gulf Catholic Church. Interment was in Cedar Rest Cemetery.

Mrs. Ziegler, a lifelong resident of Bay St. Louis, died Monday at her home.

She was a member of Our Lady of the Gulf Catholic Church, American Legion Auxiliary No. 139, the 8 and 40, and Woodmen of the World Cedar Grove No. 507.

She was the daughter of the late Victorine H. Dau and David W. Bontemps, and her husband was the late Daniel J. Ziegler Sr.

Survivors include two sons, Daniel J. Ziegler Jr., Mississippi City, and Joseph Ziegler Sr., Gulfport; four daughters, Mrs. Leonard (Murius) Ladner, Clermont Harbor, Mrs. Cyril (Leontine) Washer, Biloxi, Mrs. C.E. (Gwen) Taconi and Mrs. John (Vic) Lohmann both of Bay St. Louis; 22 grandchildren and 14 great grandchildren.

#### MARIE JEANFREAU

Services for Miss Marie Jeanfreau, 82, Lakeshore, were held Monday at Tharp-Sontheimer Funeral Home in New Orleans, La. followed by a Mass at St. Francis Cabrini Parish Church. Interment was in Metairie Cemetery.

A former resident of New Orleans, she died Sunday at Hancock General Hospital. Survivors include her nephew and his wife, Mr. and Mrs. Wallace (Carmel) Jeanfreau of Lakeshore; two grandnieces and one grandnephew.

Local arrangements were handled by Edmond Fahey Funeral Home of Bay St. Louis.

#### NECHOL NECAISE

Services for Nechol (Nick) Necaise, 79, 334 Webb Ave., Bay St. Louis, will be held today at 10:45 a.m. from Riemann Fahey Funeral Home Chapel followed by an 11 a.m. Mass at Our Lady of the Gulf Catholic Church. Interment will be in DeLisle Cemetery.

Mr. Necaise, a lifelong resident of the Gulf Coast, died Tuesday at Hancock General Hospital.

He was a self-employed carpenter and the son of the late Jack and Louise Dedeaux Necaise.

Survivors include his wife, Mrs. Mildred Bourgeois Necaise, Bay St. Louis; three daughters, Mrs. Louise Atter, Pass Christian, Mrs. Patricia Soule, New Orleans, La.; and Miss Jo Ann Necaise, Bay St. Louis; two sons, Nechol Necaise Jr., Kiln and Nick Necaise, Austin, Tex.; 12 grandchildren and two great grandchildren.

## Assessments....

Continued from Page 1  
his figures to conform.

As the balance of the money he said most of the \$19 thousand odd sum involved businesses washed away or severely damaged by Hurricane Camille, the majority of whom had since ceased operations.

Ladner said he would be glad to meet with the bank's attorneys if there was anything to straighten out in these figures, "but I am not going to take your figures," Ladner told the mayor.

Speaking on the question of equalization, Ladner said the equalization of taxes the mayor is so opposed to have brought his (Carver's) taxes down a little. "To meet our obligations the assessment did increase by about \$1 million but that the change is going over "real well."

At the time it took a lot of flack from people but I withstood the flack, and now people understand what happened taxes are easier to collect," Ladner said.

He said he saw no reason to keep opening old wounds.

"I follow the law and my assessments are based on the law," Ladner said, adding that he just doesn't pull figures out of the air.

Carver questioned the procedure, further criticizing Ladner for accepting the bank's figures over those of the state tax commission office.

He said he had personally visited the tax office and they had informed him the collection of the taxes based on their figure, was mandatory.

Carver complained Ladner had scratched through a county supplied tax assessment figure against Hancock Bank of \$218,304.62, and substituted a total of \$125,000. This change, he said, had resulted in a tax assessment drop from \$12,006 to \$6,875.

"Why was this crossed through, and where was your authority to scratch through," Carver asked.

Ladner explained that the law governing bank assessments was involved. "It is based on the amount of capital stock assigned or allocated by the bank to the county or municipality concerned," he said.

"When I receive the tax roll, I insert my assessments and bring it before the city council for approval. A certificate is then signed and inserted in front of the roll."

"The tax adjustment was made, inserted, and brought before this council. The council in turn approved these assessments Ladner said both at the meeting and later in his office."

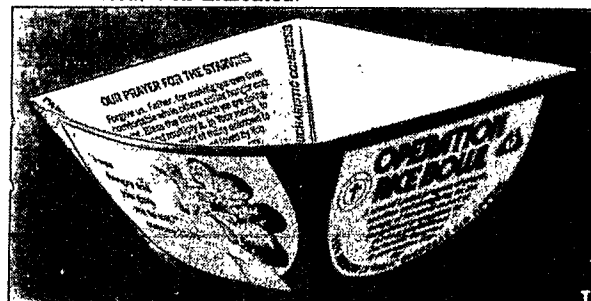

A check of Hancock Bank records revealed the institution has paid \$81,800.85 in real estate and personal property taxes to Hancock County and Bay St. Louis, for the years 1972 through 1975.

Personal property tax receipts showed bank tax payments of \$6,875 for 1973, \$996, 1974, and \$2,612.50 for 1975, as part of this sum.

Ladner told the council he was in touch with the Merchants Bank, who were reviewing their tax packet, and the Gulf National Bank, with whom they are apparently no dispute.

City Attorney Joseph Gex inadvertently quelled the discussion when he said it appeared the state ordinance covering the payment of personal property taxes by banks permitted the entire sum to be paid to the county wherein lay their principal place of business or head office.

With all three banks having their registered address for corporate office in Harrison County, it could be that Hancock, instead of being paid each and every year could be left out in the cold, Gex indicated.

## Ombudsman Office has scissors to cut 'red tape'

It is not unusual for a businessman or consumer to get bogged down in the mire of the federal bureaucracy.

Easily becoming lost in the volume upon volume of federal regulations, the thousands of department and agency offices, and miles of red tape, those businessmen and individuals frequently do not get answers to their questions.

It is obviously not what Thomas Jefferson had in mind.

Out of the mountain of federal departments has emerged a possible source of relief for the weary travelers. It is the Department of Commerce Office of the Ombudsman.

The Ombudsman's Office is designed to counter the bureaucrats' frequent desire to cut red tape...lengthwise. The office is aimed at slicing

through such obstacles and getting to the heart of the problem which is bothering the small businessman or consumer. Department of Commerce publications have cited the success of the Ombudsman in solving problems of those who come for assistance.

The layman - the person who has little contact with the government and less contact with the volumes of regulations - could find great solace in the Ombudsman's Office. If he finds himself lost within any of the agencies, departments, or bureaus, he is urged by the Commerce Department to contact the Ombudsman.

The program serves two purposes: to supply information to the businessmen and consumers from government, and to supply information to government

policy-makers from the business and individual interests.

Keesler employee retires following 30 years service

Gordon E. Bishop, a civilian employee at Keesler AFB, recently retired with 30 years of federal service.

Bishop, deputy chief of procurement, was responsible for directing the procurement of supplies, equipment and services for Keesler and serviced activities. He was also Keesler's small business specialist.

Bishop and his wife, Geraldine, reside in Pass Christian.

### Junior Legion Awards

Nena Boyd and Daniel Edwards have been named American Legion Award winners at Bay Junior High School. John D. Rutherford, Jr., Legion Awards Chairman, made the presentations recently at the school's awards night. Nena was president of the student council for the 1975-76 school year, and Daniel was an All-Conference selection for the 1975 football season. Both are active in many school functions.

### Community involvement meeting set May 20

Bay St. Louis monthly citizen's involvement meeting will be held Thursday May 20, at 7:30 p.m. in the Senior Citizens dining room at Valena C. Jones Center.

Residents of the community

are being encouraged to take part in these meetings. Questions or comments may be written before hand and dropped into a box which will be placed at the entrance of the meeting place. No

signature is necessary.

Also to be discussed is the spending of approximately \$31,000 in revenue sharing funds.

### OLA graduates 26 in ceremonies at church

Mary Kergosien captured the coveted Principal's Award in Our Lady's Academy awards ceremonies Monday at Our Lady of the Gulf Catholic Church.

The awards were made in conjunction with graduation activities which saw 26 girls receive their diplomas.

The second highest award of the evening, the Best All Round Senior, went to Linda Ladner.

Other winners and their subjects were: Michelle Oustalet - English; Lisa Yockey - math; Debbie Ginn - speech; Susie Tabor - journalism; Mary Kergosien, Lisa

Yockey, Tricia Dickinson - science; Rhonda Aime, Nancy Hathaway - home economics; Lori Sallinger - religion; Tricia Dickinson - history.

Special awards went to: Mary Boos, Nadine Johns - service; Mary Boos - leadership; Daren Swilley - Jaycee Scholarship; Bridget

Dabkowski - Chamber of Commerce Award; Tricia Dickinson - American Legion Award; Darlene Cuevas - business award.

**SSC AWARD WINNERS** - Pictured with Bro. Lee Barker, St. Stanislaus High School principal, are winners of awards presented at commencement exercises May 15. Front row, from left, David Treutel, Mike Graeber, Howard Weaver, A. J. Cuevas, Joey Bontemps, and John Lassere. Middle row, from left, David Weir, Steve Aguzin, and Ricky Briggs. Top row, from left, Ronald Balducci, Bro. Barker, and Donald Balducci.

## SSC graduates class of '76

Commencement exercises of the 122nd graduating class of St. Stanislaus High School took place May 15 in Our Lady of the Gulf Catholic Church. David Treutel, Jr. delivered the Salutatory and John Lassere gave the Valedictory address. Brother Hubert Bonnette, S.C., president, conferred the diplomas and Brother Lee Barker, S.C., principal of St. Stanislaus, served as master of ceremonies.

Following the conferring of diplomas upon the 72 members of the graduating class and the members of the Golden Jubilee Class of 1926,

Brother Hubert presented these awards to the following graduates: A.J. Cuevas, Chamber of Commerce Award; Joseph Bontemps, the Bay St. Louis Jaycees Award; John Lassere, the Character Cup for a day student; David Treutel, Jr., the American Legion Award; Ricky Briggs, the Character Cup for a resident student; Michael Graeber, the Character Award for a resident student; Donald Balducci and Ronald Balducci, the Conduct Awards for a resident student; and Howard Weaver, the John Philip Sousa Band Award. Also, Stephen Aguzin,

Excellence in Business Subjects; John Lassere, Excellence in Humanities; John Lassere, Excellence in Mathematics; John Lassere, Excellence in Science; David Treutel, Jr., Excellence in Social Studies. John Lassere received the Valedictorian Award and David Treutel, Jr. received the Salutatorian Award.

The St. Stanislaus Alumni Association Award was merited by David Treutel, Jr. The President's Trophy, the highest award given to a graduating senior of St. Stanislaus, was awarded to David Weir.

Col. and Mrs. Randolph Bourgeois had as dinner guests Mother's Day at their Beverly Drive home their daughter Renee Anne, their sons and daughters-in-law, Mr. and Mrs. Randall Wayne Bourgeois and daughter Nicole, and Mr. and Mrs. Timothy Bourgeois, Mr. and Mrs. Frank Larosa and Mr. and Mrs. Jake Morreale.

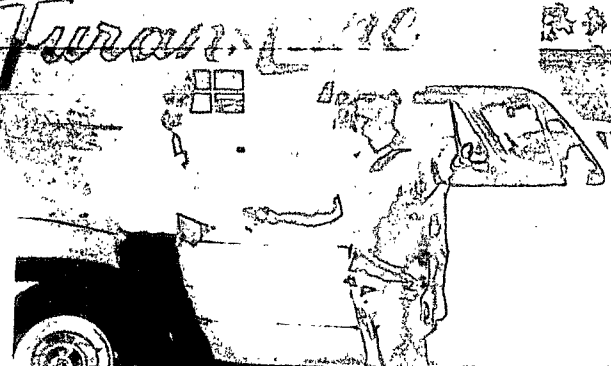

Mr. and Mrs. William L. Fryer Jr. and son William III of New Orleans were weekend guests of her parents Mr. and Mrs. Elus Depreo and family.

## Echoes

Sunday guests at Mrs. Rosemary Blaize were Misses Joy Monti, Ann Mangera, Boudreaux and Julie Eschier, and Mrs. Marguerite Boudreaux, Metairie, La.

## Bowen to address transportation meeting

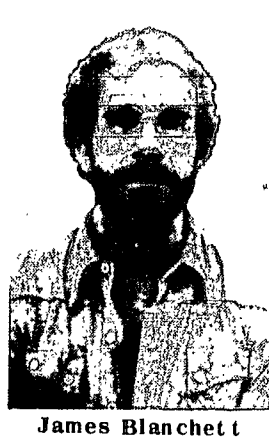

David R. Bowen, representative from the Mississippi Second Congressional District will be key speaker at the Gulf Coast Transportation Banquet to be held at the Best Western Inn, Farmer's market plans opening

The Farmer's Market in Gulfport will open Tuesday morning, June 1, at 6 a.m. This market will be located at the end of 25th Ave., or Highway 49, just behind Simmons Restaurant near the ball park. The market will be open Tuesday and Friday of each week during the fresh vegetable season.

Growers are asked to bring vegetables in truck or car and to provide their own bags and scales. There will be a parking charge of \$1 per day. Housewives are encouraged to come to the market early in the day when selection will be greatest. If you wait too late you may be disappointed to find others have bought that "clean, fresh, right from the farm, produce" before you got there.

In addition to Gulfport, farmer's markets will again be open in Pascagoula, Ocean Springs, Pass Christian and Picayune. There will not be a market in Biloxi as previously announced.

Gulfport, May 22, at 7 p.m. Congressman Bowen is a member of the House Merchant Marine and Fisheries Committee, which governs legislation affecting inland waterways and maritime affairs. He serves on the Coast Guard subcommittee, Panama Canal subcommittee and the subcommittee on wildlife, fisheries and the environment. He also serves on the House Agriculture Committee and was elected Chairman of the Cotton subcommittee. The banquet is being hosted jointly by the Mississippi Gulf Coast Chapters, National Defense Transportation Association, and the Gulf Coast Traffic Club in celebration of National Transportation Week, May 16-22nd, and National Defense Transportation Day, May 21, as proclaimed by President Ford.

Michael is pleased to announce that James Blanchett will begin cutting hair with him June 1. Appointments are now being taken for James.

## Sisters of St. Joseph to leave

### Sisters of St. Joseph end saga of 121 years at Bay

On January 6, 1855, three sisters of the Congregation of the Sisters of St. Joseph, settled into a modest home in Bay St. Louis. Their arrival had been the result of an appeal made to the Bishop of Belly, by Father Buteux - original pastor of Our Lady of the Gulf Catholic Church.

Now in 1976, after 121 years of teaching legions of our children, the Sisters of St. Joseph are closing their tenure.

Sister Patricia Sullivan, principal of Our Lady of the Gulf School, for the past three years, is leaving to assume the duties of administrator, St. Joseph's Childrens Home in Baton Rouge, La.

Sister Marie Louise Dupui, teaching at OLG, is soon departing to St. Rose de Lima School in New Orleans.

Sister Marie Becker guidance counselor at Our Lady's Academy, and Sister Patricia Favre, will remain in the area undertaking general parish

work until reassignment.

Of those that were here - only those four now remain.

A reception honoring the Congregation of the Sisters of St. Joseph, whose Mother House is in Bourg, France, is set for 3 p.m., Sunday, May 30 in OLG Cafeteria.

Reception organizers say they expect about 100 members of the Congregation to attend with sisters gathering from their various assignments throughout the South. Of those expected several will be former teachers and administrators of St. Joseph Academy which closed its doors in 1967. The buildings of the academy and convent were demolished following Hurricane Camille in which they both received extensive damage.

A personnel shortage has resulted from a decline in the acceptance of vocations to the order forcing a curtailment of operations, Sister Patricia Sullivan said Tuesday.

She said the decision to leave Bay St. Louis had been reached three years ago and preparations had been underway since that time.

"We are staffing about 14 elementary schools and with the reduction of our number we have been forced into curtailment.

"Our Lady of the Gulf School is to be combined with St. Rose de Lima School and will now function under the nomenclature of the Bay St. Louis Catholic Elementary School.

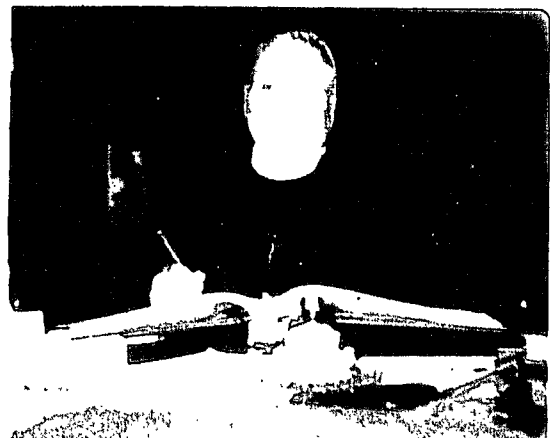

"Grades one, two, and three, will have classes in the St. Rose de Lima building, with the fourth, fifth, and sixth, grades being taught in the OLG plant," she said.

"Sister Celeste Symour of the Holy Spirit Sisters, the present principal of St. Rose, will assume the principal's duties for the new unit," she concluded.

Persons wishing to help with the reception have been asked to call either of the following numbers: 467-4618, 467-4150, 467-4293, 467-9577.

### Sister Patricia Sullivan

#### writes a farewell message

When it comes time for a loved one to leave home, the family experiences mixed emotions over the obvious separation. There is much sadness over the physical loss of the person but a real sense of joy over the fact that the years of care and concern have come to fruition in one who is fully prepared to assume his special place of leadership in society.

Today, we the Sisters of St. Joseph are experiencing the same strong feelings of sorrow and joy. Our sorrow is felt because we will no longer be actually staffing the Our Lady of the Gulf Parish School. Yet we do feel a spirit of joy over the great sense of leadership and accomplishments we have seen among you in the past years.

Father Medaille, our founder really was inspired by the Gospel Message when he gave us the apostolic task of producing "Multipliers", people who could work with us and gradually assume leadership roles among us.

Our sisters responded to a real need when they left France, their native land, 121 years ago. They came to Bay St. Louis fully aware of the many difficult tasks before them. They had the desire to spread

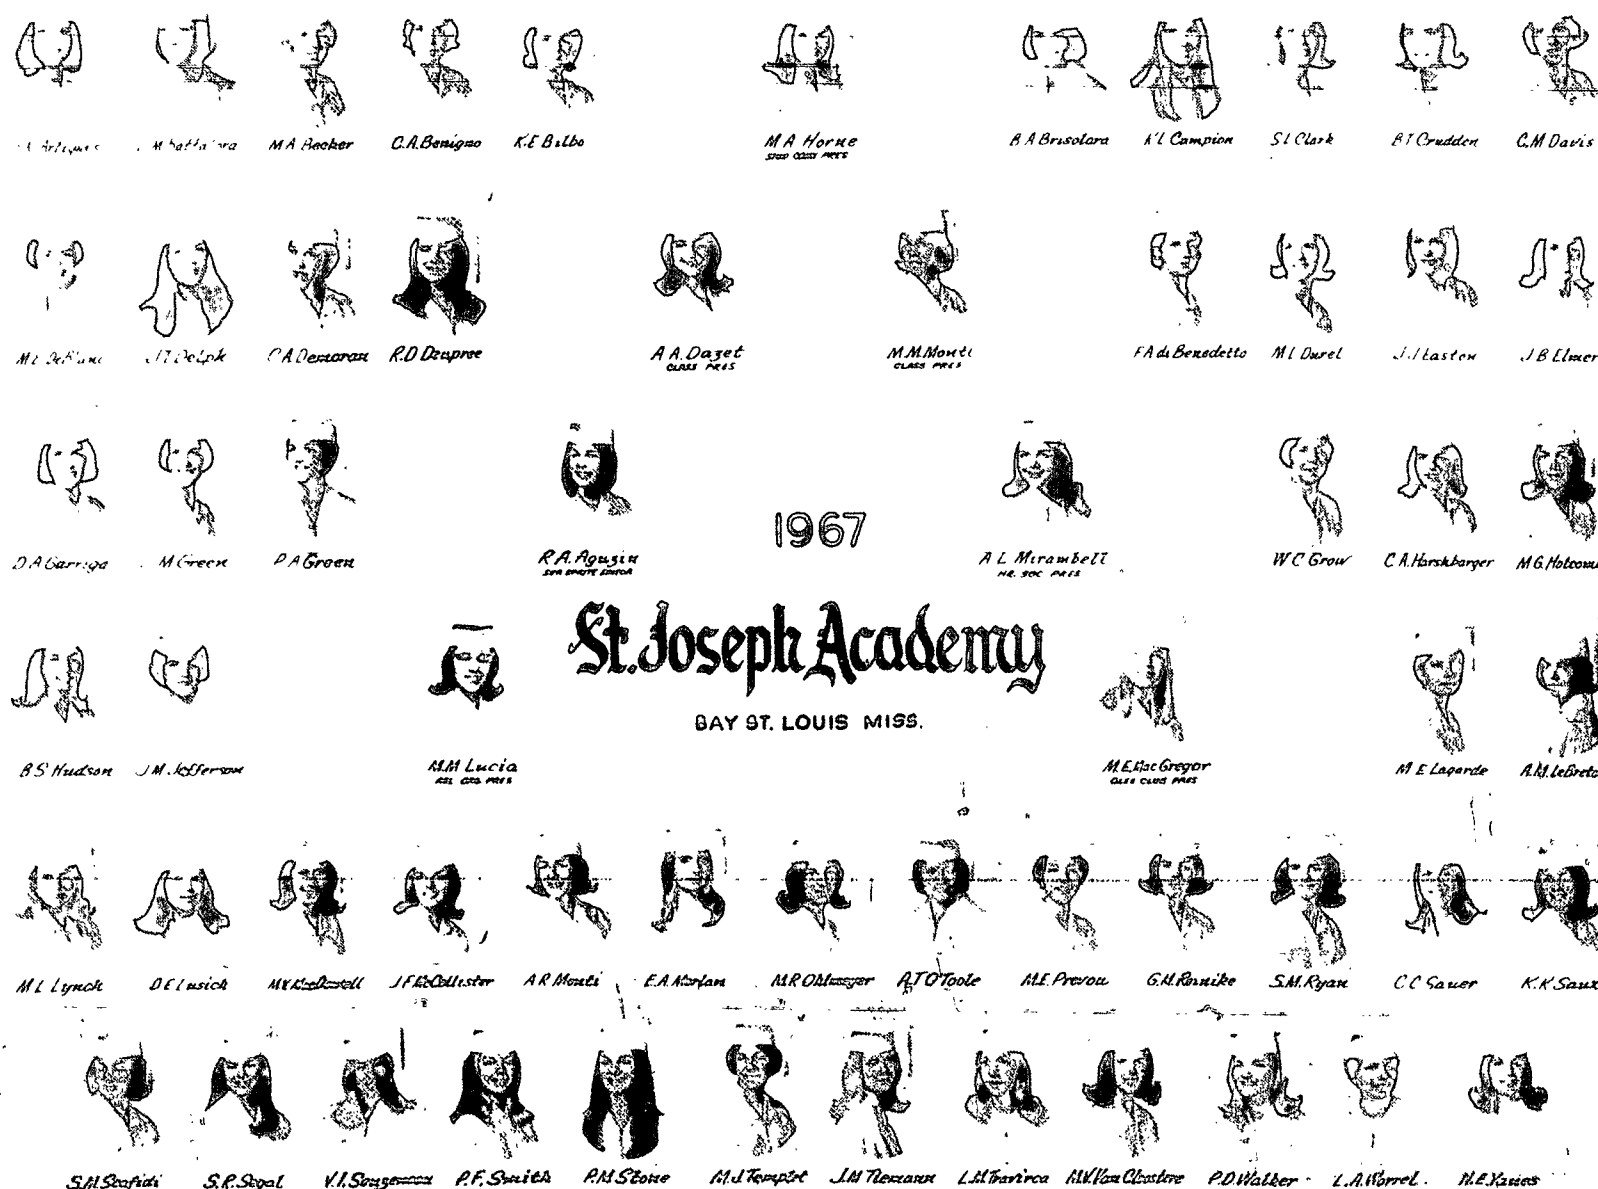

the Gospel Message among all people. They saw the need to educate children. Their first task was to establish Day Schools and later a Boarding School. They realized that many children would remain illiterate because they could not afford an education. As a result they opened free schools for poor white, black, and Indian children. They also gave instructions to people of all ages.

In the year 1855, the first Sisters of St. Joseph began their work at Bay St. Louis. They were sent by their congregation to fulfill the apostolic needs of the time. The Sisters served the people through many years of deprivation and extreme hardships. As time passed, many generous women replaced these first Sisters and again again laborers were sent to work with the people of the Bay Community. Through the years the Good News has been spread. But during all this time and through the present time, the people of the Bay have shown their appreciation. It is recorded in the early history of the Sisters at the Bay, that the people did all in their power to make life comfortable for the Sisters of St. Joseph, and

several families even prepared meals for them. The parishioners have never tired of giving and being generous toward the Sisters.

Many seeds of learning have been planted and fruit has been harvested. The Christian Families of the Bay have been cared for through the training and dedication of the Sisters. They were sent to guide, direct, and minister to several generations of Bay Citizens. The time is ripe and has come for this Christian Community to act as leaders themselves in assuming many of the responsibilities that they formerly learned from the Sisters. It is time for the Sisters to be sent forth by the Community to work in other areas of special need.

We will go into new and various apostolates but with us will go the special spirit of love, concern, and appreciation. We have received here at the Bay. We, the Sisters of St. Joseph have been enriched in many ways by the people among whom we have worked. This richness will remain a part of our lives, and wherever we go, in heart and spirit, Bay St. Louis will go with us.

Last senior class to be graduated from St. Joseph Academy

## NOTICE OF FINAL SETTLEMENT

Notice is hereby given that the contract between Huey S. Schmitt, Contractor, Inc., Contractor on the one part and Hancock County on the other part, dated March 23, 1976, for Overlay of Taxway "E", Stennis International Airport, has been fully and completely performed and final settlement thereunder has been made.

This notice is given pursuant to Section 31-5-7, Miss. Code Ann. (1972).

DATED, this 17th day of May, 1976

(SEAL)

Hancock County Port & Harbor Commission Board of Supervisors John D. Rutherford, Jr., Chancery Clerk, 5-20-76

## STATE OF MISSISSIPPI

Office of the Secretary of State

## CERTIFICATE OF INCORPORATION OF AQUARIUS SPA & HEALTH CLUB, INC.

The undersigned, as Secretary of State of the State of Mississippi, hereby certifies that duplicate originals of Articles of Incorporation for the above named corporation duly signed and verified pursuant to the provisions of the Mississippi Business Corporation Act, have been received in this office and are found to conform to law.

ACCORDINGLY, this undersigned, as such Secretary of State, and by virtue of the authority vested in him by law, hereby issues this CERTIFICATE OF INCORPORATION, and attaches hereto a duplicate original of the Articles of Incorporation.

GIVEN under my hand and seal of office on this 13th day of May, 1976

HEBER LADNER, SECRETARY OF STATE

The corporate title of the corporation is Aquarius Spa & Health Club, Inc., whose incorporators are Shirley Miller Tarzetti, Walter J. Gex, III and Joseph W. Gex, and the specific purposes for which the corporation is organized are:

To own, maintain and operate a health spa, and to do all acts reasonably associated therewith, including but not limited to the sale and purchase of real estate and personal property involved therein, and all other purposes commensurate with the powers set forth in Section 4 of the Mississippi Business Corporation Act.

Said corporation shall also have the powers set forth in Section 4 of the Mississippi Business Corporation Act of 1969.

The aggregate number of shares which the corporation shall have and authority to issue is 100,000 of the par value of \$10.00 (ten dollars) per share, and said shares shall be divided into four classes:

The corporation will not commence business until consideration of the value of at least \$10,000 has been received for the issuance of shares.

Given under my hand and seal of office this 17th day of May, 1976

# County agent notes

## Apply lime to soybean land up until planting

Much of our soybean land is in dire need of lime to bring the pH up to desirable levels. You can apply lime right on up until planting.

Soft lime works faster in reducing acidity of the soil than does hard rock lime. But with the problem you farmers are having in getting lime, apply any high grade liming material any time you can get over the land without injuring the crop.

### EARLY SEASON WEED CONTROL

Early season post directed sprays for weed control are extremely important in cotton. These should be begun without delay.

Herbicides, if available, are effective. The arsenicals, DSMA and MSMA, are very effective on grasses and cocklebur in hot, dry weather. DSMA is somewhat safer on cotton and may be preferred for the first spraying. MSMA should be used when the cotton is a little larger.

Mixtures of MSMA or DSMA plus Cotoran or Lanex take much of the gamble out of the weather. Cotoran or Lanex work best when plants are growing well, while DSMA and MSMA work best when

### Camp for handicapped children set

UNIVERSITY - Camp Fun-A-Lot, a week-long camp at John W. Kyle State Park at Sardis Lake, will be held for 35 campers June 28-July 2. Sponsor of the event, coordinated by the Ole Miss Departments of Physical Education, Special Education and Communicative Disorders, is the Mississippi Easter Seal Association. Dr. Quentin Christian, associate professor of Health, Physical Education and Recreation, is camp coordinator.

### Press, TV

four set

by Ole Miss

UNIVERSITY - Participants in Ole Miss 1976 Journalism Tour will tour and meet with leaders of some of the nation's most influential news media during the June 9-26 traveling seminar in Editorial Direction.

A highlight of the trip will be a briefing by Harry Reasoner, anchorman with ABC-TV News.

"This seminar, for which three hours credit may be earned, should be of special interest to high school journalism teachers, graduate students, as well as upper division undergraduate students and junior college students," said Dr. Will Norton, assistant professor of Journalism at Ole Miss, who will coordinate and direct the tour.

"Participants will see for themselves the journalistic and governmental organizations which are vital to our system, meet other leading journalists, interview nationally known figures, and broaden perspectives on journalism."

Visited will be The Washington Post, CBS Publications, New York Times, UPI, Dow Jones, the White House, U.S. State Department, Kingsport Press, National Geographic, U.S. Supreme Court, Capitol Press, Public Broadcasting System, McGraw-Hill Publications, Newsweek, TV Guide, United Nations, American Newspaper Publishers Association Research Lab.

Application forms are available from the Division of Special Activities, University of Mississippi, University, Miss. 38677.

There's an old superstition that says you can tell how many children you have by counting the number of X's in your palm.

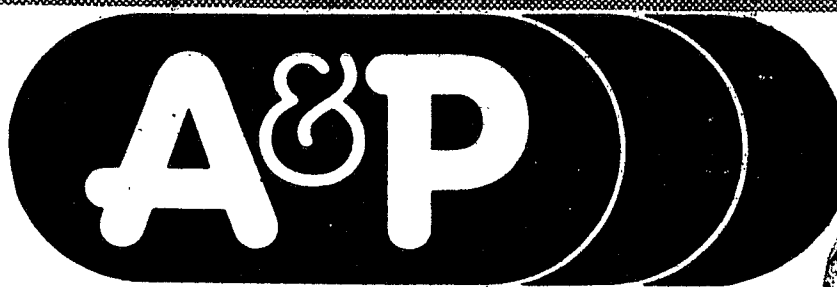

plants are drought-stressed. SOYBEAN WEED CONTROL Many farmers should apply a preemergence herbicide at planting or shortly thereafter. Herbicide choice should be

based upon weed species, soil type, organic matter content of the soil and other herbicides to be used in the overall weed control program. Preemergence herbicides work best when applied to a

moist seedbed and are followed by a rain within a week to 10 days. Where seedling grasses and pigweed are major problems and no incorporated herbicide was used, Lasso and Amiben

are good possibilities. For cocklebur, teasweed, sicklepod and sesbania the herbicides Sencor and Lexone have the best preemergence activity. Ancrack, Dyanap or Klean Crop as well as Lerox may

also provide fair to good control of many broadleaf weeds. Be sure to study your soil type and variety restrictions before choosing from this group of herbicides.

### Admiring looks

Considering where to permanently display the official certificate designating Mississippi State University a bicentennial campus are (l to r) Sarah Hardy, Columbus, subcommittee member of MSU's Bicentennial Committee; Dr. Willie L.

McDaniel, chairman of the MSU Bicentennial Committee; Dr. William L. Giles, president of Mississippi State University; and Chandler Mills, Enterprise, vice president of the MSU Student Association.

## Jackson firm to export to Iran

Mississippi and the Middle East are at it again - this time with chickens. Several major business negotiations between Mississippi firms and Mid-East countries have resulted from Mississippi's precedent setting trade mission to the Mid-East last year.

This week the A & I Board's Marketing Council announces that another participant in the 1975 trade mission will soon be exporting to Iran. Cal-Maine Foods, Inc., a Jackson, Ms. firm, will begin shipment of feed ingredients to a new poultry facility in Iran within 90 days. Eventually, the company will provide 65,000 tons of feed ingredients annually to the new plant.

When completed the Iranian

plant will be a fully integrated shell egg and poultry production facility. Initially, the plant will produce 120,000 broilers per week and 360,000 laying hens, according to a Cal-Maine executive. Future development plans call for breeders, growing facilities, broilers, laying houses, hatcheries and a feed mill.

The plant, which is expected to be located 200 miles south of Tehran near Isfahan, will be operated by an Iranian-based corporation comprised of Cal-Maine International, a wholly owned subsidiary of Cal-Maine Foods, and the Scamough Co. Inc. of Tehran. Although Cal-Maine will hold a minority ownership position, the company will provide technical expertise and actively participate in

management of the corporation. The first contact between Cal-Maine representatives and Iran was made during the Marketing Council's trade mission last spring. Marketing Council officials

### Retired federal employees elect Logan president

Fred L. Logan of Waveland, has been elected vice president, Region III, National Association of Retired Federal Employees. Logan, a member of 209 Chapter, was afforded the honor at the group's Mississippi Federation of Chapters meeting last week in Starkville.

Other Chapter 209 members

have praised Cal-Maine and other Mississippi firms for their aggressive pursuit of international trade opportunities which has opened doors for Mississippi in one of the world's most lucrative marketplaces.

Woodrow Owen of Long Beach - president; Albert J. Ragusin, Biloxi - second vice president; Mrs. Woodrow Owen, Long Beach - secretary.

Chapter 209 of the NARFE will hear reports from these members and others attending the state meeting, at 11:30 a.m. today, Newman's Seafood Restaurant, Mississippi City.

## Bay High schedule announced

Registration for summer school classes at Bay Senior High School will be held May 28 from 9 a.m. - 2 p.m. in the school library.

The first semester begins May 28 and concludes July 3 and the second semester begins July 5 and concludes August 7.

The following courses will be offered if the demand is sufficient: English 9, English 10, English 11, English 12; Civics, Mississippi history, World history, American history, American government, economics, fundamental math I, fundamental math II, general science, biology, and physical science. Driver education will be taught first semester only.

MADAME VALERY GISCARD D'ESTAING

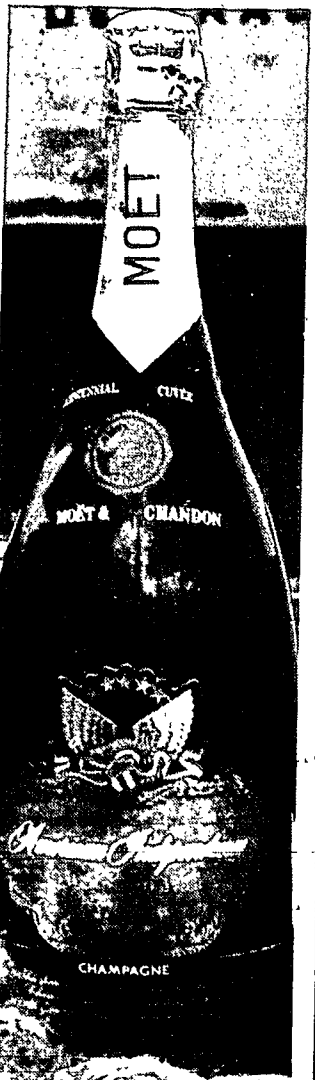

## Madame Giscard d'Estaing to christen Navy destroyer

PASCAGOULA - Madame Valery Giscard d'Estaing, wife of the President of France, will christen the new U. S. Navy destroyer, Comte de Grasse, in ceremonies here Saturday, May 22.

The new ship, 12th in a series of 30 advanced destroyers being built for the Navy by Ingalls Shipbuilding division of Litton Industries, will be named for the French Admiral whose actions as commander of the French fleet led to the surrender of Lord Cornwallis' armies at Yorktown during the American Revolution.

Admiral de Grasse brought 30 French ships from the West Indies to the coast of Virginia, where on Sept. 3, 1781, he soundly defeated a British naval force in the Battle of Chesapeake Bay. The French fleet then landed reinforcements for the Americans and cut off supplies for the British.

Madame Giscard d'Estaing will sponsor the Comte de Grasse and present the principal address at the christening ceremony, as one of several Bicentennial events in which she is participating in this country.

A very good year

This French champagne, bottled especially for the American bicentennial, will be used to christen the U.S. Navy's newest destroyer, DD-974, in ceremonies Saturday at Ingalls Shipbuilding division of Litton Industries in Pascagoula. The ship will be named Comte de Grasse, in honor of the French Admiral who helped win America's War of Independence, and will be christened by Madame Valery Giscard d'Estaing, wife of the President of France.

The ceremony will begin at 1 p.m., following the arrival of Madame Giscard d'Estaing from New Orleans. She will be introduced at the ceremony by U. S. Navy Admiral James L. Holloway III, Chief of Naval Operations.

Also attending will be the Honorable Kenneth Rush, American Ambassador to France, and His Excellency Jacques Kosciuszko-Morizet, French Ambassador to the United States. Madame Kosciuszko-Morizet will attend the sponsor as matron of honor.

Other participants in the ceremony will include Leonard Erb, Vice President of Litton Industries and President of Ingalls Shipbuilding and Capt. W. E. McGarrath, Supervisor of Shipbuilding. Pascagoula's The Most Reverend Joseph B. Brunini, Bishop of the Catholic Diocese of Natchez-Jackson, will offer the invocation.

Designated DD-974, the Comte de Grasse is the second of three consecutive destroyers of the Spruance class built by Ingalls to be named for Revolutionary War heroes.

The high-speed, multi-mission destroyers of the Spruance class are built primarily for anti-submarine warfare. At 563 feet long and displacing 7,800 tons, they are twice the size of World War II destroyers, and are the first major U. S. Navy combat ships to be powered by gas turbine engines.

The jet engines provide almost instant starting and exceptional acceleration. Four engines, with more than 20,000 horsepower each, drive the ships at speeds in excess of 30 knots.

Present armament on the ships consists of two 5-inch, 54-caliber guns, an ASROC (Anti-submarine Rocket) launching group and torpedo tubes. The ships are capable of carrying either two multi-purpose UH-2 helicopters or one larger SH-3D helicopter.

Two controllable, reversible

pitch propellers and twin rudders, combined with the gas turbine engines, give the Spruance ships great speed, maneuverability and effectiveness against submarines far greater, particularly at high speeds, than that of any previous U. S. Navy destroyers.

The first two ships of this new class, DD-883 Spruance; and DD-984, Paul F. Foster, have been delivered to the Navy. All remaining vessels of the 30-ship fleet are in various phases of production.

## Seedlings available from commission

The Mississippi Forestry Commission has just released the price lists for available tree seedlings for the 1976-77 year.

Species available and maximum number available per landowner are as follows: Loblolly pine, no reasonable limit; slash pine, no reasonable limit; longleaf pine, no reasonable limit; shortleaf pine, 250 per landowner; Virginia pine; 250; Scotch pine, 250; bald cypress, no reasonable limit; green ash, no reasonable limit; yellow poplar, 1,000; sycamore, no reasonable limit; sweet gum, no reasonable limit; cherry bark

oak, 500; and cottonwood, no reasonable limit.

Prices for the trees are \$1 for delivery of 25 southern pines; \$3.50 for nursery pick up and \$10 for delivery of 1,000 southern pines; \$4.50 for 250 other pines and hardwoods with the exception of cottonwood, \$9 for pickup and \$10 for delivery of 500, and \$18 for pickup and \$20 for delivery of 1,000; \$1.50 for pickup and \$2.10 for delivery of 100 cottonwoods and \$19 for pickup and \$21 for delivery of 1,000 cottonwoods.

All deliveries will be handled by the county forester.

## Hancock supervisors vote for airport management

The Hancock County Board of Supervisors voted 4-1 Monday to accept the bid of Global Associates to take over management duties at Stennis International Airport.

Beat Five Supervisor James Travirca cast the dissenting vote, claiming he could not approve the proposal without a specific breakdown of items to be included in the \$3,200 monthly budget the management firm has requested for the airport's operation.

William Webre, director of the Hancock County Port and Harbor Commission, presented the request after the commission had voted 4-1 for the bid acceptance.

The Hancock board questioned Webre at length about the company's progress since they have been in charge of operations for the past 22 months.

Webre said the board must realize that the airport is in its "early stages of development" and added that the commission will "pick up the tab" if income from sales are not sufficient to meet the budgeted operating expenses.

## Plastic may tell quality

A project designed to develop a simple, inexpensive test to measure the quality and freshness of a variety of sea food products has been initiated at the University of Southern Mississippi.

Fish products contain a variety of chemicals whose concentrations can be accurately correlated to freshness. However, such tests require sophisticated equipment and techniques suitable only to large sea food processors.

Under the direction of Dr. Paul Toom, and Dr. Gary Blomquist, both in USM's Chemistry group, scientists are using funds made available by the National Marine Fisheries Services to develop a series of tests designed to quickly tell the consumer the quality his contemplated fish product purchase.

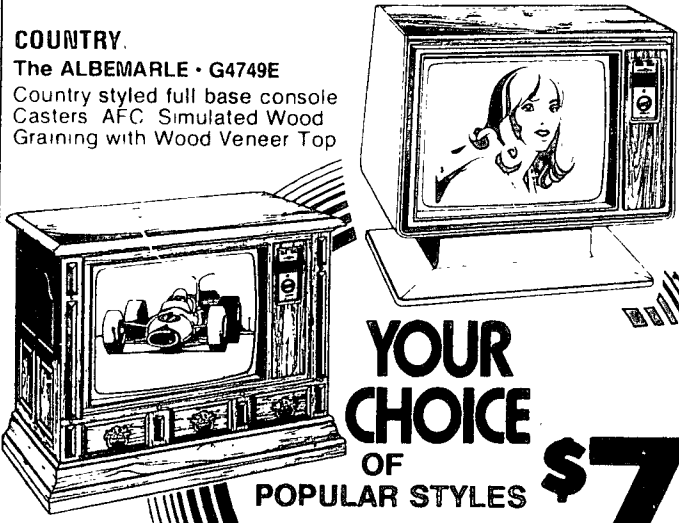

Although the exact test details are still in the development stage, a small plastic strip for placement on the fish is being developed. Observation of color developing on the plastic strip in comparison to a color chart will immediately alert the potential purchaser to the product's quality.

Through the use of this test, not only will the various consumers of fish products be assured of freshness, but food scientists will have a simple test to measure the effect of various storage conditions.

## GIANT-SCREEN 1976 ZENITH 100% SOLID-STATE CHROMACOLOR II 25" FINE FURNITURE CONSOLE TV

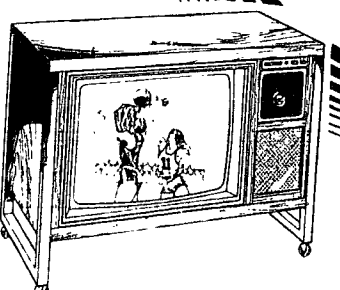

- Brilliant Chromacolor Picture Tube

### Ready for swim

Preparing to take their Chinchuba Institute for Deaf guests for swim in Mississippi Sound are, from left, members of Project Do, Margaret Hayden, Amy Hille, Leslie Staehle, Mary Ann Skladzien, Anne Mills, Kathie Koch, Laurie Koch, Marilyn

Koch; seated, Kelly Poolson, Teresa Ryan, Susan Hensley, Anna DiBenedetto, Michelle Oustalet, Myrthe North, Lisa Westhoff, Lisa Stevens, Becky Montgomery, and Anne Montgomery.

### Chow down

Having brought lunch for themselves and their guests, Project Do action teens from four area schools, man chow tables during lunch break. Project Do members are, from left, Amy Hille, Leslie Staehle, Mary Ann Skladzien, Anne Johnson, Becky Montgomery, and Marilyn Skladzien.

### Splash, splash, fizz, fizz

Sloshing through surf at Buccaneer State Park, Project Do's escort their guests from Chinchuba Institute for Deaf. In on swim are, from left, Amy Hille, Mary Anne Skladzien, Edgar Santa Cruz, Becky Montgomery, Anne Johnson, and Johnny Kersanac.

### Project Do - does!

## Action teens host school for deaf

Kindness is the language that can be heard by the deaf and can be read by the blind!" - Mark Twain.

The deaf children of the Chinchuba Institute in Louisiana heard the language spoken of by Mark Twain last Saturday, when 27 members of Project Do - a Bay-Waveland teenage action group - gave a picnic to 21 of the Chinchuba students.

From Our Lady's Academy, St. Stanislaus College, Coast Episcopal High School, and Bay Senior High School, the students took their guests to Buccaneer State Park in Waveland, for a day of great and varied activity.

Special thanks were extended by Project Do following the event to The School Sisters of Notre Dame, who staff Chinchuba Institute, for bringing their students to Bay St. Louis for the picnic; to St. Stanislaus College for the use of their school bus; to Brother Albert Ledet of SSC for driving the bus to and from the park; to Brother Phillip and the St. Stanislaus Sideline Club for their generous donations of balloons and treasure hunt prizes.

Under the supervision of Brother Canisius Schell, Project Do director, local students participating were: Ann Mills, Laurie Koch, Sharon Ladner, Lisa Stevens, Susan Hensley, Teresa Ryan, Michelle Oustalet, Amy Hille, Kelly Poulson, Marilyn Skladzien, Mary Ann Skladzien, Leslie Staehle, Myrthe North; Lisa Westhoff, Anna di Bendetto, Edgar Santa Cruz, Anne

Johnson, Becky Montgomery, Kathie Koch, Margaret Hayden, Edward Flynn, Johnny Kersanac, Kenneth Rafferty, Paul Robinson, Joel Oustalet, Marty Tighe, and Danny Hayden.

From Chinchuba Institute came: Kathy Argence, Rhonda Higdon, Alicia Rodriguez, Nancy Carambat, Debbie McKinney, Terri Troxler, Suzette Ledet, Kevin Lauricella, Charles Prince, Clint Sullivan, Paul Zeringue, John Allan, Danny Berry, George Cardona, Dwayne Dupre, Mark Galvan, Etienne Coulet, John Datri, Bruce Scandariato, Charles Hoyt, and Fred Oustalet.

### Treasure seekers

-Photo by Mike Flynn

Preparing to pace off distance from 100-year old oak and dig for treasure in Buccaneer State Park, are, from left, Edgar Santa Cruz with charge Charles Hoyt; Kathie Koch and Rhonda Higdon; Ed Flynn hosting Bruce Scandariato; Ann Mills with her guest Alicia Rodriguez.

### Bongo limbo

Laurie Koch escorts Rhonda Higdon under loose line of limbo dance. Lisa Westhoff, Anne Mills, Amy Hille and Myrthe North are also in on action in Project Do picnic at Buccaneer State Park.

### Buccaneer crew members

Eager for the next event, with their guests, are Project Do's from left, Edgar Santa Cruz, Joel Oustalet, Paul Robinson, Marty Tighe, Johnny Kersanac, and Ed Flynn.

LISA BAXTER WAGNER

## Wagner-Yearwood

Mr. and Mrs. Leo Frederick Wagner Jr., of Bay St. Louis, announce the engagement of their daughter, Lisa Baxter, to Thomas Lamar Yearwood, of New Orleans, La. son of Mr. and Mrs. John Charles Yearwood of Kula, Maui, Hawaii.

The prospective groom was graduated from the Ildore Newman School and from the Tulane University School of Engineering where he majored in mechanical engineering. He also received a master's degree in mechanical engineering from Tulane, and is currently pursuing a Ph. D. degree.

He is a grandson of Mrs. A.P. Caruthers of Greenville, and the late Mr. Caruthers, and the late Mr. and Mrs. Claude Howard Yearwood of Macon, Ga.

Her grandparents are Mrs. Leo Frederick Wagner and the late Mr. Wagner, and the late Mr. and Mrs. Leo William Seal of Bay St. Louis.

The wedding will be held at the Main Street Methodist Church in Bay St. Louis on the 7 p.m. ceremony. A reception will follow at the home of the bride-elect's parents.

Miss Wagner, whose mother is the former Miss Virginia Elisabeth Seal of Bay St. Louis, was graduated from Bay High School in Bay St. Louis and from Newcomb College where she majored in art.

PEGGY HAAS AND ANDREW LADNER

## Haas-Ladner

Mr. and Mrs. Wesley Haas Kiln, announce the engagement and approaching marriage of their daughter, Peggy, to Andrew Ladner, son of Mr. and Mrs. Melvin Ladner, Pass Christian.

The wedding will be solemnized June 13 at 2 p.m. at Annunciation Catholic Church in Kiln.

Miss Haas is a graduate of

Hancock North Central High School and Meadows-Draughon Business College. She is manager of Peggy's Dress Shop.

The prospective groom, a St. Stanislaus graduate, attended the University of Southern Mississippi. He is employed by South Central Bell Telephone Co. in New Orleans, La.

VICKIE MARIE NECAISE

## Necaise-Bourque

Mr. and Mrs. Victor Necaise Sr. of Bay St. Louis announce the engagement and approaching marriage of their daughter, Vickie Marie, to James J. Bourque, son of Mr. and Mrs. Paul H. Bourque Sr. of Biloxi.

The wedding will take place June 4 at 8 p.m. at Ramada Inn in Waveland.

The bride-elect's grandparents are the late Mr. and

Mrs. Jeff J. Garcia and the late Mr. and Mrs. Thomas Necaise all of Bay St. Louis. The prospective groom is a graduate of Gulfport High School. His grandparents are Mr. and Mrs. D.J. Bourque of Gulfport and the late Mr. and Mrs. E. I. Bateman of Gulfport.

Friends and relatives are invited to attend through this medium.

## Coming Events

A large variety of plants will be offered for sale by the Blue Jeans Garden Club Saturday, May 22, 10 a.m. till, Winn-Dixie Shopping Center.

St. Stanislaus Band Boosters Club will meet at 7:30 p.m. Monday, May 24, in the band hall to elect officers for the coming year.

Lionel Baxter of Bay St. Louis will be featured speaker at the May 21 meeting of the Civil War Round Table to be held in Jackson.

He will speak on "The Catholic Church and the Confederacy."

Our Lady of the Gulf PTO will hold its final meeting of the school year 8 p.m. tonight in the school cafeteria. A program will be presented by the students.

All members are asked to attend.

May 22, in St. Ann's Parish Hall. All members are urged to attend.

## Echoes

Mrs. Genevieve Maxion of New Orleans spent the weekend with Mr. and Mrs. Edmond Michel. Saturday guests of Mr. and Mrs. Michel were Mr. and Mrs. Philip Carderara and daughter Josie of Chalmette, La.

Miss Tammy Jaye Caruthers, daughter of Mr. and Mrs. Jeriel Allen Caruthers, Bay St. Louis, has been accepted for admission at David Lipscomb College, Nashville, Tenn.

A senior at Bay High School, she plans to enroll in Lipscomb in the 1976 fall quarter to follow a major in business.

Mr. and Mrs. Randall Wayne Bourgeois and daughter Nicole of Clifton, Md., have returned home after spending two weeks with his parents Col. and Mrs. Randolph Bourgeois and family.

St. Ann's Fair committee will sponsor a yard sale, to include clothing and household items starting at 9 a.m. Saturday, May 22, in front of Sue and Kent's store, adjacent to Gulfview School, Lower Bay Road, Lakeshore.

Clermont Harbor Civic Association will hold a special meeting at 8 p.m. Saturday.

## Mrs. Mazarakis installed as garden club president

Mrs. Herman Mazarakis was installed president of the Bay-Waveland Garden Club May 13th at the club's center on Leonhard Ave. Others elected were: Mrs. Fred Logan, first vice president; Mrs. Paul Miller, second vice president; Mrs. John Holmes, third vice president; Mrs. Robert Mohn, recording secretary; Miss Julia Blaise, corresponding secretary; Mrs. George Greenfield, treasurer; Mrs. Lelyn Nybo, historian; Mrs. William Hilliker, parliamentarian. Mrs. Clarence Evans was installing officer.

Mrs. Lelyn Nybo, out-going president, thanked the officers, committee chairmen and members for their cooperation during her tenure as president. She was presented with a gold bracelet and charm in appreciation of her leadership during the two-year term.

Mrs. Nybo announced that Bay-Waveland Garden Club had received several awards at the annual state convention at Vicksburg. Top among the awards was the president's award and trophy, presented by South Central Bell. This award is presented to the garden club whose membership best promotes and executes the goals established by the president of the Garden Club of Mississippi, Inc. whose theme this year was "Concerned Awareness-Creative Action."

Other awards received were a green ribbon for highway beautification and improvement, certificate of merit for State No. 9A flower show, white ribbon for State No. 14 flower show schedule, certificate of merit for Garden Club pilgrimage, honorable mention for State No. 13 publicity, certificate of appreciation for participation in state projects, support care and participation in the Horticulture Summer Seminar. Mrs. Nybo announced that the Junior Gardeners, sponsored by the Bay-Waveland Garden Club, had received a certificate of appreciation for outstanding participation in the Avenue of Magnolia's project.

A narrative account of the club's activities for the year was given by Mrs. Waldo Otis, Historian.

The Horticulture Summer Seminar Scholarship at Mississippi State has been awarded to Miss Patty Payne, Junior at Bay-High, according to Mrs. Robert Taylor, High

## OLA Carnival Assn to meet

A general membership session of the OLG Carnival Association is set for 7:30 p.m. Monday, in the Dock of the Bay.

More than 15,000 GI Bill students applied for educational loans in 1975, the first year for this Veterans Administration program.

SHELLY JEAN FAYARD

## Fayard-Koenenn

Mr. and Mrs. James Veitch, Bay St. Louis, announce the engagement and approaching marriage of their daughter, Shelly Jean Fayard, to Johnny Wade Koenenn, son of Mr. and Mrs. J. C. Koenenn of Kiln.

The wedding will take place July 31 at 2 p.m. at Our Lady of the Gulf Catholic Church. Miss Fayard is a 1975 graduate of Bay Senior High

School and a '76 graduate of Pearl River Junior College. She is employed at Ingalls Shipyard.

The prospective groom, a 1974 Bay High graduate, received a degree from Pearl River Junior College this year and plans to continue his education at Mississippi State University this fall. He is employed by J. Ray McDermott and Co., Harvey, La.

DEBORAH COLEMAN

## Coleman-Tillman

The wedding of Miss Deborah Gay Rose Coleman, daughter of Mr. and Mrs. Michel A. Coleman Sr. of Bay St. Louis to Rudolph (Rudy) Elbert Tillman, son of Mrs. Bobbette Tillman Hendrix of Bay St. Louis and Rudolph E. Tillman of Gulfport, will take place May 29 at 3:30 p.m. at First Assembly of God Church, Waveland.

The bride-elect is a

graduate of Hancock North Central High School.

The prospective groom, a Bay High School graduate, earned his associate degree in drafting from Pearl River Junior College. He is currently employed with Global Associates at NSTL.

Friends and relatives are invited to attend through this medium.

## Moseley-Pullman

Mrs. Norma Moseley of Nicholson and Mr. Ben Moseley of New Orleans, La., announce the engagement of their daughter, Theresa, to Roderick (Rocky) Pullman, son of Mr. and Mrs. George Pullman of Pearlington.

The wedding will take place June 12 at 7:30 p.m. at the

Emmanuel Baptist Church in Nicholson.

Grandparents of the prospective groom are Mr. and Mrs. James Doyle of Pearlington.

Friends and relatives are invited to attend the wedding and reception through this medium.

## Bay coach talks Meridian debaters into second place

The Meridian Junior College Debate Squad with Ripple Rausch, daughter of Mr. and Mrs. Walter Rausch of Bay St. Louis, coach, finished the year

as second place winners at the National Junior College Debate tournament in Chicago.

## Recipe shower held for Joan Necaise

Miss Joan Marie Necaise, bride-elect of Lollie C. Bilbo, Jr. was honored with a miscellaneous recipe shower at her sister's gymnastic school Tuesday, May 4.

Miss Necaise and both mothers were presented hand crocheted corsages of wedding bells and double rings.

Hostesses were Mrs. Elaine Jaquillard and Mrs. Shirley Necaise, sister and sister-in-law of the bride to be.

## Poultry scientists pickle gizzards for gourmet treat

MISSISSIPPI STATE-A do-it-yourself party snack has resulted from the efforts of a Mississippi Agricultural and Forestry Experiment Station poultry scientist.

Pickled chicken gizzards, a gourmet treat using eight spices to enhance the basic ingredient, has resulted from research by Dr. T. C. Chen, MAFES researcher and Mississippi State University associate professor of poultry science.

Dr. Chen, a native of China whose primary MAFES research covers poultry product microbiology and flavor as well as poultry processing and further processing, was convinced there must be a poultry product to meet America's increasing demand for gourmet foods. Spurred on by his wife, Sue, also a native of China and a former Chinese cooking instructor, Chen decided to pursue the matter.

Adding the development of a gourmet poultry product to an already active schedule of teaching and research, he has two bases of operation for this project, the MAFES poultry science laboratory and his home.

Recognizing that pickled chicken gizzards would not be available commercially in the foreseeable future, the MAFES researcher geared his efforts to developing a recipe for home preparation.

Emphasizing his wife's role, Chen noted "it was a real advantage to work closely with a homemaker, and particularly one who had such a good understanding of cooking."

A prime concern was to be sure the product would be free from all health hazards. To inhibit microbial growth, Dr. Chen took steps to ensure that his new gourmet food had a low pH level (a measure of acidity) and a high salt content. He pasteurized the pickled chicken gizzards in boiling water to eliminate possible pathogenic microorganisms.

After these steps, tests indicated a negligible microbial count. Tenderness was another important consideration. Careful experimentation and testing with a shear device, that determines the degree of tenderness, resulted in an ideally tender product. Appearance also was

considered. Chen used one of his poultry science classes to help determine if the product should be artificially colored or maintain its natural color. The class overwhelmingly preferred the natural color. Bay leaf and dried red pepper were added to further enhance the pickled gizzards' appearance and taste.

Beyond its good taste, Dr. Chen's new gourmet food offers two other advantages. Chicken gizzards, sometimes discarded as a waste product, are inexpensive. They also rate high in nutrition. The gizzards are low in fat and calories and high in protein. They're an excellent source of iron.

Chen, although emphasizing that developing a party snack was not one of his high priority research projects is proud of the result. He feels that the combination of tastiness, economy, high quality nutrition and ease of preparation should make pickled chicken gizzards popular among America's gourmet food lovers.

### GOURMET PICKLED GIZZARD

1/2 lb. (708 pieces) gizzard  
3/4 cup or 170 ml. water  
1/4 cup of 52 m. apple cider vinegar  
3 tbsps. or 55 gm. salt  
2 tbsps. or 26 gm. sugar  
1/2 tsp. or 0.1 gm. fine herb blend (thyme, oregano, sage, rosemary, marjoram, and basil)  
1-10 tsp. or 0.5 gm. monosodium glutamate, opt.  
Dash or 0.1 gm. of powdered Worcestershire sauce (available in most grocery stores)  
Dash or 0.1 gm. of lemon peel  
Dash or 0.1 gm. of poultry seasoning  
Dash or 0.1 gm. of bacon seasoning  
1 dried red pepper  
1 dried bay leaf  
In jar, mix all ingredients except gizzards. Cook gizzards in boiling water for 15 minutes. Drain, then pack hot in one pint jar, leaving 1/4 inch head space. Adjust lid and shake. Process the jar in a boiling water-bath. Add boiling water to bring water two inches over top of the jar. After water comes to a rolling boil, count 10 minutes, then remove the jar.

## Radio personality

Charlotte Cecile Piazza of Bay St. Louis, senior at University of Southern Mississippi, was recently named the outstanding WMSU staffer in the Department of Radio, Television, and Film. WMSU is Southern's student-operated radio station. The award is presented by Dr. James Hall, department chairman, at the department's annual awards banquet.

## Gulf Park to hold summer day classes

LONG BEACH -- Day classes will be taught this summer for the first time at the University of Southern Mississippi-Gulf Park, announced Dr. Joe Holloway, USM-GP dean.

"We are experimenting with six afternoon classes to see if there is a need on the coast for day classes," said Gwinn Naderhoff, director of records and admissions.

Naderhoff said that no out-of-state tuition would be assessed during the summer and that local college students could obtain admission to USM-GP for the summer simply by getting letters of good standing from the deans where they are now enrolled.

Late registration will be accepted in the registrars' offices at Gulf Park and Jackson County only from 1-5 p.m., Wednesday, June 9 through Wednesday, June 16 (excluding Saturday and Sunday), \$10 late fee in effect. For additional information, telephone Naderhoff or Dr. John Burch at 694-6533.

## Military mention

Sgt. James L. Mallini, Jr., son of Mrs. James L. Mallini, Sr., and the late Mr. Mallini of Pass Christian, retired from the United Marine Corps at Iowa State University, Ames, Iowa, March 31 after 21 years of service. He was presented the Navy Achievement Medal for his performance of duties as the Assistant Marine Officer Instructor, Navy ROTC Unit, Iowa State University. During his tenure of service he made three tours to Vietnam with Special Combat Units and was attached to the United States Embassy in Colombo, Ceylon for three years. He is residing in Boone, Iowa with his family and is presently District Manager of Hardies of Ames, Inc. 1st-Sgt. Mallini a 1966 graduate of Saint Stanislaus College.

## Swimming pool accidents account for 56,000 injuries

WASHINGTON, D.C. -- As warmer weather approaches, the U.S. Consumer Product Safety Commission reminds adults and children to use care around swimming pools and related equipment. Last year, an estimated 56,000 persons required hospital emergency room treatment for injuries associated with swimming pools, swimming pool slides, and diving boards.

According to the Commission's National Electronic Injury Surveillance System (NEISS), which monitors 119 hospital emergency rooms nationwide and then projects a national estimate of injuries, 27 percent of all swimming pool injuries treated and 33 percent of all diving board injuries occurred to children between 10 and 14 years of age. Of the reported injuries associated with swimming pool slides, 37 percent occurred to children between five and nine years of age.

Males accounted for 63 percent of these swimming

injuries, 72 percent of the diving board injuries, and 56 percent of all the swimming pool slide injuries. Most often the persons were treated in the hospital emergency room and then released, the most common injury being lacerations to the face and head.

It is important to note, however, that these figures do not reflect injuries treated in lifeguard stations, at home, in doctors' offices, health clinics, or after direct hospital admission. The National Safety Council estimates that 300

people drown in home swimming pools each year. Keep all electrical appliances, such as radios, away from the pool because of the potential shock hazard which they present.

For further information on pool safety, consumers can request copies of "Fact Sheet No. 8: Swimming Pools" by calling the Commission's toll-free HOTLINE at 800-638-2666 (Maryland residents only: 800-492-2937) or by writing U.S. Consumer Product Safety Commission, Washington, D.C. 20207.

## Mrs. Elda Duke to attend HANDS program in S.C.

Mrs. Elda Duke, Home Neighborhood Development Sponsors (HANDS) chairman of Mississippi Gulf Coast Garden Clubs, will leave next Monday for Charleston, S.C., to attend the 19th annual HANDS workshop, sponsored by the Sears Community Improvement Fund, and local

Sears, Roebuck Company stores. Approximately 175 garden club leaders, government officials and environmental specialists will participate in the three-day conference, having the theme, "Challenges of a New Century."

REV. AND MRS. J.R. GOODWIN

### Texas couple to lead charismatic revival

The First Assembly of God Church, Waveland, will begin a Charismatic revival May 23, at 7:30 p.m. with Rev. and Mrs. J.R. Goodwin, Louisville, Texas.

Rev. and Mrs. Goodwin have an extensive, as well as comprehensive knowledge of the Bible. Ministering as a team in spiritual gifts and their operations, their ministry in this area has blessed many thousands and is in complete agreement with sound Biblical experiences and teachings.

In addition to their pastoral work for more than 38 years, they have also served as seminar instructors and evangelistic crusade speakers, ministering in various areas of the United States, Canada, and Mexico.

P. J. Paramore, pastor, extends an invitation to the public to attend these services.

### Pass Jaycees finalize plans

The Pass Christian Jaycees are finalizing plans for their 4th Annual Fishing Rodeo, to be held Memorial Day Weekend, May 28-30.

According to Rodeo Chairman Lessie Ladner, many valuable prizes have been acquired for this year's fishing competition, which features both salt and fresh water divisions and a junior division. Merchandise prizes, and trophies will be awarded in all categories.

In addition to the fishing competition, the Jaycees' Rodeo will feature midway rides and attractions, games, booths, a daily fish fry, food and refreshments.

Rick Leyser, Jaycee president, said that the club has tried to put together a "fun weekend" with something for everyone, including live bands and street dancing.

He also invites any civic club or organization to get involved in the Rodeo activities by operating a booth or other attraction as a fund raising project. Anyone interested can contact Leyser at Bubba Oustalet Ford in Gulfport, or Ladner at Mobile Medic.

The Rodeo is held in a series of tents on the west side of the Pass Christian Harbor.

### Around the clubhouse

**BAY-WAVELAND HUMANE SOCIETY**

Mrs. C. Backlund, president Bay-Waveland Humane Society, Inc., and Mrs. Marie Hoefel, treasurer, attended a meeting of the Mississippi Federation of Humane Societies May 15 at Admiral Benbow Inn, Jackson.

Bay-Waveland Humane Society, Inc., will sponsor a rummage sale from 9 a.m. to 5 p.m. Friday and Saturday, May 21 and 22, at the corner of Washington and Hancock Streets.

**BLUE JEANS GARDEN CLUB**

Blue Jeans Garden Club met Monday afternoon at the home of Mrs. K.T. Breland, with Mrs. Robert Taconi and Mrs. Charles Dickson as co-hostesses.

During the business session conducted by Mrs. A. M. Thomas, president, a plant sale was set for 10 a.m., Saturday, May 22. Mrs. J.C. Goodloe and Mrs. Joseph Roppolo will be co-chairmen.

Mrs. Rita Marti, project chairman, announced the club would honor senior citizens at the Valena C. Jones Center May 18, by presenting each with a potted plant.

Mrs. Lee Hote and Mrs. Roppolo were appointed chairmen for a covered dish social June 21 at the home of Mrs. William Richardson, Waveland.

Entries in the various plant and arrangement divisions were judged and winners were: Mrs. Roppolo - horticulture; Mrs. Thomas - dried; Mrs. Goodloe - miniature; Mrs. William

Schaefer - wild; Mrs. Breland - potted; Mrs. Lloyd Garcia - cultivated.

Mrs. Yvonne Virgilio and Mrs. Marian Beaudine were guests of the group.

**BUSY FINGERS HOMEMAKERS**

Busy Fingers Extension Homemakers Club met Tuesday morning in the Extension Auditorium when Mrs. Gloria Holmes, program chairman, showed slides of the recent leader training entitled American Women-200 years of authentic fashions. Mrs. Eitel Breaux presided.

Members who won ribbons for their entries in the May 14 flower and vegetable show were Mrs. Breaux, who received six blue, six red and three white ribbons; Mrs. Becky Henley, one red and one white; and Mrs. Holmes, six blue, two red and one white.

Mrs. Avis Morreale hosted the social hour. The next meeting will be at 9:45 a.m. June 15.

**AMERICAN LEGION AUXILIARY**

American Legion Ladies Auxiliary to Post 77, Waveland, entertained their husbands and guests with a spring fling party Saturday at the Post Home, Coleman Avenue.

Following dinner, prepared and served by members with Mrs. Numa Snider as chairman, a hat show was staged. Winners in the various categories were Mrs. Edward Brennan, prettiest; Mrs. Joseph Damien, most original; and Mrs. Hamilton Guenard, funniest.

Honorable mentions went to Velma Hawkins and Helen Smith.

### Circus theme set

for first birthday party

William L. Fryer III celebrated his first birthday with a party Sunday at the home of his grandparents Mr. and Mrs. Elus Depreo.

A circus theme was used in the decorations and on the birthday cake. Mrs. Joyce Lee and Mrs. Betty Hertel, dressed as clowns, entertained Billy and his guests. Games were played and prizes won by Shannon Monti, Buffy Bobinger, Jennie Lee and Mike Kenny.

Coming from out of town for the occasion were his grandparents, Mr. and Mrs. W. L.

Fryer Sr., and Mrs. Janet Phillips and son Ross, New Orleans.

Ole Miss summer school announced

UNIVERSITY - The 1976 Summer Session at Ole Miss will open Monday, June 7 with registration; classes will begin the following day. The second term will begin on July 13 and conclude with Commencement on Aug. 15.

## Hector Gonzales campaigns for national DECA office

Hector A. Gonzales, son of Mr. and Mrs. John L. Gonzales of Bay St. Louis, has begun his campaign to run for the office of National Southern Regional vice president for the Distributive Education Clubs of America (DECA) at the organization's conference scheduled next year in Anaheim, Calif.

Gonzales recently returned from the national DECA conference held May 1-6 in

Chicago, Ill., where he was appointed by the national board to serve as an event assistant to the judges.

The Pearl River Junior College student was elected at the State meeting in March to serve as state vice-president for all junior college DECA chapters in Mississippi for the coming year. At the national conference, he represented the state as a voting delegate to elect officers for this year.

Gonzales plans to be a distributive education coordinator after graduation from Mississippi State University.

HECTOR A. GONZALES

## Dallas Powell elected PTO president

Dallas Powell was elected president by acclamation Monday night at the last meeting this season of the Waveland Elementary School's Parent Teacher Organization.

Also elected to serve during the 1976-77 school year were Mrs. Carolyn Langenbacker, vice president; Mrs. Margo Frommeyer, secretary; and Mrs. Ladonis Perniciaro, treasurer.

Powell immediately cited Mrs. Diane Karl for her outstanding work in past years in all phases of school activities. Mrs. Karl was then appointed liaison officer between the PTO and the school board.

In other matters, Frank Shattuck, outgoing president, announced a plant sale to be held in front of Waveland Elementary School on May 20 beginning at 9 a.m. Mrs. Shiela Breland will be chairman of the affair. At the plant sale, a 1959 "Working" black and white television, donated by Shattuck Audio and TV, will be raffled.

The PTO approved a motion to hold meetings every six weeks during the next season; the meetings to be held the second Monday of each six weeks of school. Over and above this will be the traditional "open house" to be held in September.

Mrs. Diane Karl reported on the athletic banquet and the Field Day concessions. She advised the organization that at the athletic banquet held May 13, plaques were awarded to Mrs. Janice Ladner for her work with cheerleaders; to Mrs. Jean Bell for her work with the girls' basketball team; and to Sam Allison for work with both the boys' football and basketball teams. A special plaque was also awarded to Douglas McQueen, principal of the school.

Mrs. Karl cited Mrs. Carolyn Langenbacker and Mrs. Gayle Levens for their help in preparation of the banquet. She also cited Patsy's nursery for the table decorations for the banquet.

Registration, McQueen announced, will be held August 20 with a pre-registration for first graders. Shattuck reviewed the accomplishments of the PTO for the year: an Alpha One Reading Program was purchased; two bicycle racks were built; a sidewalk was constructed across the median in front of the school; and a sign with the name of the school was erected.

Shattuck also announced that the treasury held nearly \$1,000 to pay for half the cost of hard surfacing of the basketball court.

## World of Poetry announces bicentennial poetry contest

Over \$5,000 in cash prizes will be awarded in the Bicentennial Poetry Contest sponsored by the World of Poetry, a monthly newsletter for poets. The grand prize is \$1,776.

In addition, there will be ten first prizes of \$200 each, ten second prizes of \$100 each, ten third prizes of \$50 each, and 19 honorable mentions—50 prizes in all.

Poems of all styles and on any subject are eligible for competition.

"A bicentennial theme would be appropriate," says contest director Joseph Mellon, "but is not necessary."

Rules and official entry forms are available by writing to: World of Poetry, 805 Portola Dr., Dept. 211, San

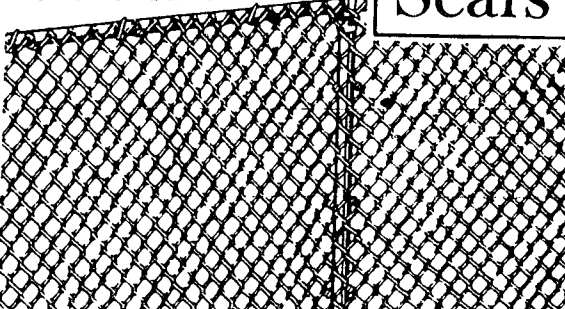

Francisco, California 94127. Contest deadline is July 31, 1976.

### Prof speaks

UNIVERSITY - Dr. Jeanne L. Holley, associate professor of Business Education and Office Administration at Ole Miss, was a recent guest speaker at the annual meeting of Minnesota Business Educators Inc. in Rochester, Minn.

### Reflections

Second place statewide in the 1976 Fast Pitch Softball tournament was won by this team, Gilmore's Chrysler. Pictured, from left, are Charles Scianna, Carl Tartavouille, Buddy Pitalo, Bobby Fayard, John Ladner, Carl Banderet and

Cedric Heitzman, manager. The name of the bat boy is Tap row, from left, A. C. Levi, Bobby Boudreau, D. J. Luc, C. J. Mauffray, Red Reinke, and Teddy Morel.

### EMT training

Students participating in a new program in Picayune are learning the "A, B, C's" of "EMT's" (Emergency Medical Technicians). The program went into effect

following passage of a law by the state legislature requiring all ambulances to have an EMT on all calls handled.

### Program initiated in Picayune

POPLARVILLE...Picayune is the site for a new but very important training program.

Nineteen men and women, each in some way already connected with the medical services, are learning the skills necessary to become Emergency Medical Technicians (EMT's).

Pearl River Junior College's

Hancock Vocational-Technical Center along with the Picayune Vo-Tech Center, Crosby's Memorial Hospital, the Mississippi Vocational-Technical Department and other state agencies are all cosponsoring the 81 hour Emergency Medical Technicians Ambulance Training Course.

Mrs. Cora Nelle Deshotel, a

registered nurse with 25 years experience at the Crosby Memorial Hospital, is instructor for the course. She is assisted by nurse Mattye Alderman, also an RN.

"This is the first program of its kind in the Picayune area," Mrs. Deshotel said. "Until last October, all ambulances in Picayune were privately owned and operated. Since the hospital (Lucius Olen Crosby Memorial) is now providing ambulance service, we feel we are fulfilling a vital need."

According to Mrs. Deshotel, the students after satisfactorily completing the course requirements and passing a national test, will replace the registered nurse and/or respiratory therapist that is now required to accompany an ambulance on call.

In simple terms, the course will train the students in the best way to respond to all emergency calls. All of the graduates will be able to evaluate the nature of the emergency and can determine the appropriate and prompt action to take to reduce medical hazards on the way to the receiving station. EMT's will also be able to assist in the emergency room.

In January 1975, the Mississippi Legislature passed a law requiring all ambulances to have at least one trained EMT.

"Our program is a result of this law," James Sones, director of the PRC Hancock Center said. "The television show 'Emergency' is an example of what a trained Emergency Medical Technician can do," Sones said. "However, Mississippi does not have a paramedic program as the one dramatized on TV."

The new course is available to ambulance and rescue personnel, hospital emergency care individuals, fire departments, law enforcement personnel and civil defense workers.

### Our Little Miss Pageant to be held

South Mississippi's Our Little Miss Pageant will be held June 11 and 12 at Pearl River Jr. College and is the last qualifying preliminary before the state pageant this year.

An overall South Mississippi title holder will be crowned a La Petite and Little Miss queen will also be crowned provided at least 20 contestants compete.

Contestants interested in knowing more about the pageant should contact Mrs. Margaret Lumpkin, director, (798-4153) or Mrs. Jo Davis (798-5883), or should send their entry fee of \$25 to Margaret Lumpkin, Director, Route 2, Box 223-AA, Picayune, Miss.

### USM Gulf Park to sponsor special swimming workshop

LONG BEACH - A swimming for the handicapped workshop will be held at the University of Southern Mississippi-Gulf Park May 21-22.

Sponsored by the South Central Mississippi Chapter of the American Red Cross and the USM School of Health, Physical Education and Recreation, the workshop is to train professional, para professionals, parents, teachers and concerned citizens in the techniques used in teaching swimming to handicapped persons.

Registration will be at 12:30 p.m. May 21. Training will include Red Cross methods and materials.

Instructors will be Mrs. Barbara Phillips of Mobile and Dr. Joe Cracraft, USM assistant professor of physical education. Both instructors have had extensive background and training in working with the handicapped. Both are Red Cross instructor trainers in swimming for the handicapped.

One hour of graduate or undergraduate credit is available, with a fee of \$22 for undergraduates and \$28 for graduates, and a fee of \$8 for all others attending for no credit.

For additional information, contact Henry D'Aquila, USM-Gulf Park, Long Beach, Miss. 39569.

## Annunciation announces Bible school schedule

Summer Bible School for public school pupils grades one through eight as of this school year, will be held May 24 - June 4 at Annunciation School in Kiln. Classes will be from 8:45 - 11:45 a.m. Monday through Friday.

Parents are asked to provide transportation to the school or to a bus pickup point. Children are then to be picked up at the same place after school. There will be two buses collecting the children. The first pickup point on the Rocky Hill Road will be at James Necaise's at 8 a.m. The bus will then proceed to Arnold Ladner's, Bernice's Store, Elmer Ladner's and Teddy Wayne Necaise's. The bus will then take the dirt road to Laverne Necaise's and Mair Lebo's and return to Highway 603 to Fire-Tower Road, take a right into Fire-Tower Road to Clifton Necaise's and A.J. Candebat's to Highway 43, make a right on Highway 43 and then a left on the Old Picayune Highway and continue to Kiln Acres and Annunciation School.

The second bus will start its route at Heyward Cuevas's on Standard Road at 8 a.m., proceed to Highway 603 to Ladner's Store near the junction of Highways 603 and 53, then back to 603 and turn into North Hancock School Road and go to Highway 43, picking up children along the way. It will then come down Highway 43 to Highway 603 and then to Annunciation School.

Refreshments will be served each morning. A registration fee of \$4 for the first child in each family, and \$3 for other

children in the same family. This money will be used to help with the cost of refreshments, textbooks, and related materials for the classes.

Principal of the Bible School will be Sister Mary of the Holy Family. Faculty members will be Sister Agnes, Sister Francis Maura, Mrs. Lynette Necaise, Miss Twillipha

Cuevas, Miss Neysa Necaise, Miss Vicki Ladner, Miss Vickie Necaise and Miss Wendy Shiyon. Teacher's aides will be Natalie Necaise, Bernadine Necaise, Desiree Lizana, Marlene Braux, Tanna Necaise and Debbie Ladner. The refreshment committee will consist of Brenda Cuevas and Amy Mitchell.

### Summer workshop list given by Jackson State

Approximately 40 workshops, seminars, mini-courses, and conferences will be in the offering in the 1976 summer sessions at Jackson State University.

Summer school will include two five-week undergraduate sessions and an eight-week graduate session. The first undergraduate session will run from May 31 to July 2 and the second from June 7 to Aug. 7. The graduate session will run from June 7 to Aug. 7.

Designed to meet the educational needs of all segments of society, the special courses cover the elementary school to adult age range. A workshop on residential plumbing is already underway and will run through May 28.

Other course topics are electronics, film and photography, journalism, radio station operation, reading, metrication, social studies, transactional analysis, group interaction, career theory, literature, oral history, real estate, drug abuse, therapeutic recreation, physical education, com-

municative disorders, dance, drama, and art are other topics.

The workshops, seminars, mini-courses, and conferences are scheduled throughout the summer school period. They will be offered in time slots suitable for participants to enroll in more than one special course or in regular undergraduate or graduate

courses available during day, evening and weekends, the special courses permit attendance by working people. The courses vary in length from one week to three weeks and one to three semester hours of undergraduate or graduate credit will be offered for each.

Registration for the first undergraduate session will be held on May 31 and June 1. Registration for the graduate session will be held June 7 and classes begin June 8. Undergraduate classes begin June 2.

Schedules are available from Dr. Norman C. Handy, director, Continuing Education, Jackson State University, Jackson, Mississippi 39217.

### Sister Mary Laland Harkins celebrates 25th anniversary

Sister Mary Laland Harkins, R.S.M., celebrated her 25th anniversary May 15 at St. Paul's Catholic Church, Pass Christian.

Participating in the event were Leroy Lizana, superintendent, Pass Public School System; George Watson, assistant superintendent of schools; and Adrian Swanier, principal, Pass Christian Middle School. Vocalists were Dr. Paul

Shaffer and Sister Jeanne Douleau, O.C.D., accompanied by Sister Marie Bernarde, R.S.M. and Mrs. Charles Weston.

Offertory gifts were presented by Sister Mary Cyrena, the honoree's sister, and Sisters Elizabeth Catherine, Mary Ancilla, and Mary Matthew, her cousins. Sister Mary is a teacher in the Pass Christian public schools.

**happiness is your new home today... by jim walter**

### CHOOSE JIM WALTER AS YOUR BUILDER ... BEGIN ENJOYING YOUR NEW HOME ALMOST IMMEDIATELY!!!

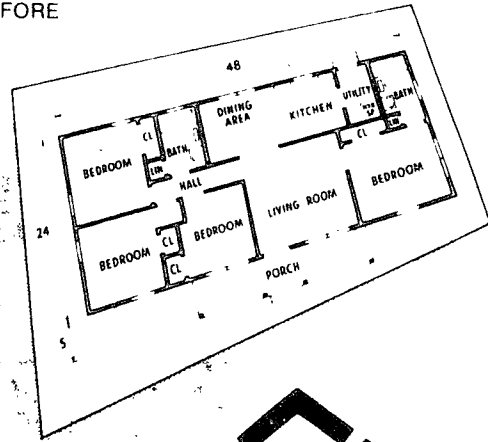

If you own property, why wait for months and months to begin enjoying the happiness of your own new home? Why take a chance on being caught up by high-spiraling costs? Jim Walter can begin custom-construction of your new home almost IMMEDIATELY... almost ANYWHERE that you own property... and help you keep your building costs to the bare bone. Don't wait! NOW is the time to talk to a friendly Jim Walter Homes representative. Get ALL the facts, with every detail spelled out on how we can help you own more home for less money than you ever thought possible. Get

complete information on financing for qualified property owners — INSTANT MORTGAGE FINANCING that we can provide with no delays and no third-party inconvenience. And, so that you can plan your budget wisely, you'll be shown exactly what your monthly payment will be BEFORE construction begins. With all of these facts in hand we truly believe you'll choose Jim Walter as your builder.

### JIM WALTER HAS A PLAN FOR YOU... MORE THAN TWENTY MODELS FROM WHICH TO CHOOSE

You may choose from more than twenty beautiful models, with from two to four bedrooms, and one or two baths. Let's get together and discuss the one that's right for you and your family. Let's also talk about financing... your monthly payment... and about how you can SAVE hundreds and hundreds of dollars by doing some or all of your own inside finishing work... do as much or as little as you like. Let's talk... we think you'll agree there is no need to wait any longer to begin enjoying the happiness of owning your own new, home, custom built by Jim Walter.

We want you to have complete information, with no obligation, before deciding. Call, send the coupon or visit the Jim Walter Homes display park nearest you today.

## Bay Little League season begins with triple-header

Gulf National Bank edged Merchants Bank 4-3 in the opening game of the Bay St. Louis Little League May 15.

Other teams participating in the triple-header were American Legion, Our Shopping Center, Hancock Bank and Riemann's Funeral Home.

In the opening bout, the score was tied 3-3 at the end of the sixth. The game went three extra innings and Gulf National Bank scored the winning run in the last half of the ninth. Joe Gex got credit for the win after relieving Neal Wilkerson at the end of six innings.

Leading hitters for the winning team were Rowe Crowder, Marc Siveri, Neal Wilkerson, Pat Kergosien, Brad McDonald, David McIver, and Greg Williams. Leading the Merchants team were Scott Adams, Anthony Prendergast, Gerald Favre, Mike Raynaud, Roger Woodall, and Charles Oliver.

Our Shopping Center took the second game of the day, beating American Legion with a score of 10-9. Stephen Favre, who went all the way for Our Shopping Center, got credit for the win and Walter Ross and Dwayne Benoit were the team leaders with two hits apiece.

Leading hitters for American Legion were Bruce Cabell, Scott Moore, Craig Saucier, Frankie Reed, Robert Whavers, Paul Williams, Leroy Reed, and Keith Hess.

Riemann's Funeral Home defeated Hancock Bank 13-10 in the final game of the day. Winning pitcher for the Riemann team was Ronald Carter.

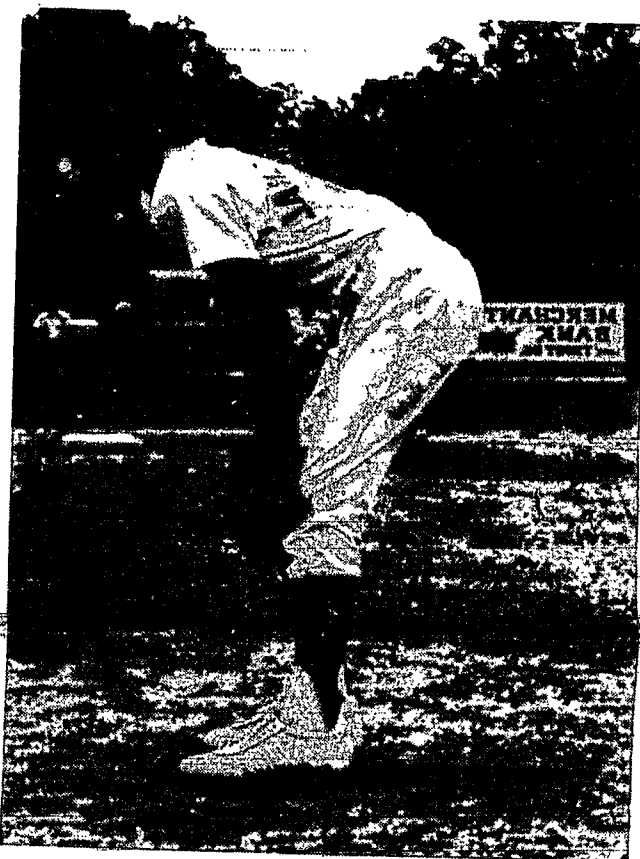

Gus Aime of Hancock Bank had a fine day with three hits. Brock Godwin also had a hot bat for Hancock, hitting 2 for 4.

Leading hitters for Riemann's were Ronnie Lyons, Chris Smith, and Ronald Carter.

The opening day ceremonies began with a parade through downtown Bay St. Louis with all six teams joined in the march by the city police and fire departments, the North Bay Elementary School band, and the OLG Minutemen. At the conclusion of the march, all players filed onto McDonald Field for a flag raising ceremony.

The first ball was thrown out by Commissioner Lucien Kidd.

BOX SCORE	
Gulf National	003 .000 .001-4
Merchants	100 .020 .000-3
American Legion	110 .142-9

## The Sea Gull

SECTION C THURSDAY, MAY 20, 1976 BAY ST. LOUIS MISSISSIPPI PAGE 1

## Babe Ruth League dedicated to Thames

A sunny sky, cool breeze, and congenial fans combined to get the opening of Babe Ruth League games off to a good start May 16 at the Bay High School baseball field.

Al Geroux, league president, dedicated the 1976 season to the late Richard (Dick) Thames, longtime friend and promoter of youth activities in the Gulf Coast area.

Mrs. Gail Thames accepted the league memorial plaque, and tossed out the first ball to start the season.

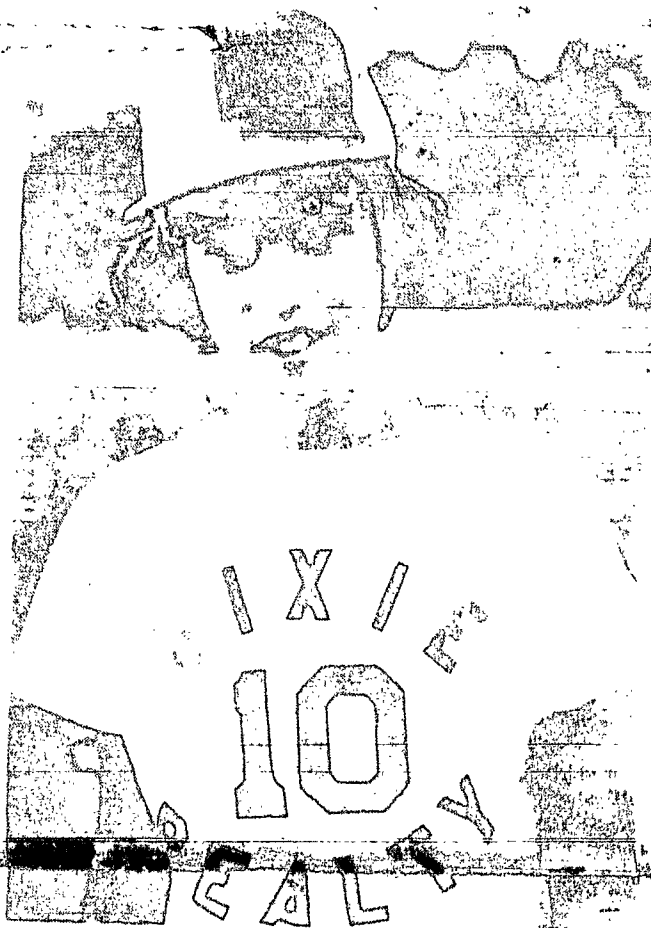

In the first game, American Legion fought off a last inning comeback by Dixie Realty to win 6-5. Kerry Geroux was the winning pitcher, needing relief from David Strong in the final inning. Tony Raboteau collected two hits and Keith Favre scored twice to lead the Legion.

Andrew Haas was the loser in relief to starter Kevin McCaleb.

Ricky Manieri had two hits and scored two runs and Gary Soke won the game for three to place Dixie Realty.

Coast Electric scored 11 runs in the third and fourth innings to defeat Chazez Construction 12-5 in the second game. Mike Richardson was the winning pitcher, going the distance, and contributed two hits and two rbi's to the cause. David Murtagh was the losing pitcher, relieved in the third inning by Donald Carver. Hewitt Parsons and Murtagh led Chazez with one hit and one rbi each.

Play continues tonight with a doubleheader beginning at 6 p.m. at the Bay High diamond.

BABE RUTH PLAYER OF THE WEEK—Ricky Manieri, a member of the Dixie Realty Team, was selected player of the week for the Babe Ruth league following opening game Sunday.

'Daylight' savings!

### Oak Downs

## Fiber Test sets Oak Downs record but loses race to 'daylight' rules

(Special to The Echo) PEARL RIVER, La. - Fiber Test ran the fastest time ever recorded at Oak Downs for 330 yards-but lost the race.

Owned by Elmo Harless of Hattiesburg and trained by Merlin Marechal, Fiber Test is one of the fastest animals ever to set four hooves on the Pearl River track.

So in order to get matches, Harless and Marechal must be willing to run under a handicap.

In last Sunday's feature race, Fiber Test had to win by "daylight," or more than one length in order to claim victory.

Red Top Winnie, a very good

horse, but without the overall credentials of Fiber Test, finished just a fraction less than one length behind, and was declared the winner according to the special conditions imposed in the race.

Steve Roubion was aboard Fiber Test in her record-setting performance of 17.20 seconds, a Class AAA time. Dennis Ory piloted Red Top Winnie to a 17.325 finish.

The previous track record for 330 yards was 17.22, set Sept. 15, 1974, by Jet Go. In her previous outing at Oak Downs, Fiber Test broke the track record for 350 yards with a Class AAA time of 17.98

seconds. Fiber Test also holds the meet record for 300 yards with a Class AAA clocking of 15.83.

In another close race, Esso Chick came from behind in the last few jumps to nip The Fighting Kid, a Hancock County horse, by a nose at the finish line in the final race of the afternoon.

#### Sunday's results:

1) 350 yards, Seek A Wind, no time, Wayne McMorris, owner; Donald Graham, trainer; Steve Roubion, jockey. Silver On Gold, second. Missy's Lady, third.

2) 350 yards, Sassafra, 19.84 seconds, Elmo Harless, owner; Merlin Marechal, trainer; Dennis Ory, jockey. Red Blazer, 20.63. Live Oaks Poppa, third.

3) 350 yards, Go Genny Go, 18.87, Jody Ladner, owner; Louis Smith, trainer; Charlie Silkwood, jockey. Flying Scotchman, 19.02.

4) 250 yards, Go Bill Bars, 13.96, Holly Summers, owner; C. E. Summers, trainer; Dennis Ory, jockey. King's Hank, second.

5) 330 yards, Deek's Bill, 18.01, Eugene Necaise, owner; Louis Smith, trainer; Charlie Silkwood, jockey. Skip-A-Deb, 18.32.

6) 300 yards, Thunder Road, 17.19, William Montague, owner; Merlin Marechal, trainer; Dennis Ory, jockey. Lady, 17.215.

7) 350 yards, One For Money, 19.55, Arthur Kahoe, owner and trainer; Charlie Silkwood, jockey. Quardro Luck, 19.84. Hell's Arena, 20.42.

8) 220 yards, Master Beau, 13.33, J.J. Miller, owner and trainer; Charlie Silkwood, jockey. Mrs. Bars, 14.09.

9) 250 yards, Go Fella Go, 14.19, Jackie Whitfield, owner; Rocky Harris, trainer; Dennis Ory, jockey. Gypsy Chick, 14.24.

10) 400 yards, Hank The King, 21.31, Connie Harris, owner; Rocky Harris, trainer; Dennis Ory, jockey. Miss Coco Hill, 21.39.

11) 440 yards, Perry's Gem, 23.54, Elmo Harless, owner; Merlin Marechal, trainer; Steve Roubion, jockey. Key's Chaffin Man, second.

12) 330 yards, Red Top Winnie, 17.325, Herb Stelly, owner and trainer; Dennis Ory, jockey. Fiber Test, 17.20 (NEW TRACK RECORD). Fiber Test ran first but Red Top Winnie was declared the winner according to mutually

agreed upon conditions under which Fiber Test had to win by "daylight," or more than one length. Old Track record of 17.22 was set Sept. 15, 1974, by Jet Go.

13) 350 yards, I'm A Bar Streaker, 19.04, Louis Smith, owner and trainer; Charlie Silkwood, jockey. Patty's Heart, 19.195. Cookie's Champ, 19.535.

14) 300 yards, Esso Chick, 16.65, Boots Thompson, owner; C.E. Summers, trainer; Dennis Ory, jockey. The Fighting Kid, 16.67.

## Mixed doubles tournaments told

Deadline for entering the second annual Equitable Family Tennis Challenge, a unique series of 128 local mixed doubles tournaments which culminate with the finals being played at Forest Hills during the U.S. Open in September, is June 1, it was announced last week.

The Equitable Family Tennis Challenge, sponsored by The Equitable Life Assurance Society of the United States, brings together family teams with entries limited to mother-son; father-daughter; grandmother-grandson and grandfather-granddaughter combinations only. The tournaments, in cooperation with the USTA, are limited only to amateurs who have not been ranked by the USTA since 1971. Teaching pros are not eligible. The youth cannot turn 19 in 1976, and there must be at least 15 years age difference between team members.

Entry information is available through coupons in leading tennis publications, from most local pros and by writing to Capital Sports, Inc., 280 Park Avenue, New York, New York, 10017.

All first round tournaments are being played at local tennis facilities in the 128 cities covering 49 states. From there the winners advance to 16 sectional tournaments with the top 16 teams going to

Forest Hills where the finals will be played at the same time as the U.S. Open. The first round of 128 tournaments is scheduled between June 12 and July 11 depending upon local availabilities. The sectionals are set for July 31 through August 15, and will follow USTA sectional boundaries. Appropriate trophies are awarded the winners of the local and sectional events. Also, the 16 sectional winners receive an all-expense paid trip to New York for the finals.

### Babe Ruth

#### hold try-outs

Try-outs to fill vacancies on Babe Ruth teams will be held May 23 at 10 a.m. at Tiger Stadium.

Boys ages 13-15, who are not currently on a team, are eligible.

Birth certificates and a \$1 registration fee are required.

## Sugar Bowl classic available on film

NEW ORLEANS, La. - Movies of the 42nd Sugar Bowl football classic and other events on the New Orleans Mid-Winter Sports Association's calendar of sports are now available to schools, clubs and other groups throughout the nation upon request, announced president Harry M. England

The film is in 16mm, color and sound, and runs for 35 minutes, featuring the intersectional match between Alabama, champion of the Southeastern Conference, and Penn State, an independent power from the East.

Other features of the Sugar Bowl film include scenes of the pre-game and halftime pageantry at the Louisiana Superdome, along with highlights of the tennis and regatta events, plus the basketball play of Tennessee, Tulane, Pennsylvania and Ohio State.

In filing request for use of

the film, interested groups are asked to give a preferred and an alternate date to facilitate booking.

The film was produced by Pan American Films of New Orleans and narrated by Al Wester, nationally known for his broadcasts of Notre Dame football and National Football League Monday night football

There is a nominal fee of \$3 for servicing and postage, which is to be remitted with the request for the booking date. The film user is also required to pay the return postage charges.

Films of previous Sugar Bowl classics are also available on request.

Ticket information regarding the 43rd Sugar Bowl football classic as well as the two-night basketball tournament can be secured by contacting the Sugar Bowl Office, Room 510, 611 Gravier St., New Orleans, La. 70130.

## St. Rose blasts Lil Italy in league opener

St. Rose's first game in the league was a 10-7 victory over Lil Italy in the opener of the league.

In Friday's opener, Don Smith hit a home run with runners on first and second in the bottom half of the third inning and repeated his performance in the fifth.

Over-the-Hill led scoring throughout the game with a top half of the seventh.

St. Rose took two trophies in the past two weekends winning first in the league opening tournament and capturing first in last weekend's Lil Italy invitational.

## Weems to conduct batting school

Don Weems, manager of the St. Rose team, will conduct a batting school for the league.

The school will be held on Friday and Saturday at the St. Rose ballpark.

## Officials announced for Babe Ruth league

The league has announced the following officials for the season.

## Drummers

Drummers have Emerson and Scott Loga, from left, caught this drum on Sunday in Jourdan River. Trio also caught 54.

## Purchase property under the Property Annuity Plan at Diamondhead, Bay St. Louis.

After you have paid for it, you will own your property free and clear...and you will get back the entire principal amount you paid for the plan.

Sounds almost unbelievable... doesn't it?

### Buccaneer Crew Notes

by DIDDY QUINLAN

Activities at Buccaneer Park consisted of kite-making lessons Saturday morning and a kite flying contest Saturday afternoon on the beach. Newspaper, goldenrod, flour and water, and construction paper were used to produce kites rivaling those of professional kite-makers.

Teri Wilkerson, a 10-year-old from Ocean Springs, who made the most of her artistic ability, was awarded the most beautiful kite trophy. Tommy Dimitri, 8, of Biloxi, flew his kite the highest of any of the 14 participants. Similar activities, taking advantage of the natural resources of our area, will be a major factor in the recreation program.

Saturday evening a ping-pong tournament was held in the recreation hall. This is a much requested activity, which is considered fun by all participants. Winners this week were: Junior division - David Cospelich, 11, Gulfport; and senior division - Don Milner, Baton Rouge, La., who refused to give us his age.

Some of our "regulars" were back again this week - Angie and Jake Morreale, and Valerie and E. J. Marengo, all from Bay St. Louis. We're proud they enjoy our park so much.

Sunday morning, Rev. John Scanlon of St. Clare's Catholic Church performed a brief

worship service at the park. This is a weekly service each Sunday morning sponsored by five local ministers of different faiths.

Next weekend's activities tentatively include an Entomological program sponsored by the Hancock County Extension Service, as well as a film of dove hunting presented by the Mississippi Game and Fish Commission.

More fishing equipment, which will be awarded as prizes in the annual Governor's Youth Fishing Rodeo, was donated this week by Peterman's Li'l Super, Brewster's, and Waveland Lumber Co., all of Waveland. This, in addition to equipment donated by Sportman's Paradise and Western Auto, will make up the bulk of the prizes. The rodeo will be held at the park on May 29 for youths ranging from 5 - 15, classified in three age categories, 5-8; 9-12; and 13-15. In each category, a prize will be awarded to the participants with the most fish and the heaviest fish caught. Certificates of achievement, signed by the governor, will be awarded to everyone who takes part in the rodeo. Registration can be obtained now from the Ranger Station and the Camp Store at the park; Brewster's in Waveland; and Sportman's Paradise in Bay St. Louis.

Ed Nelson

Yes, I am interested in learning more about the limited Diamondhead Property Annuity Plan. Please send me complete information.

Diamondhead Property Annuity Plan  
Dept.  
P.O. Box 22  
Bay St. Louis, Mississippi 39520

But it's true...It's guaranteed...and it's separately assured. Diamondhead announces its exciting and unique Property Annuity Plan.

Diamondhead, located 58 miles east of New Orleans, is one of the most beautiful residential/resort communities in the South.

After visiting Diamondhead a number of times, and making commercials for them, I now own land there myself. It is truly one of the most outstanding and lovely areas I have ever seen.

But even I could hardly believe this latest news.

It's the first of its kind in the industry and here is how it works.

Example:

You purchase a plan at Diamondhead for cash or you may make the required down payment and finance the balance.

After you have paid for your plan, you own your property free and clear, and at the end of the eleventh year and over the next nine years you will receive 1/10th of the plan price annually for a total of the principal amount you paid for the plan.

And here's more good news about this plan.

For each Diamondhead homesite purchased under the Property Annuity Plan, a full single premium has been paid in full by Diamondhead Corporation.

The annuity benefits are underwritten by Loyal American Life Insurance Company, a one billion dollar life insurance in force company.

Remember, the Diamondhead Property Annuity Plan is a limited offer.

So, you see what I mean. The Diamondhead Property Annuity Plan is an unbelievably good idea for families just like yours.

Do yourself a favor. Call 601/255-1212, or write the folks at Diamondhead and receive complete information. Or better still, use this handy coupon for immediate response.

Thank you.

## Carruba selected fishing rodeo queen

Miss Jo Ann Carruba has been selected as the 1976 Pass Christian Jaycees Fishing Rodeo Queen. The daughter of Mr. and Mrs. Ben Carruba, Jo Ann is a graduating senior at Pass Christian High School and plans to enter Jeff Davis Junior College in the fall, then the University of Southern Mississippi for a degree in education and home economics.

She is an honor student, a member of the Society of Distinguished High School Students, Who's Who of American High School Students, an Outstanding Teenager in America and was voted Friendliest and Best all Around Student by her senior class. She is also the reigning Miss Congeniality of the West Harrison County Miss Hospitality Contest.

## Lott reveals poll results

WASHINGTON, D.C. -- Constituents responding to Congressman Trent Lott's fourth annual questionnaire are virtually unanimous in their opposition to U. S. relinquishment of control over the Panama Canal, but they're evenly divided on possible solutions to Social Security's financial difficulties.

Lott revealed the results last week in his May newsletter to 180,000 Fifth Congressional District homes. Some 20,000 constituents responded to the questionnaire, which was mailed in mid-February with instructions to respond before the March 31 deadline.

"Communicating with my constituents is one of the enjoyable responsibilities of serving in the U. S. House of Representatives," Lott wrote in the newsletter. "I like the give and take of talking with you and listening to your views."

Lott told his constituents that the people of South Mississippi are as divided as the Congress when it comes to Social Security. He added that there are "no easy solutions" to the financial difficulties surrounding the Social Security program.

Complete results of the questionnaire are: Social Security authorities say that by 1980, the Social Security fund will be in serious financial difficulty. Current Social Security taxes are not sufficient to pay benefits to all of the beneficiaries with cost of living increases. In view of this, do you think Congress should (a) raise Social Security tax rates and increase the maximum amount of wages that is subject to

Social Security tax - 26.9 percent; (b) cover the shortage in Social Security revenues with general tax revenues - 27.0 percent; (c) reduce Social Security benefits and cost of living increases - 10.3 percent; (d) gradually increase the retirement age, for example, from 65 to 67 - 7.6 percent. Those who did not answer, or offered additional solutions: 28.0 percent.

Should the United States relinquish its treaty rights of jurisdiction and control over the Panama Canal Zone? Yes: 6.2 percent; No: 89.0 percent; Undecided: 3.6 percent.

Should secret activities of the CIA and FBI be made public? Yes: 8.6 percent; No: 84.4 percent; Undecided: 3.4 percent.

Do you believe there is too much, or not enough, government regulation of business and industry? Too much: 70.8 percent; No: 17.9 percent; Undecided: 9.4 percent.

Should the Federal Government take steps to assist cities and states with their growing financial problems? Yes: 17.6 percent; No: 75.6 percent; Undecided: 5.6 percent.

The present revenue sharing legislation (State and Local Fiscal Assistance Act of 1972) will remain in operation through Calendar Year 1976. Do you feel that the general revenue sharing programs should be extended? Yes: 51.6 percent; No: 31.7 percent; Undecided: 14.1 percent.

## ORDINANCE NO. 22

ZONING ORDINANCE  
OF THE  
CITY OF BAY ST. LOUIS, MISSISSIPPI

AN ORDINANCE REGULATING AND RESTRICTING THE HEIGHT, BULK, NUMBER OF STORIES AND SIZE OF BUILDINGS AND OTHER STRUCTURES, THE PERCENTAGE OF LOT THAT MAY BE OCCUPIED, THE SIZE OF YARDS, COURTS, AND OTHER OPEN SPACES, AND LAND FOR TRAFFIC, INDUSTRY, RESIDENCE AND OTHER PURPOSES; CREATING DISTRICTS FOR SAID PURPOSES AND ESTABLISHING THE BOUNDARIES THEREOF; DEFINING CERTAIN TERMS USED HEREIN; PROVIDING FOR THE METHOD OF ADMINISTRATION AND AMENDMENT; DEFINING THE POWERS AND DUTIES OF THE BOARD OF ADJUSTMENT; PROVIDING PENALTIES FOR VIOLATION; REPEALING CONFLICTING ORDINANCES; AND FOR OTHER PURPOSES

BE IT ORDAINED BY THE MAYOR AND BOARD OF COMMISSIONERS OF THE CITY OF BAY ST. LOUIS, MISSISSIPPI:

## ARTICLE I

## PREAMBLE AND ENACTMENT CLAUSE

In pursuance of the authority conferred by the Mississippi Code of 1942, Volume 3, Title 13, Chapter 1, Section 2800.15 as amended and Volume 3, Title 16, Article VII, Division 9, Section 3590-3597, inclusive as amended, and for the purposes of promoting health, safety, morals, and general welfare of the municipality; lessening congestion in the streets; light and air; preventing the overcrowding of land; avoiding undue concentration of population; conserving the value of land and building; and facilitating the adequate provision of transportation, water, sewerage, schools, parks, and other public requirements in accordance with a comprehensive plan, the MAYOR AND BOARD OF COMMISSIONERS OF THE CITY OF BAY ST. LOUIS, MISSISSIPPI, HEREBY ORDAIN AND ENACT INTO LAW THE FOLLOWING ARTICLES AND SECTIONS:

## ARTICLE II

## SHORT TITLE

This ordinance shall be known and may be cited as "The Zoning Ordinance of the City of Bay St. Louis, Mississippi."

## ARTICLE III

## DEFINITION OF TERMS IN THIS ORDINANCE

For the purpose of interpreting this ordinance, certain words or terms used herein shall be defined as follows:

Words used in the present tense include the future tense. Words used in the singular number include the plural, and words used in the plural include the singular.

"Map" means the "Zoning Map of the City of Bay St. Louis, Mississippi."

The word "person" includes a firm, partnership, trust, company, association, organization, individual, co-partnership, or corporation.

The word "lot" includes the word "plot" or "parcel."

The word "building" includes the word "structure."

The word "shall" is always mandatory, and not merely directory.

The word "used" or "occupied" as applies to any land or buildings shall be construed to include the words "intended", "arranged", or "designed to be used", or "occupied".

Except where specifically defined herein, all words used in this ordinance shall carry their customary meanings.

ACCESSORY USE OR STRUCTURE: A use or structure on the same lot with, and of a nature customarily incidental and subordinate to, the principal use of structure.

ALTERATION OF BUILDING: Any change in the supporting members of a building (such as bearing walls, columns, girders), except such change as may be required for its safety; any addition to a building; any change in use from that of one district classification to another; or of a building from one location to another.

BOARD: The term "Board" as used in this ordinance is defined as "The Zoning Board of Adjustment of the City of Bay St. Louis, Mississippi."

BOARDING OR ROOMING HOUSE: Any dwelling in which more than three (3) persons either individually or as families are housed or lodged for hire with or without meals.

BUFFER AREA: An area set aside to remain vacant or to be planted and landscaped to reduce the blighting effect of commercial or industrial uses on adjacent residential property.

BUILDABLE WIDTH: Width of the building site left after the required yards have been provided.

BUILDING, HEIGHT OF: The vertical distance measured from the average elevation of finished grade along the front of the building to the highest point of the coping of a flat roof, to the deck line of a mansard roof, or the average height between eaves and ridges of a gable, hip or gambrel roof.

BUILDING PERMIT: A permit issued by the Zoning Enforcement Officer authorizing the construction or alteration of a specific building on a specific lot.

BUILDING: Any structure having a roof and intended for shelter, housing, or enclosure of persons, animals, or chattel.

BUILDING, PRINCIPAL: A building in which is conducted the main or principal use of the lot on which said building is situated.

BUILDING SETBACK LINE: The minimum distance, as prescribed by this ordinance, between the property line of a lot or a parcel of land and any point on a building or structure related thereto, exclusive of those architectural features permitted to extend there into.

CARPET: A covering for the floor of a building.

CENTER LINE OF STREET: That line surveyed and monumented by the governing body shall be the center line of the street, or if such center line has not been surveyed, it shall be that line running midway between the outside curbs or ditches of such street.

CONFORMING USE: Any lawful use of a building or lot which complies with the provisions of this ordinance.

CUL-DE-SAC (Court or Dead End Street): A short street having one end open to traffic and being permanently terminated by a vehicle turn-around.

DEAD END STREET: Any local street, other than a cul-de-sac, which has only one outlet.

DEVELOPER: Any person engaged in developing or improving a lot or group of lots or structures thereon for use or occupancy.

DEVELOPMENT: The act of building structures or installing site improvements.

DISTRICT: Refer to Zoning District.

DWELLING: A building designed or used for permanent living quarters for one or more families.

DWELLING, SINGLE FAMILY: A detached house or building designed and intended for or occupied exclusively by one (1) family and having no party wall or walls in common with an adjacent house or houses, building or buildings.

DWELLING, TWO-FAMILY: A building designed and intended for or occupied exclusively by two (2) families living independently of each other.

EASEMENT: A grant by the property owner of the use of a strip of land by the public, a corporation, or persons, for specified purposes.

FAMILY: One or more persons occupying a dwelling and living as a single housekeeping unit.

FARM: Any parcel of land which is used for gain the raising of agricultural products, livestock, poultry, and dairy products. It includes necessary farm structures within the prescribed limits and the storage of equipment used. It excludes the raising of fur-bearing animals, riding academies, livery or boarding stables, and dog kennels.

FENCE: Any structural device forming a physical barrier which is so constructed that not less than fifty (50) percent of the vertical surface is open to permit the transmission of light, air, and vision through said surface in a horizontal plane. This shall include wire, mesh, steel mesh, chain link, louvered, stake, and similar materials.

FLOOR AREA: Whenever the term "floor area" is used in this ordinance as a basis for requiring off-street parking for any structure, it shall be assumed that, unless otherwise stated, said floor area not only applies to the ground floor area, but also to any additional stories or basement of said structure.

FRONT: The side of a lot bordering on a street right-of-way, except in the case of corner or other double frontage lots, in which case the owner of the lot must designate in his application for a building permit which side bordering a street is the front.

GARAGE, PRIVATE: An accessory building or portion of a main building used for vehicular storage. The term includes carport.

GARAGE, PUBLIC: A building, or portion thereof, other than a private or storage garage, designed or used for servicing, repairing, equipping, hiring selling, or storing motor-driven vehicles.

GRADE, FINISHED: The completed surfaces of lawns, walks, and roads, brought to grades as shown on official plans or designs relating thereto.

GARAGE, APARTMENT: A dwelling unit erected above a private garage.

HOME OCCUPATIONS: Any use conducted entirely within a dwelling and carried on by the inhabitants thereof, which use is clearly incidental and secondary to the use of the dwelling for residence purposes and does not change the character thereof or adversely affect the uses permitted in the residential district of which it is a part, which creates little additional traffic, requires no additional parking space, where no persons are employed other than residents and domestic help, no electrical or mechanical equipment is used other than that necessary for domestic purposes, and where there is no indoor or outdoor storage of materials, equipment and/or supplies other than that necessary for domestic purposes.

HOSPITAL: A building or portion thereof used for the treatment of the sick, injured or infirm persons and accredited by the American Hospital Association.

HOTEL: Any building or portion thereof containing living units to be used for transients but not including motels, mobile home parks, dormitories, fraternities, sororities, boarding houses or rooming houses. A hotel is a business use rather than a residential use.

INDUSTRY: The processing of products or raw materials.

Heavy Industry: Those industries whose processing operations result in the outdoor storage or processing of materials or products, the emission of any atmospheric pollution, visible light flashes or glare, odors, or noise or vibration which may be heard or felt off the premises, or those industries which constitute a fire or explosion hazard.

Light Industry: Those industries whose processing operations result in none of the above conditions and are conducted wholly within a building.

INSTITUTION: A building occupied by a nonprofit corporation or nonprofit establishment for public use.

JUNKYARD: The outdoor storage of three (3) or more inoperative machinery.

KENNEL: The keeping of more than three (3) dogs or other animals that are more than six (6) months old.

LOADING SPACE: An off-street space or berth on the same lot with a building or contiguous to a group of buildings for the temporary parking of a commercial vehicle while loading and unloading merchandise or materials which abuts on a street, alley or other appropriate means of access.

LOCAL STREET (Or Minor Street): A street designed primarily to provide access to abutting properties.

LOT: A parcel of land which is or may be occupied by a building, its accessory buildings and uses customarily incident thereto, together with such yards or open spaces within the lot lines as may be required by the Ordinance, and fronting upon a public dedicated street.

LOT AREA: The total horizontal area included within the lot lines.

LOT CORNER: A lot of which at least two (2) adjoining sides abut for their full length on public streets.

LOT DEPTH: The average distance from the street right-of-way line to the rear lot line, measured along the lot line.

LOT, DOUBLE FRONTAGE: A lot which runs through a block from street to street, and has two opposite sides abutting on two or more streets.

LOT, FRONTAGE: That measurement of a lot abutting on a public street, measured along the street right-of-way line from side lot line to side lot line. (Structures on corner lots fronting on a particular street shall be deemed to have frontage on that street.)

LOT, INTERIOR: A lot other than a corner lot.

LOT LINES: The lines bounding a lot as defined herein.

LOT LINE, FRONT: In the case of an interior lot, the line separating said lot from the street. In the case of a corner or double frontage lot, the line separating said lot from the street, to be determined from the request for a Building Permit.

LOT LINE, REAR: The lot boundary opposite and most distant from the front lot line. In the case of a pointed or irregular lot, it shall be an imaginary line parallel to and farthest from the front lot line.

LOT LINE, SIDE: The side lot line is the property boundary line between the front and rear lot lines.

LOT OF RECORD: A lot, the plat or deed or act of sale of which has been recorded in the office of the Chancery Clerk for Hancock County prior to the official adoption of this Zoning Ordinance.

LOT WIDTH: The width of a lot at the front building setback line, measured along the street right-of-way line.

LOW-RISE APARTMENTS: A multiple dwelling not more than three (3) stories in height.

MOBILE HOME: A single-family dwelling containing a kitchen and toilet which is designed for transportation after fabrication on streets and highways on its own wheels or which is designed to be towed by a motor vehicle as a dwelling and at which site it arrived complete and ready for occupancy, except for minor and incidental unpacking and assembly operations, location on jacks or permanent foundations, connection to utilities and the like. Mobile homes are considered structures for the purpose of this Ordinance when they are parked in a mobile home park. Small, amp or weekend type trailers are not mobile homes and they are deemed vehicles but not dwellings or structures.

MOBILE HOME PARK: An area of land upon which ten (10) or more non-transient mobile homes occupied for dwelling or sleeping purposes are located, either free of charge or for revenue purposes, or which is offered for such use. It includes any building, structure, vehicle or enclosure used or intended to be used as a part of the facilities or equipment of such mobile home park. The term "mobile home park" shall include the terms "trailer park," "trailer court" and similar terms.

MOTEL: A building or group of buildings, comprising individual living quarters or dwelling units for the accommodation of transient guests, which is so designed that parking is on the same building site and is conveniently accessible from the living units without having to pass through any lobby or interior court. This definition includes auto courts, tourist courts, motor hotels but does not include accommodations for mobile homes. A motel is a business use rather than a residential use.

NONCONFORMING USE: A building, structure, or use of land existing at the time of enactment of this ordinance and which does not conform to the regulations of the district or zone in which it is situated.

NURSING OR CONVALESCENT HOME: Any dwelling in which aged, chronically ill, or incurable persons are housed and furnished with meals and nursing care for compensation.

OPEN SPACE: An unoccupied space open to the sky on the same lot with the building.

PLANNING COMMISSION: The Planning Commission of the City of Bay St. Louis, Mississippi.

PUBLIC BODY: A government or governmental agency of the City of Bay St. Louis, of Hancock County, of the State of Mississippi, or of the United States Government.

PEDESTRIAN WAY: A right-of-way, however designated, either across or within a block, intended for use by pedestrian traffic.

PRINCIPAL USE: The specific primary purpose for which land or a building is intended to be used.

PRIVATE DRIVE: A right-of-way which has the characteristics of a street, as defined herein, except that it is not dedicated for public use, a driveway located on a lot which serves only that lot is not considered a private drive.

PUBLIC BUILDING: A building owned or used exclusively by the city, county, or state or federal governments.

PUBLIC USES: Include public parks and recreation, schools and other educational or cultural facilities, libraries, hospitals, and other public offices or administrative facilities.

PUBLIC UTILITY: Any person, firm, corporation, municipal department, or board duly authorized under state or municipal regulations to furnish such public services as electricity, gas, water, sewer, telephone, telegraph, transportation, or other public utility services to its subscribers or customers.

QUARRY: A lot or parcel of land or part thereof used for the purpose of extracting stone, sand, gravel, or soil for sale.

RIGHT-OF-WAY LINE: The boundary line between a railroad or a street and abutting property.

RECREATIONAL FACILITIES: Country clubs, riding stables, golf courses, swimming pools, playgrounds, recreation centers, and other non-commercial recreation areas and facilities.

REST HOMES: The rooming or boarding of any aged or convalescent persons, whether ambulatory or non-ambulatory, for which a license is required by a city, county, state or federal agency.

SETBACK LINE: The distance from the center line of a street to the nearest point of a building, excluding uncovered porches.

(CONTINUED NEXT PAGE)

## ZONING ORDINANCE OF THE CITY OF BAY ST. LOUIS CONTINUED

**SIGN, PUBLIC BODY:** Includes churches and organizations such as non-profit clubs and lodges, theatre groups, recreational and neighborhood associations, and cultural activities operating as a non-profit activity and serving a public purpose.

**SIGN:** Any device or display consisting of letters, numbers, symbols, pictures, illustrations, announcements, cutouts, insignia, trademarks, or identifications, not on the premises on which the device is located and is visible from any public way. A sign shall be constructed to be a single display surface or unit. In cases where material is displayed in a random or unconnected manner without organized relationship of the components, each component or element shall be considered to be a single sign. A projecting or ground sign with sign surface on both sides of such sign shall be constructed as a single sign, and the total area of such sign shall be the area computed on a single surface.

**SIGN, BUSINESS:** An attached or free standing structure on which is announced the business, use of the premises and/or the name of the operator of the business.

**SIGN, GROUND:** A sign which is supported by structures or supports in or upon the ground and independent of support from any building.

**SIGN, OUTDOOR ADVERTISING:** Signs erected and maintained by an advertising business or service in the form of a ground, wall, or roof sign, upon which advertising matter may be displayed, generally advertising goods and services not sold or available on the premises on which the sign is located. These

types of signs are generally referred to as billboards, the surface of which is sold, rented, or leased for the display of advertising material.

**SPECIAL EXCEPTION:** A special exception is a use that would not be appropriate generally throughout a zoning district but which, if controlled as to number, area, location, or relation to existing and permitted land-use in a zoning district, would promote the public health, safety, welfare, morals, order, comfort, convenience, appearance, prosperity, or general welfare.

**STORY:** That portion of a building included between the surface of any floor and the surface of the floor next above it, or if there be no floor above it, then the space between the floor and the ceiling next above it.

**STREET:** A public or private street, open to general public use and having a pavement or roadbed width of not less than twenty (20) feet which affords the principal means of access to abutting property.

**STRUCTURE:** Anything constructed or erected, the use of which involves the use of or less permanent location on the ground, or is attached to something having more or less permanent location on the ground.

**TOURIST HOME:** A dwelling in which overnight accommodations, with or without meals, are provided or offered for transient guests for compensation.

**TRAILER:** Any vehicle without motive power and without a kitchen and toilet and which is designated to be drawn by a motor vehicle, and to be used in such a manner as to permit temporary occupancy thereof as sleeping quarters, or for the conduct of any business, trade or occupation or use as a selling, or advertising device, or used for storage or conveyance of tools, equipment, or machinery and so designed that it is mounted on wheels and may be used as a conveyance on highways and streets. The term "trailer" includes the terms "camp trailer," and similar terms, except when the latter falls within the definition of "mobile home." Trailers are considered structures for human habitation, offices, wash houses, or for storage. Trailers are characteristically used for temporary or intermittent types of use whereas mobile homes are intended for full time use as a residence.

**TRAILER CAMP:** A mobile home park primarily occupied by transient trailers and mobile homes, including seasonal tourist facilities.

**USABLE OPEN SPACE:** That portion of a lot which is free of buildings, is not devoted to driveway and parking areas, is available and accessible to all the occupants of dwelling units on the lot, and is of reasonable dimension to allow its use for active or passive recreation or other outdoor activities. Usable open space may include playlots, gardens, sun decks, courts, courtyards, and other required yard areas.

**VARIANCE:** A variance is an adjustment of terms in this ordinance where such variance will not be contrary to the public interest and where, owing to conditions peculiar to the property and not the result of the actions of the applicant, a literal enforcement of the ordinance would result in unnecessary and undue hardship. As used in this ordinance, a variance is authorized only

for height and size of structure or size of yards and open spaces, establishment or expansion of a use otherwise prohibited shall not be allowed by variance nor shall a variance be granted because of the presence of non-conformities in the zoning district or uses in an adjoining zoning district.

**WALL:** An structure or device forming a physical barrier, which is so constructed as to prevent the passage of light, air, and vision through said surface in a horizontal plane. This shall include concrete, concrete block, wood, or other materials that are solids and are so assembled as to form a solid barrier.

**WAY:** A street, thoroughfare, or easement permanently established for passage of persons or vehicles.

**YARD:** A space on the same lot with the principal building, open, unoccupied, and unobstructed by buildings or structures from ground to sky except where encroachment and accessory buildings are expressly permitted.

**YARD, FRONT:** Open, unoccupied space on the same lot with a principal building, extending the full width of the lot and situated between the street line and the front line of the building projected to side lines of the lot.

**YARD, REAR:** Open, unoccupied space on the same lot with a principal building, extending the full width of the lot and situated between the rear line of the building projected to side lines of the lot.

**YARD, SIDE:** Open, unoccupied space on the same lot with a principal building, situated between the building and the side line of the lot and extending from the front line of the front yard to the front line of the rear yard.

### ARTICLE IV

#### GENERAL REGULATIONS

##### SECTION 4-1. PLANNED DEVELOPMENT

###### A. DEVELOPMENT WITH SUBDIVISION REGULATIONS

In all cases where the ownership of land is divided for the purpose of eventual development of lots of any kind, residential, commercial, or industrial, the provisions of the subdivision regulations shall apply in addition to the provisions of this zoning ordinance.

###### B. PRINCIPAL BUILDING REGULATION

Unless a plan has been approved for a planned development project, only one principal building and permitted accessory structure may be erected on any lot of record or any conforming lot. Temporary structures are permitted during the construction period only.

###### C. USE

No building, structure, or land shall hereafter be used or occupied, and no building or structure or part thereof shall hereafter be erected, constructed, reconstructed, moved or structurally altered unless in conformity with all of the regulations herein specified for the district in which it is located.

###### D. APPROVED WATER SUPPLY AND SEWAGE DISPOSAL FOR BUILDING

It shall be unlawful to construct any building or occupy any mobile home without water supply and sewage disposal facilities approved by the County Health Officer. Whenever water or sewer mains are accessible, buildings and mobile homes shall be connected to such mains. In every other case, individual water supply and sewage disposal must meet the requirements set by the County Health Officer. The County Health Officer's certificate approving proposed and completed water and sewage facilities must accompany application for zoning permits and certificates of occupancy.

###### E. JUNKYARDS

Junkyards are not designated as permitted uses in any district and are consequently nonconforming uses in all districts,

unless specifically approved by the Planning and Zoning Commission in industrial areas. They shall conform with the section of this zoning ordinance prescribing regulations for

#### 11.

**nonconforming uses.** The enforcement officer shall insure that all existing junkyards maintain valid permits to operate issued by the Mississippi Department of Highways as required by the Mississippi Revised Statutes, and he shall insure that all screening required by the Department of Highways is maintained. The Planning Commission may authorize the enforcement officer to require that all existing junkyards, in addition to the permit to operate, shall maintain valid certificates of occupancy as nonconforming uses according to this zoning ordinance.

#### F. MOBILE HOME PARKS

Mobile home parks may be permitted only in those zoning districts where they are designated as a special use under the zoning-district regulations. All mobile home parks shall conform with all provisions of the Mississippi Revised Statutes and shall conform with all applicable provisions of this zoning ordinance and all attached special conditions. All mobile home parks shall be subject to the following regulations:

1. Procedure: In applying for a zoning permit for a mobile home park, the applicant shall submit a plan to the enforcement officer showing at least the following information:
  - a. Name and address of applicant.
  - b. Name and location of mobile home park.
  - c. Dimensions and locations of all lot lines, roads, and easements. Each mobile-home lot shall be numbered.
  - d. Contour lines to indicate slope and drainage.
  - e. Location of all utilities: public and private water, sewage, drainage, and electrical facilities and easements.
  - f. Public areas such as visitors' parking, recreational areas, etc., if such areas are proposed.
  - g. Large-scale plan of one typical mobile-home lot showing mobile-home location, automobile parking space, etc.
  - h. Location of planting for landscaping purposes or as required for protective buffer purposes as a special condition.

2. Standards: All mobile home parks shall conform with the following standards for development:

#### 12.

- a. All mobile home parks shall include lots for at least ten mobile homes. Mobile homes are not permitted on lots outside of approved mobile home parks in any district unless specifically permitted by other provisions of this zoning ordinance.
- b. Each mobile home shall have a lot of at least four thousand (4,000) square feet if connected with public sewer or nine thousand (9,000) square feet if not connected with a public sewer.
- c. No mobile home shall be located closer than twenty (20) feet to another mobile home.
- d. A road with a pavement at least twenty (20) feet wide shall provide direct access to a public street and to each mobile home lot. The area occupied by the road shall not fulfill part of the area requirements for any lot. All roads shall be designed to enable mobile homes entering the park to reverse directions without having to back more than one mobile-home length.
- e. One paved automobile parking area shall be provided on every mobile-home lot.
- f. All mobile home parks shall conform with the State Board of Health regulations which prescribe standards for water supply, sewage disposal, and other facilities. Each mobile home park shall be adequately drained so that no mobile home lot shall be subject to the collection of storm water.
- g. Mobile home parks shall be surrounded by a buffer strip at least fifteen (15) feet in depth on the sides and rear and twenty-five (25) feet in depth along the front measured from the street right-of-way line. Provided, however, that no side or rear buffer is required between adjacent mobile home parks.
- h. Buffers shall otherwise be unoccupied except for landscaping, utility facilities, signs, or entrance ornamentation.
- i. A minimum of ten (10) percent of the gross land area of the mobile home park shall be required for recreational purposes.
- j. All streets, roadways, and driveways within the park shall meet the minimum construction standards recommended by the city engineer. They shall be adequately lighted at night.

#### 13.

- k. No mobile home park district shall contain less than three (3) acres.
3. Issuance of Zoning Permit: The Planning Commission, or the Board of Adjustment, if delegated by the Planning Commission, may attach reasonable special conditions to its approval of a mobile home park and may direct the enforcement officer to issue a zoning permit. The enforcement officer shall not issue the zoning permit until he has received written authorization from the Planning Commission, or Board of Adjustment, and the applicant shall not start construction until he has also obtained a valid construction permit from the State Department of Health as required by the Mississippi Revised Statutes.
  4. Issuance of Certificate of Occupancy: The enforcement officer shall issue a certificate of occupancy only after he has determined that the mobile home park has been prepared according to all applicable regulations and special conditions. The applicant must also obtain a valid permit to operate from the State Department of Health as required by Mississippi Revised Statutes.

#### G. INDIVIDUAL MOBILE HOMES

A mobile home is permitted for temporary construction purposes or for emergency occupancy on a lot of record other than in a mobile home park in those districts where they are designated as a special use if it may be shown that no such park facilities are available within reasonable proximity and that all other provisions of this and other city ordinances and the Mississippi Revised Statutes pertaining to mobile homes are satisfied, and providing that they conform to all regulations established for principal buildings in those districts. Such permission must be secured from the Planning Commission and is subject to termination after reasonable notice.

#### H. PLANNED DEVELOPMENT PROJECTS

A planned-development project of at least five (5) acres may be permitted in those zoning districts where it is designated as a special use under the zoning district regulations or may be permitted in any district after an amendment to the zoning map. A planned-development project may depart from the literal conformance with individual lot dimensions and area regulations. A planned-development project may be under single or divided ownership. All planned-development projects shall be subject to the following regulations:

1. Procedure: When a planned-development project is proposed, the procedure for subdivision approval as set forth in the

#### 14.

Subdivision Regulations shall be followed in its entirety even though the ownership of land may not be divided. A preliminary plat and final plat, both approved by the Planning Commission, shall be required for every planned development project. The Planning Commission may establish a schedule of reasonable fees to be charged for plat review. The project shall be developed according to the approved final plat. Zoning permits and certificates of occupancy shall be required for each building.

2. Uses and Densities: The uses of premises and densities in a planned development project shall conform with the permitted uses and densities of the zoning district in which it is located when it is permitted as a special use. If a planned development project is proposed which includes uses or densities that are not permitted in the zoning district where it is proposed or not permitted in any zoning district, the project may be permitted after an amendment to the zoning map designating the proposed location as a planned development project district in conformance with Article VI, Section 612.1.4 of this zoning ordinance. The amendment may be made after the conditional approval of the preliminary plat and shall be valid only for that project as approved.

3. Standards: In any planned development project, although it is permissible to depart from literal conformance with the individual lot dimension and area regulations, there shall be no reduction in the total equivalent-lot-area, parking area, and loading and unloading area requirements that would be necessary for the equivalent amount of individual lot development in the zoning district where it is located unless an amendment is made to permit a greater density according to Article VI of this zoning ordinance.

4. Special Conditions: The Planning Commission shall attach reasonable special conditions to insure that there shall be no departure from the intent of this zoning ordinance. The planned development project shall conform with all such conditions. Since a planned development project is inherently more complex than individual lot development and since each such project must be tailored to the topography and neighboring uses, the standards for such projects cannot be inflexible. In addition to imposing the standards for total area, parking area, and loading and unloading areas defined in paragraph 2 above, the Planning Commission shall attach special conditions based on all the following standards:

- a. It is desirable that access points to all arterial streets shall be located no more frequently than once every one-eighth of a mile.

#### 15.

- b. Wherever there is an abrupt change in use -- i.e., residential to commercial -- it is desirable that a buffer area of open space or protective planting be placed between them which will protect each use from the undesirable effects of the other.
- c. Parking and other public areas used at night shall be adequately lighted. Private areas shall be protected from such lighting or any other lighting from public areas. Public streets may also require protection from excessive glare of lighted areas.
- d. The Planning Commission may also attach any other reasonable special conditions as they deem necessary.

#### Section 402. REGULATIONS FOR CONTINUING NON-CONFORMING EXISTING USES AND STRUCTURES

##### A. PURPOSE

If within the zones established by this ordinance (or amendments that may be adopted later) there exist structures, and uses of land and structures which were lawful before this ordinance was passed or amended, but which are prohibited under the terms of this ordinance, such uses are termed non-conforming uses. Such uses are declared by this ordinance to be incompatible with permitted uses in the zones involved.

However, it is the intent of this ordinance to permit these non-conformities to continue in their present condition. It is further the intent of this ordinance that non-conformities shall not be enlarged upon, expanded, extended, nor used as grounds for adding other structures or uses prohibited elsewhere in the same zone.

A non-conforming use of a structure, a non-conforming use of land or a non-conforming use of a structure and land, shall not be extended or enlarged after passage of this ordinance by attachment of additional signs to a building, or the placement of additional signs or display devices on the land outside the building, or by the addition of other uses, if such additions are of a nature which would be prohibited generally in the zone involved.

To avoid undue hardship, nothing in this ordinance shall be deemed to require a change in the plans, construction, or designated use of any building on which actual construction was lawfully begun prior to the effective date of adoption of amendment of this ordinance and upon which actual construction has been diligently carried on. Actual construction is hereby defined to include the placing of construction materials in permanent position and fastened in a permanent

manner, and demolition, elimination and removal of an existing structure in connection with such construction, provided that actual construction work shall be diligently carried on until the completion of the building involved.

##### B. EXPLANATION

When a lot, structure or use legally exists prior to the adoption of this ordinance but does not meet the requirements of this ordinance, it is permitted to continue within the limits set forth in this Section. Under such circumstances, it is said to have "non-conforming" status. There are three types of non-conforming status:

1. Non-conforming land: The lot or acreage smaller than the minimum permitted in the zone in which it is located.
2. Non-conforming structure: The structure comes closer to the lot lines, is taller than or otherwise violates the minimum or maximum space requirements established for the zone in which it is located.
3. Non-conforming use: The use to which land and/or structures is being put is not a principal, accessory or conditional use permitted in the zone in which it is located, and is not otherwise permitted in this ordinance. Uses which fall within the category of conditional use in the zone in which they are located are automatically conditional uses and have the same status as if they had been issued a permit from the Board of Adjustment for this use.

##### C. NON-CONFORMING LOTS OF RECORD

In any zone in which single family dwellings are permitted, notwithstanding limitations imposed by other provisions of this ordinance, a single family dwelling and customary accessory building may be erected on any single lot of record at the effective date of adoption or amendment of this ordinance. Such lot must be in separate ownership. This provision shall apply even though such lot fails to meet the requirements for area or width, or both, that are generally applicable in the zone, provided that yard dimensions and other requirements (not involving the area or width of the lot) shall conform to the regulations for the district in which the lot is located. Variance of area, or width requirements for other than the lot as a whole, may be obtained only through action of the Board of Adjustment in the usual manner.

If two or more lots or combination of lots and portions of lots with continuous frontage in a single ownership are of

#### 17.

record at the time of passage or amendment of this ordinance, and if all or part of the lots do not meet the requirements for lot width and area as established by this ordinance, the lands involved shall be considered to be an undivided parcel for the purposes of this ordinance, and no portion of said parcel shall be used which does not meet lot width and area

(CONTINUED NEXT PAGE)

# ZONING ORDINANCE OF THE CITY OF BAY ST. LOUIS CONTINUED

THE SEA COAST ECHO, BAY ST. LOUIS, MISS., THURSDAY, MAY 20, 1976 SECTION D PAGE 3

requirements established by this ordinance, nor shall any division of the parcel be made which leaves remaining any lot with width or area below the requirements stated in this ordinance.

## D. NON-CONFORMING USE OF LAND

Where, at the effective date of adoption or amendment of this ordinance, a lawful use of land exists that is made no longer permissible under the terms of this ordinance as enacted or amended, such use may be continued, so long as it remains otherwise lawful, subject to the following provisions:

1. No such non-conforming use shall be enlarged or increased, nor extended to occupy a greater area of land than was occupied at the effective date of adoption or amendment of this ordinance.
2. No such non-conforming use shall be moved in whole or in part to any other portion of the lot or parcel occupied by such use at the effective date of adoption or amendment of this ordinance.
3. If any such nonconforming use of land ceases, or is discontinued, or abandoned for any reason for a period of more than six (6) months, any subsequent use of such land shall conform to the regulations specified by this ordinance for the district in which the land is located.

## E. NON-CONFORMING USE OF STRUCTURES

If a lawful use of a structure, or of structure and premises in combination, exists at the effective date of adoption or amendment of this ordinance, which would not be allowed in the zone under the terms of this ordinance, the lawful use may be continued so long as it remains otherwise lawful, subject to the following provisions:

1. Any existing structure devoted to a use not permitted by this ordinance in the zone in which it is located shall not be enlarged, extended, constructed, reconstructed, moved or structurally altered except in changing the use of the structure to a use permitted in the zone in which it is located.
2. Any non-conforming use may be extended throughout any part of a building which was manifestly arranged or designed for such use at the time of adoption or amendment of this ordinance, but no such use shall be extended to occupy any land outside such building.
3. No non-conforming use may be changed to another non-conforming use.
4. Where any non-conforming land, structure or use in part or whole is made to conform to the regulations of the zone in which it is located, the part or whole which has been made to conform may not thereafter be changed in such manner as would be non-conforming.

## F. REPAIRS

Repairs, replacement and modernization are permitted on any building devoted in whole or in part to any non-conforming use. However, the cubical content of the building as it existed at the time that it became non-conforming due to adoption of or amendment to this ordinance, shall not be increased.

Nothing in this ordinance shall be deemed to prevent the strengthening or restoring to a safe condition of any building or part thereof declared to be unsafe by any city official charged with protecting the public safety, upon order of such official.

## G. LOSS OF NON-CONFORMING STATUS

Where a structure is non-conforming or where the use of a structure or of land has non-conforming status, such status shall be forfeited under any of the following circumstances:

1. If non-conforming land is legally joined under common ownership with other adjoining land so that the entirety is conforming.
2. If a non-conforming use of land ceases for any reason for a period of six (6) months.
3. If a non-conforming structure is made to conform.
4. If a non-conforming use of a structure or of a structure and land in combination is discontinued or abandoned for twelve consecutive months or for twenty-four months during any four-year period. (Note: as used herein the word "discontinued" means that the owner or party responsible for the use of the property cannot demonstrate that he had clear intent to continue using the property for the non-conforming purpose and that he had augmented that intent by making every reasonable effort to continue to have the property so used. A demonstration of intent would be reasonable continuous effort to have the property rented or sold for the non-conforming purpose.)

5. The non conforming use is changed to a conforming use no matter how short the period of time.

6. Destruction for the purpose of this subsection is defined as damage to an extent of more than fifty (50) percent of the replacement cost at time of destruction.

Once forfeited, non-conformance may not again be used as a defense against prosecution for violation of the provisions of the zoning ordinance.

## Section 403. REGULATIONS FOR GENERAL EXCEPTIONS TO SPACE REQUIREMENTS

### A. FRONT YARD

#### 1. Measurement of depth

a. The normal method of measurement is the shortest possible distance measured horizontally between any part of a main building and any part of the front lot line.

b. When the street right-of-way line describes a curve, an alternate method of measurement is herein provided and may be used at the option of the property owner or developer. The front yard may be measured at right angles to a cord extended between the points where the right-of-way line intersects the side lot line.

c. When adjoining front yards are less than required in the zone: When the average depth of existing front yards located within one hundred (100) feet of either side of a lot and within the same block and zone is less than that required in the zone, the minimum depth of the front yard required for any newly constructed building shall be the average front yard depth of the aforementioned lots on either side.

#### 2. Determination of Front Yard on Corner Lots

Where a lot is a corner lot fronting on two existing or proposed streets that intersect, the front yard may be designated by the owner without respect to the location of the front door.

### B. REAR YARD

#### 1. When abutting an alley may be measured to the center line of the alley.

2. Where a lot is wedge-shaped or otherwise irregularly shaped in the rear yard, a rear yard of less than normal depth is permitted under the following conditions: The minimum depth is at least one-half (1/2) the normally required rear yard depth, and the total area in the rear yard is not less than the total area in the rear yard of a rectangular shaped lot having the minimum width required

for the zone in question. The rear yard in such instances shall be computed by extending a line that intersects the side lot lines and intersects or coincides with the rear-most wall of the main building, and which line is parallel to the front property line or a chord extended across the curve of the property line. All the area enclosed by the aforementioned line, the side lot lines and the rear lot line(s) shall be computed as the rear yard area.

3. In less restrictive zones and within 100 feet of a residential or business zone rear yards which abut the residential or business zone shall have a minimum depth equal to that required in the more restricted zone.

## C. SIDE YARD

1. On corner lots in residence zones the side yard fronting on an existing street or platted and recorded street that is unimproved shall have a depth not less than fifty (50) percent of the required front yard depth, or ten (10) feet, whichever is greater.

2. In less restrictive zones and within 100 feet of a residential or business zone side yards which abut the residential or business zone shall have a minimum width equal to that required in the more restricted zone, unless a greater width is required for the zone in which it is located.

## D. IRREGULAR YARD LINES

1. Where a wall of a building is not parallel with the lot line of where the lot line is irregular: The required depth or width of any such yard may be taken as the average depth or width, provided, however, that the side yard shall not be narrower than six (6) feet at any point and the front yard not less than fifteen (15) feet at any point.

## E. COURTS

1. The width of an outer court is that "horizontal dimension" which is substantially parallel to the principal open end of such court. If the two sides of the court are not the two sides (which usually can be measured along a line between the midpoint of the opposite sides).

2. The depth of an outer court is the horizontal distance between the midpoint of the principal open end to the midpoint of the opposite end.

3. The minimum space between two or more buildings in a group shall be fifty (50) feet if the buildings are located so that the front on one building faces either the front or rear of another building and twenty (20) feet when buildings are oriented in any other manner. (e.g., front to side)

## F. VISIBILITY AT INTERSECTIONS

On a corner lot in any residence zone, nothing shall be erected, placed, planted, or allowed to grow in such a manner as to materially impede visibility across the corner between a height of two and one-half (2-1/2) feet and ten (10) feet above the centerline grades of the intersecting streets and within twenty (20) feet of the corner as measured at the property line.

## G. PROJECTIONS

1. Cornices, coves, belt courses, ornamental features, and fire escapes may extend into the required yard area, a maximum of one and one-half (1-1/2) feet or one-third (1/3) the required yard depth, whichever is less, if they are at least seven (7) feet above ground level at their lowest point.

2. Covered porches, terraces and enclosed vestibules or entryways, not over twelve (12) feet in width may extend five (5) feet into a required front or rear yard provided the nearest point of the projection is at least ten (10) feet from the front or rear lot line.

3. Chimneys, open stairways, eaves and gutters may extend two (2) feet into the required side yard or one-third (1/3) the required distance, whichever is less providing that they do not occupy in the aggregate more than one-third (1/3) of the length of the building wall on which they are located.

## H. ACCESSORY BUILDINGS

1. Shall not exceed the primary structure in height in residential zones, and in no case shall exceed twenty-five (25) feet total.

2. Shall be included in determining lot coverage by the principal building or buildings. The following shall be exceptions:

- a. Swimming pools.
- b. Not more than one single story accessory building which occupies 500 square feet or less of rear yard area, per site.

## I. AREA CANNOT BE REDUCED

1. No lot, yard, court, parking area or other space shall be so reduced in area or dimension as to make said area or dimension less than the minimum required under the Zoning Ordinance. If already less than the minimum required, said area or dimension shall not be further reduced.

2. No part of the space required about any building or group of buildings for the purpose of complying with the Zoning Ordinance shall be used as part of the required space for another building or group of buildings unless otherwise provided for in this order.

## Section 404. REGULATIONS FOR OFF-STREET PARKING AND LOADING AREAS

### A. TOTAL AMOUNT OF SPACE REQUIRED

In all zones, regarding every use, sufficient off-street parking spaces shall be provided to accomplish the principles set forth in this ordinance and to meet the parking demands generated by residents, employees, company officials, company vehicles, and customers. Each parking space shall contain not less than two hundred (200) square feet in area exclusive of access and circulation aisles.

Where there is more than one use in a single structure on a site (e.g., doctor, attorney, and retail grocery) or two or more separate instances of the same use (e.g., two doctors' offices), off-street parking requirements shall be the sum of the requirements for the various uses. Off-street parking required for one occupant of a structure shall not be considered as satisfying the required parking facilities for another occupant of the structure unless otherwise provided in this order. The minimum number of required spaces shall be determined by the following criteria:

## 23.

### B. GUIDE TO CALCULATING NUMBER OF PARKING SPACES REQUIRED

(Note: When a parking requirement is stated in terms of employees, it means the maximum number of employees who will be at the site at one time either on a single shift or an overlap of shifts.)

#### 1. Dwellings and Lodgings

a. Single-family dwellings, two-family dwellings and parish houses. One (1) parking space per dwelling unit.

b. Multiple family dwellings and other places containing dwelling units. One and one-half (1-1/2) spaces per dwelling unit.

c. Hotels, rooming houses and other structures containing sleeping rooms other than or in addition to dwelling units. One (1) space per sleeping room up to 150 rooms, one half (1/2) space per sleeping room thereafter.

#### d. Mobile Homes and Mobile Home Parks.

Two (2) parking spaces for each trailer, of which at least one space shall be adjacent to the mobile home.

#### e. Motels

One (1) parking space for each unit.

#### 2. Public and Semi-Public

##### a. Mortuaries and funeral homes.

Twenty (20) parking spaces or one (1) space for each fifty (50) square feet of gross floor area up to a maximum of seventy (70) spaces, whichever is the greater.

##### b. Churches, theaters, auditoriums.

One (1) parking space for each five (5) seats in the principal place of assembly.

##### c. Municipal buildings, public utility buildings, community centers, public libraries, art galleries.

One-half (1/2) parking space for each employee plus one (1) space for each official vehicle.

## 24.

#### museums, etc., post office and telegraph offices.

plus one (1) space of visitor parking for each one thousand (1,000) square feet of office or display space.

#### d. Assembly, fraternal and exhibition halls.

One-half (1/2) parking space for each employee plus one (1) space for each fifty (50) square feet of floor area used for assembly, exhibition, dancing or dining.

#### e. Vocational and music schools, dance studios and other private schools and colleges for non-academic instruction.

One (1) parking space for each instructor plus one-half (1/2) space for each student, based upon the maximum number of students attending class at one time.

#### f. Hospitals, sanitariums, nursing and rest homes.

One (1) parking space for each resident and staff doctor plus one-half (1/2) space for each employee, intern and nurse plus one (1) space for each five (5) beds plus one (1) space for each institutional vehicle.

#### g. Day nurseries, foster homes and kindergarten.

One (1) parking space for each staff member and employee plus one (1) space for each one thousand (1,000) square feet of gross floor area.

## 3. Offices

#### a. Office buildings, banks, building and loan companies and similar institutions.

One-half (1/2) space for each employee plus one (1) space for each five hundred (500) square feet of gross floor area.

#### b. Professional and medical office buildings.

Five (5) parking spaces for each doctor or dentist plus two (2) parking spaces for each additional office plus

## 25.

#### one (1) parking space for each laboratory employee.

## 4. Entertainment & Services

#### a. Pool halls, billiard parlors.

Three (3) parking spaces for each table.

#### b. Bowling alleys.

Six (6) parking spaces for each alley.

#### c. Restaurants, cafes, soda fountains, eating and drinking places, etc.

One-half (1/2) parking space for each employee plus one (1) space for each five (5) seats.

#### d. Beauty and barber shops.

Two (2) parking spaces for each chair and hair-dryer.

#### e. Laundry and dry cleaning pickup stations.

One-half (1/2) parking space for each employee plus two (2) spaces.

#### f. Self-service dry cleaning and laundry establishment.

One (1) parking space per four washing machines and/or dry cleaning machines.

#### g. Household services and trade such as carpentering, electrical servicing, plumbing and heating shops, paper hanging, painting, furniture upholstering, decorating shops and other similar service establishments.

One-half (1/2) parking space for each employee plus one (1) space for each company vehicle plus one (1) space for each five hundred (500) square feet of floor area.

#### h. Filling stations.

Three (3) spaces per grease rack or working bay.

#### i. Automotive service and repair.

Four (4) spaces for each maintenance stall plus adequate spaces to accommodate all new and used retail units and customer parking generated by retail sales.

## 26.

## 5. Commercial

#### a. Grocery store, delicatessen, drug store or pharmacy.

One-half (1/2) parking space for each employee plus one (1) space for each company vehicle plus one (1) space for each two-hundred (200) square feet of gross floor area.

#### b. Nurseries and green-houses.

One (1) parking space for each employee not living on the premises plus five (5) spaces for customer parking.

#### c. Shopping center (neighborhood type).

One (1) parking space for each one hundred (100) square feet of gross floor area.

#### d. Retail and wholesale stores.

One-half (1/2) parking space for each employee plus one (1) space for each company vehicle plus one (1) space for each two hundred (200) square feet of sales area.

(CONTINUED NEXT PAGE)

# ZONING ORDINANCE OF THE CITY OF BAY ST. LOUIS CONTINUED

- g. Retail and wholesale stores of bulky items (e.g., furniture and major appliances): One-half (1/2) parking space for each employee plus one (1) space for each company vehicle plus one (1) space for each one thousand (1,000) square feet of gross floor area.
- f. Wholesale, retail and commercial storage: One-half (1/2) parking space for each employee plus one (1) parking space for each company vehicle plus two (2) spaces, but a total of no less than four (4) spaces.

## 6. Industry

### a. Manufacturing industries

27.

for each employee on the maximum employee shift, plus one (1) space for each company vehicle. An additional parking lot or reserved space shall be provided for visitor parking equal to five (5) percent of the employee parking spaces but not less than three (3) spaces.

One (1) parking space for each employee on the maximum employee shift plus one (1) space for each company vehicle.

Two-thirds (2/3) parking space for each employee plus one (1) space for each company vehicle.

An additional lot or reserved space shall be provided for visitor parking equal to five (5) percent of the employee parking spaces but not less than three (3) spaces.

g. Trucking terminal, storage yard, building, construction, lumber yard, etc.: One (1) parking space for each employee plus one (1) parking space for each company vehicle, truck, tractor, or trailer stored at the site when not in use.

h. Veterinarian offices, dog hospital, clinics, and kennels: One (1) parking space for each doctor and employee plus two (2) parking spaces for visitors.

### c. MEDIAN PARKING FOR BUSSES NOT OTHER SPECIFIED

In the case of any building, structure or premises, the use of which is not specifically mentioned herein, the number of parking spaces required shall be the same as for the use specified in this ordinance.

### d. HOW TO DETERMINE TRACTORIAL SPACES

When making measurements determining the number of required off-street parking and off-street loading spaces, result in a requirement of a fractional space, any fraction up to and including one-half (1/2) shall be disregarded, and fraction of one-half (1/2) or more shall require one (1) off-street parking or off-street loading space.

### e. DETERMINING TRACTORIAL REQUIREMENT WHEN THE CHANGES

Additional off-street parking spaces shall be provided whenever there is a change in the use of a building or other unit of a building or other unit of a building, if such change creates a need for a greater number of spaces than ten (10) percent of the off-street parking requirement. The additional spaces required for the change shall be determined by the change in the use of the building or other unit of a building. In case of a change in use or unit of measurement, a need for an increase of less than ten (10) percent of the off-street parking spaces, no additional off-street parking spaces shall be required.

### f. TRUCKS

When a parcel of the required off-street parking is provided by means of a parking lot, the total private facilities, the total parking spaces shall be the same as for the use specified in this ordinance.

### g. TRUCKS AND TRAILERS

The minimum number of parking spaces required that pertain to the use of a building or other unit of a building shall be the same as for the use specified in this ordinance.

### h. TRUCKS AND TRAILERS

When a parcel of the required off-street parking is provided by means of a parking lot, the total private facilities, the total parking spaces shall be the same as for the use specified in this ordinance.

When a parcel of the required off-street parking is provided by means of a parking lot, the total private facilities, the total parking spaces shall be the same as for the use specified in this ordinance.

When a parcel of the required off-street parking is provided by means of a parking lot, the total private facilities, the total parking spaces shall be the same as for the use specified in this ordinance.

When a parcel of the required off-street parking is provided by means of a parking lot, the total private facilities, the total parking spaces shall be the same as for the use specified in this ordinance.

When a parcel of the required off-street parking is provided by means of a parking lot, the total private facilities, the total parking spaces shall be the same as for the use specified in this ordinance.

When a parcel of the required off-street parking is provided by means of a parking lot, the total private facilities, the total parking spaces shall be the same as for the use specified in this ordinance.

When a parcel of the required off-street parking is provided by means of a parking lot, the total private facilities, the total parking spaces shall be the same as for the use specified in this ordinance.

When a parcel of the required off-street parking is provided by means of a parking lot, the total private facilities, the total parking spaces shall be the same as for the use specified in this ordinance.

When a parcel of the required off-street parking is provided by means of a parking lot, the total private facilities, the total parking spaces shall be the same as for the use specified in this ordinance.

When a parcel of the required off-street parking is provided by means of a parking lot, the total private facilities, the total parking spaces shall be the same as for the use specified in this ordinance.

intended or constructed to be used in a manner to obstruct or interfere with the free use of any street or adjoining property. The minimum off-street loading and unloading space required for specific uses shall be as follows:

1. Retail Business and Service Establishments: Shall provide one (1) off-street loading and unloading space at least ten (10) feet wide and thirty-five (35) feet long with a fourteen (14) foot height clearance per building.
2. Industrial Plants: Shall provide one (1) off-street loading and unloading space for each twenty thousand (20,000) square feet of gross floor area. Each loading space shall be a minimum of twelve (12) feet wide and fifty (50) feet long with a fourteen (14) foot height clearance.
3. Trucking Terminals: Shall provide one (1) off-street loading and unloading space for every five thousand (5,000) square feet of total floor area used for storage, warehousing, and shipping. Each loading space shall be a minimum of fourteen (14) feet wide and fifty (50) feet long with a fourteen (14) foot height clearance.

30.

## L. IMPROVEMENT STANDARDS

1. All parking spaces and areas, and access ways to and from such spaces and areas shall be constructed with a permanent, hard surface material. Surfacing, lighting, screening, landscaping, maintenance and underground improvements shall be developed according to the standards set forth by the administrative office.
2. The minimum width shall be nine (9) feet for access ways serving residences.
3. The minimum width shall be twelve (12) feet for all other access ways.

## M. SITE PLAN REVIEW

Plans for any parking area hereafter designed or altered for the purpose of providing off-street parking space for four (4) or more automotive vehicles and/or plans for decreasing existing parking areas for four (4) or more vehicles must be submitted to the Planning Commission. If the Planning Commission finds that the plans conform to the requirements of this ordinance, it shall mark the plans "approved" and return the plans to the applicant with a statement indicating the reasons for the rejection.

## Section 405. REGULATIONS FOR AUTO ORIENTED COMMERCIAL ESTABLISHMENTS

### A. ENTRANCES AND EXITS

For filling stations, commercial parking areas, automobile repair shops, drive-in restaurants and similar establishments catering to shoppers conducting business transactions primarily while in their automobile.

1. Shall be a minimum of two hundred (200) feet, as measured along each side of the street on which they abut, from any school, public playground, church, hospital, public library or institution for dependents or children.
2. Shall be a minimum of fifty (50) feet from any residential zone located on either side of the street on which the entrance or exit abuts.
3. Shall be a minimum of twenty (20) feet from any corner as measured from the point where the right-of-way lines of the intersecting streets meet or from the midpoint of the curve where a corner exists but is not an intersection ("L" curve in a street).

31.

### B. SCREENING

There shall be a four (4) foot high solid fence or a ten (10) foot wide planted strip predominantly containing plants, trees and shrubs so planted and maintained as to provide a screen along all lot lines adjoining residential purposes or if the adjoining lot contains a residential use on the first floor level regardless of the zone.

## Section 406. REGULATIONS FOR SIGNS INCLUDING BILLBOARDS

### A. LOCATION

1. In Relation to Traffic Signals: Red, green, amber or flashing illumination shall not be so placed as to be within the line of vision of a traffic signal as viewed from the normal location of the driver of a motor vehicle traveling on an adjoining street in a traffic lane designated for moving vehicles, nor may any such illumination be located within twenty (20) feet in any direction from a traffic signal.

Before any permit for the erection of a sign in relation to traffic signals is issued, the Chief of Police of the City of Bay St. Louis shall be consulted to assure there will be no confusion with the traffic lights or lights on emergency vehicles.

2. Fire Hazard: Vegetation shall be kept out in front of, behind, underneath, and around the base of ground signs a distance of fifteen (15) feet, except such planting as may be designed to enhance, decorate, or constitute a part of such sign, and no rubbish or debris shall be permitted under or near such sign that would constitute a fire or health hazard. No sign shall be erected in a manner that would impede ingress or egress through any door or emergency exits in any building. No sign shall be erected on a fire escape or any other safety device.

### B. SIGNS THAT ARE PERMITTED IN ALL ZONES

1. Subdivision signs advertising the sale or lease of lots or buildings within new subdivisions on which they are located are permitted providing they are non-illuminated or indirectly illuminated and exceed neither two hundred and fifty (250) square feet in area or ten (10) feet square.

32.

for each parcel within the subdivision. Not more than one such sign shall be located at each major approach to the subdivision and the front, side and rear yard requirements applying to principal structures shall apply to the location of such signs.

2. Real estate signs shall be permitted in all zoning districts provided that signs not exceeding six (6) square feet in area may be erected for each parcel of property offered for sale, lease or rent.
3. Bulletin boards used to display announcement of meetings to be held on the premises on which such boards are located shall be permitted for churches, schools, community centers and public, charitable or institutional uses. Unless otherwise permitted in the zone, such signs shall contain no more than twelve (12) square feet in area; may be used as wall signs; may be used as ground signs when located a minimum of twelve (12) feet from the street lot line or beyond the required front yard, whichever is less; may be indirectly illuminated; and one such sign shall be permitted for each street frontage.
4. During construction, repair or alteration of a structure, temporary signs, not exceeding fifteen (15) square feet, which denote the architect, engineer, contractor or builder or which denote the name of the structure and its use or occupants to be may be placed within the required yard setbacks as ground, wall, or roof signs.

## C. PROFESSIONAL, INSTRUCTIONAL, ANNOUNCEMENT, BULLETIN BOARD, IDENTIFICATION AND BUSINESS SIGNS, Subject to the Following Limitations:

1. Non-illuminated signs shall not exceed 80 square feet of total sign surface area per establishment.
2. Illuminated signs shall not exceed 40 square feet of total sign surface area.
3. Signs shall project no more than twelve (12) inches across a street right-of-way line.

D. All signs or billboards exceeding thirty-six (36) square feet will require a building permit issued by the City of Bay St. Louis.

## Section 407. HOME OCCUPATIONS

The following criteria shall be employed to determine a valid home occupation:

33.

1. The use shall not generate pedestrian or vehicular traffic beyond that reasonable to the district in which it is located.
2. No storage of materials and/or supplies outdoors.
3. It shall not involve the use of signs other than those permitted in the district of which it is a part.
4. No more than one room in the dwelling shall be employed for the home occupation unless approved by the Planning and Zoning Commission.
5. In no way shall the appearance of the structure be so altered or the conduct of the occupation within the structure be such that the structure may be reasonably recognized as serving a nonresidential use (either by color, materials or construction, lighting, signs, sound or noises, or vibrations); and
6. There shall be no use of utilities or community facilities beyond that reasonable to the use of the property for residential purposes.

34.

## ARTICLE V

### ESTABLISHMENT OF DISTRICTS

## Section 501. DIVISION INTO DISTRICTS

For the purposes of this ordinance, the City of Bay St. Louis is hereby divided into fourteen (14) districts designated as follows:

R-1	Residential District (Single Family)
R-1A	Residential District (Single Family)
R-1B	Residential District (Single Family)
R-2	Residential District (Two-Family) Duplex
R-3	Residential District (Multi-Family)
C-1	Commercial Central Business District
C-2	Commercial Neighborhood
C-3	Commercial Highway
I-1	Light Industrial District
I-2	Heavy Industrial District
I-3	Planned Industrial Park District
M-1	Mobile Home Park District
F-1	Flood Plain District
S-1	Special Use District

## Section 502. BOUNDARIES

The boundaries of districts as listed in Section 501 of this Ordinance are as shown upon the map on file in the office of the City Clerk of the City of Bay St. Louis, Mississippi, designated as "Zoning Map, City of Bay St. Louis, Mississippi," dated and certified by the City Clerk and also referred to herein as the Official Zoning Map. The said map and all notations, references, and other things shown thereon shall be and hereby are made a part of this Ordinance by reference as fully though set forth herein in detail.

### 502.1 Amendments to the Official Zoning Map

All amendments and changes to the Official Zoning Map shall be recorded by the City Clerk with the Zoning Enforcement Officer not later than forty-eight (48) hours after such amendment becomes effective. All amendments and changes to the Official Zoning Map shall be recorded at the end of each fiscal year upon a new copy of the "Zoning Map, City of Bay St. Louis, Mississippi."

### 502.2 Revision of the Official Zoning Map

The Mayor and City Council may from time to time order the revision of the Official Zoning Map so as to include all changes to date and take the place of the original map which is a part of this Ordinance. No changes shall be made upon such revised map that have not been made in the regular form by the Mayor and City Council of the City of Bay St. Louis, Mississippi.

35.

### 502.3 Location of the Official Zoning Map

Regardless of the existence of purported copies of the "Zoning Map, City of Bay St. Louis, Mississippi," which may from time to time be made or published, the Official Zoning Map in the office of the City Clerk shall be the final authority for zoning districts in the City of Bay St. Louis. A copy of said map shall be in the office of the Zoning Enforcement Officer for his use.

## Section 503. INTERPRETATION OF DISTRICT BOUNDARIES

Where any uncertainty exists with respect to the boundaries of any of the aforesaid districts as shown on the Official Zoning Map, the following rules shall apply:

503.1 Where district boundaries are indicated as approximately following the center lines of streets or highways, street lines or highway right-of-way lines, such center lines, street lines, or highway right-of-way lines shall be construed to be such boundaries.

503.2 Where district boundaries are so indicated that they approximately follow lot lines, such lot lines shall be construed to be said boundaries.

503.3 Where district boundaries are so indicated that they are approximately parallel to the center lines of street lines or streets, or the center lines of right-of-way lines of highways, such district boundaries shall be construed as being parallel thereto and at such distances therefrom as indicated on the Official Zoning Map. If no distance is given, such distance shall be determined by the use of the scale on the Official Zoning Map.

503.4 Where the boundary of a district follows a railroad line, such boundary shall be deemed to be located in the middle of the main tracks of said railroad line.

503.5 Where property lies in two or more zoning districts, zoning for frontage of the property shall prevail except that within a point 200 feet of a street frontage in a more restricted zoning district, regulations governing development in such a district shall prevail.

503.6 Where frontage of property lies in two or more zoning districts, the property shall be governed by the district with the least restrictions provided area and height requirements as established elsewhere in this Ordinance (Article VII) are met.

503.7 Boundaries indicated as following shore lines shall be

36.

construed to follow the legally established shore lines, and in the event of change in the shore line shall be construed as moving with the actual shore line; boundaries indicated as approximately following the center lines of streams, rivers, canals, lakes, or other bodies of water shall be construed to follow such center lines.

## Section 504. CLASSIFICATION OF ANNEXED TERRITORY

All territory which may hereafter be annexed to the City of Bay St. Louis shall automatically be classified as Residence R-1 until such portions thereof are changed by ordinance.

## Section 505. VACATION OF STREETS

Whenever any street, alley or other public way is vacated by official action of the governing authority of the City of Bay St. Louis, the zoning district adjoining each side of such street, alley, or public way shall be, unless otherwise indicated, automatically extended to the center of same, and all area included therein shall

(CONTINUED NEXT PAGE)

# ZONING ORDINANCE OF THE CITY OF BAY ST. LOUIS CONTINUED

THE SEA COAST ECHO, BAY ST. LOUIS, MISS., THURSDAY, MAY 20, 1976 SECTION D PAGE 5

then and henceforth be subjected to all appropriate regulations of the extended districts.

## Section 506. REPLACEMENT

In the event that the Official Zoning Map becomes damaged, destroyed, lost, or difficult to interpret because of the nature or number of changes and additions, the City may by resolution adopt a new Official Zoning Map which will supersede the prior Official Zoning Map. The new Official Zoning Map may correct drafting or other errors or omissions in the prior Official Zoning Map, but no such corrections shall have the effect of amending the original zoning ordinance or any subsequent amendment thereof. The new Official Zoning Map shall be identified by the signature of the Mayor attested by the City Clerk and bearing the seal of the town under the following words:

"This is to certify that this Official Zoning Map supersedes and replaces the Official Zoning Map adopted (date of adoption of map being replaced)."

37.

## ARTICLE VI

### USE REQUIREMENTS BY DISTRICTS

#### Section 601. USE REQUIREMENTS FOR A RESIDENTIAL DISTRICT, R-1, R-1A, R-1B

Within Residential R-1, R-1A, and R-1B Districts as shown on the "Zoning Map, City of Bay St. Louis, Mississippi," the following use provisions shall apply:

##### 601.1 Uses Permitted

- 601.1.1 Single-family dwellings.
- 601.1.2 Accessory structures
- 601.1.3 Home occupations, subject to Section 407.
- 601.1.4 Gardens, playgrounds, and parks.
- 601.1.5 Public and semi-public buildings, including public and private schools, libraries, and churches.

#### Section 602. USE REQUIREMENTS FOR A RESIDENTIAL DISTRICT, R-2

Within a Residential R-2 District as shown on the "Zoning Map, City of Bay St. Louis, Mississippi," the following use provisions shall apply:

##### 602.1 Uses Permitted

- 602.1.1 Two-family dwellings (duplex).
- 602.1.2 Single family dwellings.
- 602.1.3 Home occupations, subject to Section 407.
- 602.1.4 Accessory structures
- 602.1.5 Gardens, playgrounds, and parks.
- 602.1.6 Public and semi-public buildings, including public and private schools, libraries, and churches.

#### Section 603. USE REQUIREMENTS FOR A RESIDENTIAL DISTRICT, R-3

Within a Residential R-3 District as shown on the "Zoning Map, City of Bay St. Louis, Mississippi," the following use provisions shall apply:

##### 603.1 Uses Permitted

- 603.1.1 Dwelling and apartments for any number of families.
- 603.1.2 Mobile home parks and hotels and motels, if approved by the Planning Commission.
- 603.1.3 Accessory structures.
- 603.1.4 Home occupations, subject to Section 407.
- 603.1.5 Gardens, playgrounds, and parks.
- 603.1.6 Public and semi-public buildings, including public and private schools, libraries, and churches.

#### Section 604. USE REQUIREMENTS FOR A COMMERCIAL CENTRAL BUSINESS DISTRICT, C-1

Within a Commercial C-1 District as shown on the "Zoning Map, City of Bay St. Louis, Mississippi," the following use provisions shall apply:

##### 604.1 Uses Permitted

- 604.1.1 Hotels and motels.
- 604.1.2 Financial institutions.
- 604.1.3 Transportation passenger stations, terminals and depots.
- 604.1.4 Theaters.
- 604.1.5 Federal, State, county, and local government offices and buildings.
- 604.1.6 Restaurants.
- 604.1.7 Retail dry goods, grocery, variety, appliance, hardware, and tobacco stores.
- 604.1.8 Furniture stores.
- 604.1.9 Barber shops, beauty salons, and other personal service establishments.
- 604.1.10 Office buildings.
- 604.1.11 Public parks.
- 604.1.12 Public parking garages.
- 604.1.13 Newspaper offices.
- 604.1.14 Parking lots provided they shall be paved so as to provide a durable and dustless surface so as to

39.

dispose of all surface water accumulation. Lights so used to illuminate the parking area will be so arranged as to reflect away from any adjacent premises.

##### 604.1.15 Ground signs, wall signs, projecting signs, and roof signs shall be permitted within the required building lines provided:

- 604.1.15.1 Signs shall bear only the name of the establishment and the principal business or service.
- 604.1.15.2 Professional offices and personal services shall be permitted one (1) sign not to exceed nine (9) square feet in area for each professional office or personal service establishment.
- 604.1.15.3 Retail sales and services shall be permitted one (1) projecting sign or ground sign and one (1) wall or roof sign and a total sign area of five (5) square feet for each ten (10) feet of frontage on a public street.
- 604.1.15.4 Business, non-commodity sales establishments shall be permitted one (1) projecting sign or ground sign and one (1) wall or roof sign, and a total sign area of three (3) square feet for each ten (10) feet of frontage on a public street.

604.1.15.5

Hotels shall be permitted one (1) ground sign or projecting sign not to exceed twenty (20) square feet in area and two (2) signs only of a wall sign or roof sign variety, and five (5) square feet in area for each twenty (20) feet of street frontage.

604.1.15.6

That for each establishment there shall be permitted one (1) projecting or ground sign overhanging the public right-of-way up to four (4) feet beyond the right-of-way line and not exceeding forty (40) square feet in area overhanging the public right-of-way, provided there is a clearance of nine (9) feet above the ground and

40.

that such signs shall not overhang a vertical projection of the curb line. No support or any part of the sign structure shall be upon the public right-of-way. No permit shall be issued for any sign overhanging the public right-of-way in accordance with this provision unless such applicant post a bond or public liability insurance in the amount of ten thousand (\$10,000) dollars per person, twenty thousand (\$20,000) dollars for any accident, and five thousand (\$5,000) dollars for property damage. Such bond or liability insurance shall remain in effect at all times while such sign overhangs the public right-of-way.

604.1.16 Laundry and dry cleaning pick-up stations.

604.1.17 Florist shop.

604.1.18 Book store or stationery store.

604.1.19 Music stores.

604.1.20 Office supply stores.

604.1.21 Jewelry stores.

604.1.22 All uses which would be permitted outside a municipality in a "qualified resort area" as defined in SECTION 5, PARAGRAPH (D) of House Bill No. 112 of the 1966 session of the Legislature of the State of Mississippi, and signed into law on the 21st day of May, 1966, and known as the "Local Option Alcoholic Beverage Control Law," and any such other uses which may subsequently be authorized for such "qualified resort areas" by the Mississippi Legislature.

#### Section 605. USE REQUIREMENTS FOR A COMMERCIAL NEIGHBORHOOD DISTRICT, C-2

Within a Commercial C-2 District as shown on the "Zoning Map, City of Bay St. Louis, Mississippi," the following use provisions shall apply:

##### 605.1 Uses Permitted

41.

605.1.1 Laundries, self-service or automatic, and laundry pick-up stations.

605.1.2 Grocery stores.

605.1.3 Plumbing supply stores.

605.1.4 Paint stores.

605.1.5 Radio and television repair shops.

605.1.6 Barber shops, beauty shops.

605.1.7 Pet stores.

605.1.8 Hobby shops.

605.1.9 Supermarkets.

605.1.10 Shoe repair shops.

605.1.11 Bakeries

605.1.12 Gasoline service stations subject to the following restrictions:

Any tube or tire repairing, storage of merchandise and supplies shall be conducted wholly within buildings. No provision of this paragraph shall be interpreted to permit general automobile repairing, painting, body and fender work or steam cleaning.

Any structure, such as a grease rack or automobile washing apparatus, gasoline pumps, buildings and underground storage tanks, including principal use signs, shall be set back not less than twenty-five (25) feet from any property line. Such areas between the property line and any service station will be kept free from trash and rubbish and no part therein shall serve as a collection point for waste material.

The means of access or egress shall be provided no less than twenty (20) feet from intersection of street rights-of-way and not less than twenty-five (25) feet from any residential district boundary line. Access and egress shall be arranged and designed so as to minimize the interference with the flow of traffic through the intersection.

Lighting shall be arranged so as not to shine nor reflect upon any adjacent premises.

42.

605.1.13 Parking lots in compliance with subsection 604.1.14.

605.1.13 All uses permitted in C-1 District.

605.1.15 Retail fish markets.

#### Section 606. USE REQUIREMENTS FOR A COMMERCIAL HIGHWAY DISTRICT, C-3

Within a Commercial C-3 District as shown on the "Zoning Map, City of Bay St. Louis, Mississippi," the following use provisions shall apply:

##### 606.1 Uses Permitted

606.1.1 Public garages for retail service only including automobile repairing, painting, upholstery and body and fender work, provided that these and other operations shall be conducted within a building enclosed on at least three (3) sides; provided further that if the building is located within fifty (50) feet of a lot in a residence zone with no intervening street, the wall of the building nearest such zone shall have no openings other than doors or stationary windows, and such doors shall be permitted only if the building is adjacent to any alley and they may be opened only at intervals necessary for ingress or egress.

606.1.2 Auto sales provided all repair and servicing shall be done within an enclosed building subject to Section 606.1.1.

606.1.3 Laundries, self-service or automatic, and laundry pick-up stations.

606.1.4 Mortuaries.

606.1.5 Feed stores.

606.1.6 Tourist homes.

606.1.7 Planned mobile home courts.

606.1.8 Hotels and motels.

606.1.9 Drive-in theaters.

606.1.10 Drive-in eating establishments where customers may or may not dine within their automobiles.

606.1.11 Wholesale fruit markets.

43.

606.1.12 Commercial nurseries.

606.1.13 Pawn shops.

606.1.14 Dry cleaning and pressing establishments where cleaning and pressing is done on the premises.

606.1.15 Gasoline service stations.

606.1.16 Restaurants.

606.1.17 Building material yards.

606.1.18 Public utility stations and facilities.

606.1.19 All uses permitted in C-2 District and multi-family.

#### Section 607. USE REQUIREMENTS FOR AN I-1 LIGHT INDUSTRIAL DISTRICT

Within an I-1 Light Industrial District as shown on the "Zoning Map, City of Bay St. Louis, Mississippi," the following use provisions shall apply:

##### 607.1 Uses Permitted

607.1.1 Light industrial operations not obnoxious, offensive or detrimental to neighboring property by reason of dust, smoke, vibrations, noise, odor, or effluents, and including the following types of business or industry: ice cream plants, dyeing plants, warehouses, dry cleaners and laundries.

607.1.2 Mobile home parks and similar types of industries or businesses.

607.1.3 All business, service and manufacturing uses permitted in C-3 Business District.

#### Section 608. USE REQUIREMENTS FOR AN I-2 HEAVY INDUSTRIAL DISTRICT

Within an I-2 Heavy Industrial District as shown on the "Zoning Map, City of Bay St. Louis, Mississippi," the following use provisions shall apply:

##### 608.1 Uses Permitted

608.1.1 Any use permitted in I-1 Light Industrial District

Abrasives manufacture

44.

o Accessory use

o Acetylene gas manufacture and/or storage

o Alcohol distillation and/or storage

o Ammonia, bleaching powder, and chlorine manufacture.

o Asbestos products manufacture

o Asphalt products manufacture

o Automobile and truck body manufacture

o Billboard

o Boiler or tank works

o Brewery

o Caustic soda manufacture

o Celluloid manufacture

o Chemicals (heavy or industrial) manufacture and/or processing

o Cotton compress

o Cotton ginning and baling

o Dye stuff manufacture

o Garbage disposal or recycling

o Glass manufacture

o Grain drying or feed manufacture from refuse, mash, or grain

o Grain milling, storage, or elevators

o Graphite manufacture

o Hair products manufacture or processing

o Hardware manufacture

o Incinerator

o Insulation manufacture or fabrication

45.

o Junkyards subject to approval of the Planning and Zoning Commission

o Limestone manufacture

o Oils and fats (animals and vegetable) manufacture

o Paints, pigments, enamels, japans, lacquers, putty, varnishes, whitening, and wood filler, manufacture or fabrication.

o Paper, pulp, cellulose, and rayon manufacture

o Sugars and starches manufacture

o Syrup manufacture

o Tar distillation or manufacture

o Trailer manufacture

o Wood preserving by creosote or other impregnation treatment

#### Section 609. USE REQUIREMENTS FOR A PLANNED INDUSTRIAL PARK DISTRICT, I-3

Within a Planned Industrial Park District as shown on the "Zoning Map, City of Bay St. Louis, Mississippi," the following use provisions shall apply:

(CONTINUED NEXT PAGE)

# ZONING ORDINANCE OF THE CITY OF BAY ST. LOUIS CONTINUED

## Uses Permitted

The owner, or owners, of any contiguous and compact tract of land shall submit to the Planning Commission a petition for the rezoning and subsequent exclusive use and development of

46.

all such tract of land as a Planned Industrial Park District.

In a Planned Industrial Park District, no building or structure shall be hereafter erected, constructed, reconstructed or altered until such use, erection, construction, reconstruction or alteration shall have been specifically authorized by the governing authority, after study and recommendation by the Planning Commission.

Any industrial use, upon approval of the Planning Commission, shall be permitted in a Planned Industrial Park District provided no nuisance will result with regard to excessive:

- Smoke and other particulate matter.
- Noise
- Odor
- Fire or explosive hazard
- Gases
- Glare or heat
- Vibration
- Water pollution
- Other factors detrimental to the health, safety, and welfare of the area.

f. Billboard

## Special Requirements

The Planning Commission shall satisfy themselves that the conditions listed above are met before recommending approval of any use in a Planned Industrial Park District. Pursuant to this section, the applicant shall:

- Overall development plan
- Date describing all processes and equipment involved in the proposed use.
- Plans showing location and design of structures, delivery points, loading and storage areas, walls, fences, screen planting, signs, lighting devices, and pedestrian walks.
- Plans illustrating adequate off street parking according to standards established by the Planning Commission.

47.

- Traffic routing system so designed as to minimize nuisance effects due to the generation of traffic to and from the use.
- Comprehensive landscaping plan.
- Any other information the Planning Commission may need to adequately consider the effect the proposed uses may have upon the cost of providing adequate service to the area.

The Planning Commission shall further satisfy themselves that the uses proposed for any Planned Industrial Park District shall be compatible with the adjacent and nearby uses of land and that they are consistent with the intent and purposes of this ordinance to promote the public health, safety, morals, or general welfare.

## Off Street Parking and Loading Requirements

The off street parking and loading requirements shall conform to Article IV, General Regulations.

## Signs and Outdoor Advertising

The signs and outdoor advertising requirements shall conform to Article IV, General Regulations.

## USE REQUIREMENTS FOR A MOBILE HOME PARK DISTRICT, M-1

Within a Mobile Home Park District as shown on the "Planning Map, City of Bay St. Louis, Mississippi," the following use provisions shall apply:

### 610.1 Uses Permitted

610.1.1 Any use permitted in an R-3 Multi-Family District, excluding funeral homes, mortuaries, or undertaking establishments.

610.1.2 Mobile home park.

610.1.3 Accessory structures.

## USE REQUIREMENTS FOR A FLOOD PLAIN DISTRICT, F-1

Within a Flood Plain District as shown on the "Planning Map, City of Bay St. Louis, Mississippi," the following use provisions shall apply:

### 611.1 General Description

48.

This district is intended to comprise those areas which are subject to periodic or occasional inundation from storm surges and high tides, and, therefore, are usually unsuitable for residential, commercial and industrial use.

The following uses are permitted in this district:

1. Single-family detached dwellings, including mobile homes, and accessory structures.

2. Structures for storage of boats, trailers, and other vehicles.

3. Structures for storage of farm equipment and other agricultural machinery.

4. Structures for storage of lumber, building materials, and other construction supplies.

5. Structures for storage of other materials and supplies.

6. Structures for storage of other materials and supplies.

7. Structures for storage of other materials and supplies.

8. Structures for storage of other materials and supplies.

9. Structures for storage of other materials and supplies.

10. Structures for storage of other materials and supplies.

11. Structures for storage of other materials and supplies.

12. Structures for storage of other materials and supplies.

13. Structures for storage of other materials and supplies.

14. Structures for storage of other materials and supplies.

15. Structures for storage of other materials and supplies.

16. Structures for storage of other materials and supplies.

17. Structures for storage of other materials and supplies.

18. Structures for storage of other materials and supplies.

19. Structures for storage of other materials and supplies.

20. Structures for storage of other materials and supplies.

21. Structures for storage of other materials and supplies.

22. Structures for storage of other materials and supplies.

23. Structures for storage of other materials and supplies.

24. Structures for storage of other materials and supplies.

25. Structures for storage of other materials and supplies.

26. Structures for storage of other materials and supplies.

27. Structures for storage of other materials and supplies.

28. Structures for storage of other materials and supplies.

## 612.1.1 Establishment of District

The establishment of a Special Use District shall adhere to the regulations imposed for like categories or functions under this Zoning Ordinance.

## 612.1.2 Types of Districts

The types of Special Use District which could be established shall include, but not be limited to such districts as:

1. Medical Complex District to include activities such as hospitals, public health centers, nurses training facilities, pathology laboratories, doctors' clinics and offices, extended care and nursing facilities, dental clinics and offices, and other closely related and compatible uses.

2. Recreational District to include active and passive activities such as neighborhood centers, parks and playgrounds, swimming pools, picnic areas, and other closely related and compatible uses.

3. Educational Institutions District to include activities such as grade schools, secondary schools and colleges, auditoriums, libraries, recreational facilities, and other closely related and compatible uses.

4. Central Business District to include retail and wholesale activities, light industrial uses, high density residential uses and uses outlined in the following, Public District.

5. Public District to include municipal functions and services such as city hall, county courthouse, fire department, police department, post office, public utilities, public parking complexes, and other closely related and compatible uses.

6. Housing District to include such residential uses as single and two-family residences, garden apartments, town houses and high density development.

Any use, service or function (for example, as related to the Educational District - bookstore, grill, post office, washeteria, etc.) directly related to the specific intent of the Special Use District shall be permitted, provided, in the

50.

opinion of the Planning Commission, there are no existing services or functions conveniently located and adequate to serve the proposed development.

## 612.1.3 General Procedures

In applying for a Special Use District, or an amendment to such a district, an overall development plan shall be submitted to the Planning Commission along with a report showing the need of such a district and its effect on adjacent and surrounding uses.

This overall development plan shall include, but not be limited to:

- Plans showing location and design of structures, delivery points, loading and storage areas, walls, fences, screen planting, signs, lighting devices and pedestrian walks.
- Plans illustrating adequate off street parking according to standards established in this ordinance.
- Plans showing entrance and exits to the area and the traffic routing system so designed as to minimize nuisance effects due to the generation of traffic to and from the area.

d. Any other information the Planning Commission may need to adequately consider the effect the proposed uses may have upon the cost of providing adequate services to the area.

The Commission may attach reasonable special conditions to the approval of such district or amendments to insure that there will be no departure from the intent of this Zoning Ordinance.

All proposed Special Use Districts shall follow the procedures for subdivision approval even though the ownership of land may not be divided. A preliminary plat, both approved by the Planning Commission, shall be required for every Special Use District. The Planning Commission may establish a schedule of reasonable fees to be charged for a review. The district shall be developed according to the approval of the final plat. Building permits and certificates of occupancy shall be required for each building according to the existing codes and regulations.

51.

## 612.1.4 General Regulations

All Special Use Districts shall:

1. Contain a minimum of 5 acres, except for an expansion of an existing Special Use District. If the existing Special Use District does not contain 5 acres, then the additional acreage shall contain at least the amount needed to bring the total land area to 5 acres.

2. Be compatible with adjacent land use, if not, adequate buffers and screening shall be required.

3. Start construction within one year after approval of final plat. If initial construction (for example footings, foundations) does not begin within one year, all land shall revert to the original zoning. In any case, where there was no original zoning, all land will be rezoned to conform with adjacent uses.

4. Conform to established regulations. Even though this district will have mixed uses, each separate use will meet the requirements of similar uses in other districts. For example, all commercial uses in this district will comply with the applicable commercial regulations as set forth in this Zoning Ordinance.

5a. Since a mixture of uses are permitted within this district, no building, structure, land or premises shall be used and no building or structure shall be hereinafter erected, constructed, reconstructed or altered until such use, erection, construction, reconstruction or alteration shall have been specifically authorized by the governing body after study and recommendation by the Planning Commission.

6. Be binding upon the applicant or applicants, their successors and assigns, and shall limit the development to all conditions and limitations established in such plans.

7. Proposed expansions or revisions to any originally approved Special Use District shall be submitted to the Planning Commission. Upon receiving this request, the Planning Commission shall follow the general procedures and regulations as previously set forth.

52.

## ARTICLE VII

### AREA, YARD, AND HEIGHT REQUIREMENTS

The area, yard and height requirements for each district shall be the same and are hereby fixed and established as hereinafter set forth:

DISTRICT	R-1	R-1A	R-1B	R-2	R-3	C-1	C-2	C-3	M-1	I-1	I-2	I-3	F-1	S-1
PRIMARY USE	SINGLE-FAMILY (DETACHED)	SINGLE-FAMILY	SINGLE-FAMILY	MOBILE HOME (DETACHED)	MULTI-FAMILY	GENERAL BUSINESS DISTRICT (COMMERCIAL)	NEIGHBORHOOD COMMERCIAL	HIGHWAY COMMERCIAL	MOBILE HOME PARK	PLANNED INDUSTRIAL PARK	LIGHT INDUSTRIAL	HEAVY INDUSTRIAL	FLOOD PLAIN	SPECIAL USE DISTRICT (Note J)
Minimum Lot Area (Sq. Ft.)	15,000 (Note A)	12,000 (Note A)	8,500 (Note A)	10,000 (Note C)	7,500 (Note D)	N/A	N/A	N/A	Note G	N/A	N/A	N/A	N/A	217,800 S.F. (5 acres)
Maximum Building Area	250	250	250	300	N/A	N/A	N/A	N/A	N/A	N/A	N/A	N/A	N/A	Note J
Minimum Lot Width (Feet)	40	30	25	30	25	N/A	N/A	N/A	35	N/A	N/A	N/A	N/A	Note J
Minimum Front Yard (Feet)	30	25	20	25	20	Note I	Note I	Note I	10	N/A	100	N/A	N/A	Note J
Maximum Side Yard (Feet)	10	10	10	10	10	Note I	Note I	Note I	1/2	N/A	25	25	N/A	Note J
Minimum Rear Yard (Feet)	10	10	10	10	10	Note I	Note I	Note I	10	N/A	25	50	N/A	Note J
Maximum Building	35	35	35	35	35	Note I	Note I	Note I	35	N/A	N/A	N/A	N/A	Note J

(Cont'd)

N/A Not applicable

- All lots facing on South or North Beach Boulevard shall have a lot area of at least 15,000 square feet.
- All lots facing on South or North Beach Boulevard shall have a setback distance of at least 50 feet.
- One or two family dwellings.
- Add 2,000 square feet for each additional family.
- There shall be no height limitation in this district except that all buildings in excess of thirty-five (35) feet shall receive the written approval of the Chief of the Bay St. Louis Fire Department and buildings within one hundred and fifty (150) feet of an R-1 District shall be limited in height to 50 feet.
- All requirements relative to front, side, and rear yards shall be the same as required in the residential district to which the front, side, or rear of such property adjacent to a non-residential district. Whenever a residential use is permitted in any area classified as commercial or industrial, such residential use shall comply with the minimum setback restrictions provided for in an R-3 classification.
- 4,000 square feet for mobile homes being served by a sewer.
- In instances where this district use abuts a residential district, a minimum side yard of sixty (60) feet shall be provided on the side adjacent to the residential district. Such space shall be screened from the abutting residential district by walls or by fences or by other screening not less than six (6) feet in height, in a manner acceptable to the Planning Commission.
- In all cases where a building is to be serviced from the rear or where this district abuts a residential district, there shall be provided an alleyway, service court, rear yard or combination thereof not less than fifty (50) feet. In instances where this district use abuts a residential district, such space shall be screened from the abutting residential district by walls or by fences or by other screening not less than six (6) feet in height in a manner acceptable to the Planning Commission.
- In instances where this district use abuts a residential district, a minimum side yard of 100 feet shall be provided on the side adjacent to the residential district. Such space shall be screened from the abutting residential district by walls or by fences or by other screening not less than six (6) feet in height in a manner acceptable to the Planning Commission.
- In instances where this district use abuts a residential district, a minimum rear yard of not less than one hundred (100) feet shall be provided as measured from the rear lot line to the nearest building or structure. Such space shall be screened from the abutting residential district by walls or by fences or by other screening not less than six (6) feet in height in a manner acceptable to the Planning Commission.
- All area yard and height requirements for this district, except for the minimum lot area, shall comply with each applicable land use category. For example, since different uses will be combined within this district, the residential portion will apply to the appropriate residential requirements as previously set forth in this ordinance. Any enclosed structure proposed in S-1 areas must be approved by the Planning and Zoning Commission prior to the issuance of a building permit.

# ZONING ORDINANCE OF THE CITY OF BAY ST. LOUIS CONTINUED

## ARTICLE VIII

### EXCEPTIONS AND MODIFICATIONS

#### Section 801. EXISTING LOTS

Where the owner of a plot of land consisting of one or more adjacent lots of record at the time of enactment of this ordinance or his successor in title thereto does not own sufficient land to enable him to meet minimum lot size requirements of this ordinance, such plot of land may nevertheless be used as a building site, and other space requirements for the district in which the lot is located must be met, unless a variance is granted in accordance with the provisions of Article X, Section 1005.3.

##### 801.1 Adjoining and Vacant Lots of Record

If two or more adjoining and vacant lots with continuous frontage are in a single ownership at any time after the adoption of this ordinance and such lots individually are less than the lot width requirements for the zone in which they are located, such group of lots shall be considered as a single lot or several lots of minimum permitted size and the resulting lot or lots shall be subject to the dimensional requirements of this ordinance.

#### Section 802. FRONT YARD SETBACK FOR DWELLINGS

The setback requirements of this ordinance for proposed dwellings shall not apply to any lot where the average setback on developed lots, located wholly or in part within one hundred (100) feet of each side of such lot and within the same block, and zoning district fronting on the same street as such lot, is less than the minimum required setback. In such cases, the setback on such lots may be equal to the average of the existing setbacks on the adjoining developed lots.

#### Section 803. HEIGHT LIMITS

The height limits of this ordinance shall not apply to church spires, belfries, monuments, transmission towers, water towers, flag poles, derricks, chimneys, cooling towers, fire towers, and other structures not intended for human occupancy. These exceptions shall not apply in an airport flight zone.

#### Section 804. GROUP HOUSING PROJECTS

In the case of group housing projects of two (2) or more buildings to be constructed on a plot of ground having an area of not less than four (4) acres, not subdivided into customary streets and lots, and which will not be subdivided, or where existing or contemplated street and lot layout make it impracticable to apply the requirements of this ordinance to the individual building

55.

units in such group housing projects, the application of the terms of this ordinance may be varied by the Board of Adjustment in a manner that will be in harmony with the character of the neighborhood, and will insure substantially the same character of occupancy and intensity of land use no higher and a standard of open space no lower than that permitted by this ordinance in the district in which the proposed project is to be located. However, in no case shall a use prohibited in the district in which the project is to be located or a smaller lot area per dwelling unit than the minimum required in such district be authorized.

#### Section 805. TEMPORARY AND PORTABLE BUILDINGS AND STRUCTURES

A temporary or portable structure may be erected only in connection with the erection of a permanent building, street, utility, or other structure. A permit for the erection of any temporary structure shall be obtained from the Zoning Enforcement Officer after posting of sufficient bond to insure removal of same within two (2) weeks after issuance of the certificate of occupancy on the permanent structure. A temporary or portable structure may be used for a temporary construction office and for housing of tools, equipment, and materials.

Subdivision sales offices may be erected only after approval by the Board of Adjustment subject to such conditions as may be determined by the Board to be necessary to insure termination of the use after a reasonable period by removal or conversion to a conforming use.

No trailers for dwelling, storage, or business shall be parked in any district, except upon approval by the Board of Adjustment in connection with a permanent building or construction project. Such approval shall be for a period of time not to exceed one (1) year, renewable for periods of six (6) months, stating the use for which approved. Upon completion of the project, the trailer shall be removed from the premises.

No building shall be moved into and placed within the city limits excepting such building conforming to the standards for new construction for dimensions, use and placement upon the lot, and requirements of this and other city ordinances.

#### Section 806. EMERGENCY SHELTER REGULATIONS AND EXCEPTIONS

Emergency shelters are permitted as an accessory structure in any district, subject to the yard and lot coverage requirements of the district. Approved emergency shelters may be used, in addition to emergency shelter, for any principal or accessory use permitted in the district except for the habitation by persons other than the occupants of a principal dwelling. Structures or portions of shelters qualifying as approved emergency shelters shall meet the minimum requirements of the building code and standards issued by the Office of Civil Defense Mobilization.

56.

When, after review of plans, it is established that an emergency shelter would not be permitted under the foregoing provisions owing to topographic conditions, the location and coverage upon the lot of existing structures, or other characteristics peculiar to the site, the Board of Adjustment may grant the following exceptions, subject to whatever conditions the Board may find desirable to control the appearance in relation to the street and effect on abutting properties:

806.1 Underground or partially below ground shelters without restriction on side or rear yard location, lot coverage requirements, or spacing in relation to the principal structure or other accessory buildings.

806.2 An above ground approved shelter located anywhere in a side or rear yard, provided an underground type shelter is not feasible.

806.3 When no other reasonable alternative is possible, an above ground approved shelter may be permitted in the front yard. Whenever it is considered feasible and desirable the Board may require such shelters to be attached and constructed to a height conforming to the principal building.

When, after review of plans and public hearing, the Board of Adjustment finds it feasible, the construction of a common, approved shelter by two or more property owners across two or more property lines may be permitted. All side and rear yard requirements may be waived except where an abutting property is not included in the joint proposal. The Board shall require the execution of an agreement between all property owners involved concerning rights and obligations of taxation, access, and maintenance.

The Board of Adjustment may, after review of plans and public hearing, permit a community owner approved shelter or one owned by several parties to be permitted as a principal use in any district.

57.

## ARTICLE IX

### ADMINISTRATION, ENFORCEMENT, AND PENALTIES

#### Section 901. ZONING AND CODE ENFORCEMENT OFFICER

The provisions of this ordinance shall be administered and enforced by a Zoning Enforcement Officer designated by the Mayor and City Council. His duties shall include receiving applications, assisting applicants and appellants in the procedures required hereunder, inspecting premises, and issuing building permits and certificates of occupancy.

#### Section 902. BUILDING PERMIT REQUIRED

Where total cost exceeds \$500.00, a building permit issued by the Zoning and Code Enforcement Officer is required in advance of the

initiation of construction, erection, moving or alteration of any building or structure. No building permit shall be issued by the Zoning and Code Enforcement Officer except where all the provisions of the ordinance have been complied with.

#### Section 903. APPLICATION FOR A BUILDING PERMIT

All applications for a building permit shall be accompanied by plans in duplicate, drawn to scale, showing the actual dimensions of the lot to be built upon; the width of the street or streets upon which the lot fronts or abuts; the setback lines of buildings on adjoining lots; the exact sizes and locations of the buildings already existing, if any; the location and dimensions of the proposed building or alteration; the number of dwelling units the building is designed to accommodate; and such other information as may be necessary to provide for the enforcement of this ordinance.

If the proposed excavation, filling, construction or movement as set forth in said plans is in conformity with the provisions of this ordinance and other ordinances of the City of Bay St. Louis, Mississippi, then in force, the Zoning and Code Enforcement Officer shall issue a building permit upon payment of any required fees. The Zoning and Code Enforcement Officer shall retain one (1) copy of the building permit and one (1) copy of the plans.

##### 903.1 Time Limitations

Any building permit issued shall become invalid unless the work authorized by it shall have been commenced within six (6) months of its date of issue, or if the work authorized by it is suspended or abandoned for a period of one (1) year.

If the work described in any building permit has not been substantially completed within two (2) years of the date of

58.

issuance thereof, said permit shall expire and be cancelled by the administrative official, and written notice thereof shall be given to the person affected, together with notice that further work as described in the cancelled permit shall not proceed unless and until a new building permit has been obtained, in which case, the renewed permit fee will be based upon the remaining construction costs.

#### Section 904. CERTIFICATE OF OCCUPANCY REQUIRED

A certificate of occupancy issued by the Zoning and Code Enforcement Officer is required in advance of the use of any building.

904.1 Any lot or change of use thereof.

904.2 A building hereafter erected or altered or changed in the use or occupancy of an existing building.

904.3 Each nonconforming use created by the passage of and subsequent amendment to this ordinance or that its change extended, altered, rebuilt thereafter.

The certificate of occupancy will state specifically where the occupancy fails to meet the requirements of occupancy. A record of occupancy permits shall be kept on record in the Zoning and Code Enforcement Officer's office.

#### Section 905. REMEDIES

If the Zoning and Code Enforcement Officer shall find that any of the provisions of this ordinance are being violated, he shall, in writing notify the person responsible for such violations, indicating the nature of the violation and ordering action necessary to correct it; among which he shall order discontinuance of use of land, buildings, or structures or of additions, alterations, or done in such instances and under circumstances whereby the Zoning and Code Enforcement Officer is left without any further recourse but to seek police assistance, he may call upon the Chief of Police to furnish him with the necessary police personnel to fulfill his duties.

In case any building or structure is erected, constructed, reconstructed, altered, repaired, converted, maintained, or any building or land is used in violation of this ordinance, the Zoning and Code Enforcement Officer, or any other appropriate city authority, or other person who would be damaged by such violation, in addition to other remedies, may institute injunction, mandamus, or other appropriate action in proceeding to prevent the violation in the case of each such building or use of land.

59.

#### Section 906. PENALTIES FOR VIOLATION

Any person violating any provision of this ordinance shall be guilty of a misdemeanor and upon conviction shall be punished for each offense by paying a fine not to exceed one hundred dollars (\$100.00) and/or imprisonment not to exceed thirty (30) days according to the state statutes of Mississippi. Each day such violation continues shall be deemed a separate offense.

The owner or tenant of any building, structure, premises, or part thereof, and any architect, builder, contractor, agent, or other person who commits, participates in, assists in, or maintains such violation may each be found guilty of a separate offense and suffer the penalties herein provided.

Nothing herein contained shall prevent the city from taking such other lawful action as is necessary to prevent or remedy any violation.

60.

## ARTICLE X

### BOARD OF ADJUSTMENT

#### Section 1001. ESTABLISHMENT OF THE BOARD OF ADJUSTMENT

The Board of Adjustment is hereby created, which shall consist of five (5) members appointed by the Mayor and City Council. One member shall be appointed for a term of three (3) years, two members for two (2) years, and two members for one (1) year. Thereafter each member appointed shall serve for a term of three (3) years or until his successor is duly appointed and qualified. Members of the Board of Adjustment may be removed from office by the Mayor and City Council for cause upon written charges and after public hearings. Vacancies shall be filled by resolution of the Mayor and City Council for the unexpired term of the member affected.

Members of the Board of Adjustment shall serve without pay, but may be reimbursed for expenses incurred in the performance of official duties.

Members of the Board of Adjustment shall hold no other public office in the city except that one (1) member may serve as a member of the Planning Commission.

#### Section 1002. PROCEEDINGS OF THE BOARD OF ADJUSTMENT

The Board of Adjustment shall elect a Chairman and a Vice Chairman, each of whom shall serve for one (1) year or until he is re-elected or his successor is elected. The Board shall adopt rules for the conduct of its business. The Board shall appoint a Secretary, who may be an officer or employee of the city.

Meetings of the Board shall be held at the call of the Chairman and at such other times as the Board may determine. The Chairman, or in his absence the Vice Chairman, may administer oaths and compel the attendance of witnesses by subpoena. No member of the Board shall participate in the hearing in which he has any pecuniary or special interest. All meetings of this Board shall be open to the public.

The Board shall keep minutes of its proceedings, showing the vote of each member upon each question, or, if absent or failing to vote, indicating that fact, and shall keep records of its examinations and other official actions, all of which shall be immediately filed in the office of the Board and shall be a public record.

#### Section 1003. APPEALS, HEARINGS, NOTICE

Appeals to the Board of Adjustment may be taken by any person aggrieved or by any officer, department, board, commission, or bureau of the City of Bay St. Louis, affected by any decision of

61.

THE SEA COAST ECHO, BAY ST. LOUIS, MISS., THURSDAY, MAY 20, 1976 SECTION D PAGE 7

the Zoning and Code Enforcement Officer. Such appeal shall be taken not more than sixty (60) days from the date of the decision of the Zoning and Code Enforcement Officer. Every appeal or application shall refer to the specific provision of the ordinance involved and shall set forth the interpretation that is claimed, the use for which a special exception is sought, or the details of the variance that is applied for and the grounds upon which it is claimed that the variance shall be granted, as the case may be, and accompanied by a plat or plan, drawn to scale, showing the actual dimensions of the parcel of land to be built upon and used, the size of any building to be erected, and the location of the building upon the lot, the materials to be used and other such information as may be deemed necessary to provide full information regarding intended use. The Zoning and Code Enforcement Officer shall forthwith transmit the appeal or application to the Board together with all papers constituting the record upon which the action appealed from was taken.

The Board of Adjustment shall fix a reasonable time for the hearing of appeals or other matters referred to it, and give at least fifteen (15) days notice thereof, as well as due notice to the parties in interest, and decide the same within a reasonable time. Upon a hearing, any party may appear in person, or by agent, or by attorney.

#### Section 1004. STAY OF PROCEEDINGS

An appeal stays all legal proceedings in furtherance of the action appealed from, unless the Zoning and Code Enforcement Officer certifies to the Board of Adjustment after the notice of appeal shall have been filed with him that, by reason of facts stated in the certificate a stay would, in his opinion, cause imminent peril to life and property. In such case, proceedings shall not be stayed otherwise than by a restraining order which may be granted by the Board of Adjustment or by a court of record application, on due notice to the Zoning and Code Enforcement Officer from whom the appeal is taken and on due cause shown.

#### Section 1005. POWERS AND DUTIES OF THE BOARD OF ADJUSTMENT

The Board of Adjustment shall have the following powers and duties:

##### 1005.1 Administrative Reviews

To hear and decide appeals where it is alleged there is error in any order, requirement, decision, or determination made by the Zoning and Code Enforcement Officer in the enforcement of this ordinance.

##### 1005.2 Special Exceptions

To hear and decide special exceptions to the terms of this

62.

ordinance upon which this Board is required to pass under this ordinance; to decide such questions that are involved in determining whether special exceptions with such conditions and safeguards as are appropriate under this ordinance, or to deny special exceptions which may be granted in harmony with the purposes and intent of this ordinance. A special exception shall not be granted by the Board of Adjustment unless and until:

1005.2.1 The owner of the property for which the special exception is sought or his agent shall be notified by mail of at least fifteen (15) days in advance of public hearing. A notice shall be mailed not less than fifteen (15) days prior to the date of such hearing, to the owner of all properties within a radius of three hundred (300) feet of the external boundaries of the property described in the application for the special exception, using for this purpose the last known address as shown on the tax roll of the City of Bay St. Louis and where applicable, the County of Hancock. Notice of such hearing shall be posted on the property for which the special exception is being sought, at the City Hall, and in one other public place at least fifteen (15) days prior to the public hearing, and data pertinent to the exception being sought shall be given in a local newspaper with general circulation in the community at least fifteen (15) days before the hearing.

1005.2.2 The Board of Adjustment shall make a finding that it is empowered under the section of this ordinance described in the application to grant the special exception, and that the granting of the special exception will not adversely affect the public interest.

1005.2.3 In granting any special exception, the Board of Adjustment may prescribe appropriate conditions and safeguards, when made a part of the terms under which the special exception is granted, shall be deemed a violation of this ordinance and punishable under Section 906 of this ordinance. The Board of Adjustment shall prescribe a time limit within which the action for which the special exception is required shall be begun or completed or both. Failure to begin or complete, or both, such action within the time limit set shall void the special exception.

63.

##### 1005.3 Variances

To authorize upon appeal in specific cases such variances from the terms of this ordinance as will not be contrary to the public interest where, owing to special conditions, literal enforcement of the provisions of this ordinance will, in an individual case result in unnecessary hardship, so that the spirit of the ordinance shall be observed, public safety and welfare secured, and substantial justice done. Such variances may be granted in such case of unnecessary hardship upon a finding by the Board of Adjustment that all of the following conditions exist:

1005.3.1 There are extraordinary and exceptional conditions pertaining to the particular piece of property in question because of its size, shape, or topography that are not applicable to other lands or structures in the same district.

1005.3.2 A literal interpretation of the provisions of this ordinance would deprive the applicant of rights commonly enjoyed by other residents of the district in which the property is located.

1005.3.3 Granting the variance requested will not confer upon applicant any special privileges that are denied to other residents of the district in which the property is located.

1005.3.4 The requested variance will be in harmony with the purpose and intent of this ordinance and will not be injurious to the neighborhood or to the general welfare.

1005.3.5 The special circumstances are not the result of the actions of the applicant.

1005.3.6 The existence of a nonconforming use of neighboring land, buildings, or structures in the same district or of permitted or nonconforming uses in other districts shall not constitute a reason for the requested variance.

1005.3.7 The variance requested is the minimum variance that will make possible the legal use of the land, building, or structure.

1005.3.8 The variance is not a request to permit a use of land, building, or structures which are not permitted by right or by special exception in the district involved.

64.

1005.3.9 Notice of public hearing shall be given as in Section 1005.2.1.

##### 1005.4 Variances Granted Without Public Hearings

The Board of Adjustment may, when in the public interest, grant a variance without a public hearing, in which case

(CONTINUED NEXT PAGE)

## ZONING ORDINANCE OF THE CITY OF BAY ST. LOUIS CONTINUED

on filing fee will be required, to allow the use of a lot for either zone in the case of a lot divided by a zone boundary and which it would not be practical to divide into separate lots in the different districts.

### Section 1006. DECISIONS OF THE BOARD OF ADJUSTMENT

In exercising the above mentioned powers, the Board of Adjustment by the concurring vote of four (4) members may reverse or affirm, wholly or partly, or may modify the order, requirements, decision or determination appealed from; and may make such order, requirement, decision, or determination as ought to be made, and to that end shall have all the powers of the official from which appeal is taken, but in no way shall these powers be construed to permit said Board to amend any portion of this ordinance or make any change on the Official Zoning Map.

### Section 1007. APPEALS FROM THE BOARD OF ADJUSTMENT

Any person or persons, jointly or severally aggrieved by any decision of the Board of Adjustment, any taxpayer, or any officer, department, board, bureau or commission of the City of Bay St. Louis, may within thirty (30) days after the filing of the decision in the office of the Board, but not thereafter, seek review of such decision by the circuit court or court of like jurisdiction. In case of such appeal such Board shall cause a transcript of the proceedings in the cause to be certified to the court to which the appeal is taken and the cause in such court be tried de novo.

### ARTICLE XI

#### AMENDMENTS

### Section 1101. AMENDMENTS

The Mayor and City Council may from time to time on its own motion or on petition, from a property owner, or on recommendation of the Planning Commission, amend the regulations and districts herein established. All amendments shall be forwarded to the Planning Commission for their review, comments, and recommendations to the Mayor and City Council.

No change in regulation, restrictions or district boundaries shall become effective until a public hearing is held by the Planning Commission, at which interested agencies and citizens shall have an opportunity to be heard. At least fifteen (15) days notice of the time and place of such hearing shall be published in an official paper, or paper of general circulation in Hancock County.

Each amendment shall be voted upon in accordance with local ordinances or state statutes except in a case of a protest against such change. If a protest against such a change is presented and is signed by the owners of twenty (20) percent or more of the area of lots included in such proposed change, or of those within a radius of one hundred sixty (160) feet of the external boundaries of the area in such proposed change, such amendments shall not become effective except by the favorable vote of two-thirds of all the members of the City Council for the City of Bay St. Louis, Mississippi.

A deposit of fifty dollars (\$50.00) shall be paid by the applicant for each zoning petition for amendment to the zoning regulation to cover the cost of legal publication and processing.

### CHAPTER XII

#### DUTIES OF THE MAYOR AND CITY COUNCIL

### Section 1201. DUTIES OF THE MAYOR AND CITY COUNCIL

It is the intent of this ordinance that the duties of the Mayor and City Council under this ordinance shall not include hearing and deciding questions of interpretation and enforcement that may arise. Under this ordinance the Mayor and City Council shall have only the duties of: (1) considering the adopting or rejecting proposed amendments or the repeal of this ordinance as provided by law; and (2) of establishing a schedule of fees and charges as stated in Section 1202.

### Section 1202. SCHEDULE OF FEES, CHARGES, AND EXPENSES

The Mayor and City Council shall establish a schedule of fees, charges, and expenses, and a collection procedure, for building permits, certificates of zoning compliance, appeals, and other matters pertaining to this ordinance. The schedule of fees listed below shall be posted in the office of the City Clerk, and may be altered or amended only by the Mayor and City Council.

No permit, certificate, special exception, or variance shall be issued unless or until such costs, charges, fees, or expenses listed below have been paid in full, nor shall any action be taken on proceedings before the Mayor and City Council unless or until preliminary charges and fees have been paid in full.

1202.1 Before any action shall be taken by the Planning and Zoning Commission as provided herein, the party or parties proposing or recommending a change in the district regulations or district boundaries shall deposit with the City Clerk the sum of twenty-five dollars (\$25.00) for each acre of land or portion thereof for which a change is being proposed. If a change is proposed or recommended to cover the approximate cost of this procedure, however, the minimum fee shall not be less than twenty-five dollars (\$25.00) regardless of acreage, and the maximum fee shall not exceed two hundred dollars (\$200.00) which shall apply to all areas of forty (40) or more acres; and under no condition shall said sum or any part thereof be refunded for failure of said change to be adopted by the Mayor and City Council.

1202.2 Should a party appeal be filed a fee of fifteen dollars (\$15.00) shall be paid to the City Clerk at the time the appeal is filed, which shall be deposited in the general revenue fund of the City of Bay St. Louis.

1202.3 Such other fees and charges as may prove necessary shall be made from time to time, upon due public notice, by the Mayor and City Council.

### ARTICLE XIII

#### LEGAL STAND PROVISIONS

### Section 1301. CONFLICT WITH OTHER REGULATIONS

Whenever the regulations of this ordinance require a greater width or size of yards or require a lower height of building or smaller number of stories, or require a greater percentage of lot to be left unoccupied or impose other more restrictive standards than are required in or under any other statute, the requirements of this regulation shall govern. Whenever the provisions of any other statute require more restrictive standards than are required by this ordinance, the provisions of such statute shall govern.

### Section 1302. SEPARABILITY

Should any section or provision of this ordinance be declared by the courts to be unconstitutional or invalid, such declaration shall not affect any other portion or provision of this ordinance.

### Section 1303. EFFECTIVE DATE

This ordinance shall take effect and be in force from and after the date of its adoption, the public welfare demanding it, and shall nevertheless be published and recorded as provided by law.

### Section 1304. REPEAL OF CONFLICTING ORDINANCES

All ordinances or parts of ordinances in conflict with this ordinance are hereby repealed.

After being reduced to writing the foregoing ordinance was read and considered, section by section and then as a whole, at a public meeting of the Mayor and Board of Commissioners of the City of Bay St. Louis, Mississippi, whereupon Commissioner Lucien W. Kidd moved its adoption and after second by Commissioner Clarence M. Lader, the following roll call vote was had:

Voting ye: Warren J. Carver, Lucien W. Kidd and Clarence M. Lader.  
Voting nay: none.

Whereupon Mayor Carver declared the foregoing Ordinance adopted by the Mayor and Board of Commissioners of the City of Bay St. Louis, Mississippi, this May 3, 1976.

WARREN J. CARVER  
MAYOR

LUCIEN W. KIDD  
COMMISSIONER, POST 1, AND CITY CLERK

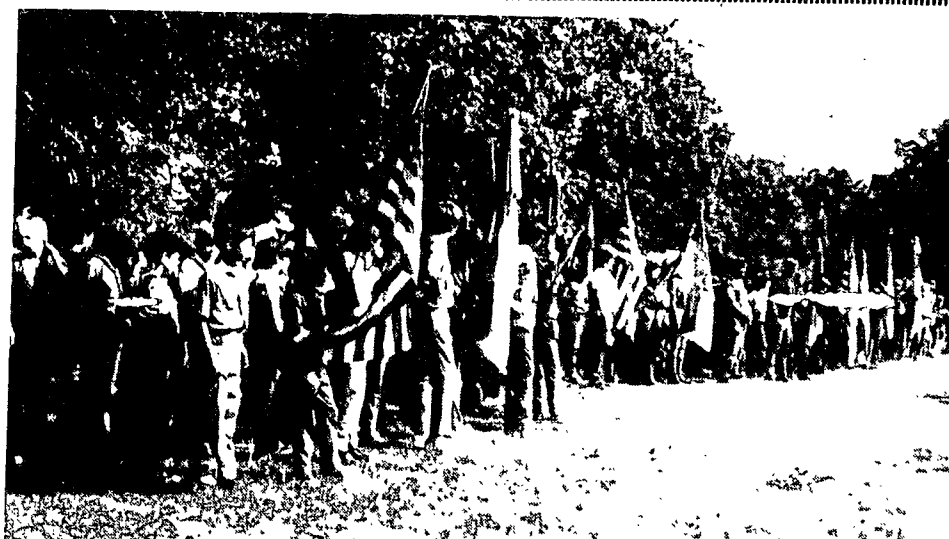

CLARENCE M. LADER  
COMMISSIONER, POST 2

### CERTIFICATION

I, Lucien W. Kidd, City Clerk of the City of Bay St. Louis, Hancock County, State of Mississippi, do hereby certify that the foregoing ordinance is a true and correct extract of the minutes of a regular meeting of the Board of Commissioners of the City of Bay St. Louis conducted in City Hall on May 3, 1976, and found to be duly elected, qualified and acting as the governing body of said City.

Given under my hand and seal of the City of Bay St. Louis this May 4, 1976.

LUCIEN W. KIDD  
CITY CLERK  
CITY OF BAY ST. LOUIS, MISSISSIPPI

Patrols muster at general quarters

The Rat Patrol

Three patrols from Troop 208, Boy Scouts of America, sponsored by the American Legion, Post 139, won first, second, and third places in the New Orleans Area Council Bicentennial Camporee last weekend in New Orleans.

The three patrols, Rat, Bat, and Cobra, competed against patrols from some 18 areas within the district.

Farmers - The best citizens, the staunchest soldiers. Farmers are, of all men, the least given to vice.

## KANTCHA KETCHUM

By L.S. (Dec) Elliott

The waters most everywhere are on the dirty side due to the rain of the past weekend. Pearl River and its tributaries are all bad. Bayou LaCroix and Jourdan River are full of rain water and not good for either fresh or salt water fishing. Maybe these streams will clear up during the next week or two. Floundering and soft crabbing are also bad all along the beach. Of course, one or two can be caught by chance and good fortune. We still have the rest of the summer for these sports.

While fly fishing it is a mighty good idea to change the leader on each trip. A good fish can be lost if there is a knot in the leader.

It is always good to keep the line clean and floating. It gives excellent action to the bug and makes the line throw and retrieve easier.

If the fly line is old, get a new one. An old worn out fly line will damage the guides on your fly rod, and you will wonder what is wrong with your casting.

For you casters, ever putting a bug in front of a plug? It will pay off especially if you are fishing for bass. Now for perch put a small bug behind a bass bug, work slowly and watch the results. Blue gills and goggle-eye really go for them.

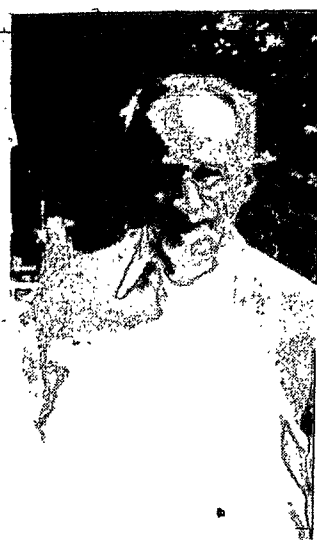

Saw a fellow catching small live shrimp off the American Legion Pier near the launch ramp. They must be coming in. This is good news for those who do shrimping. The big ones will be coming in later.

Met Tom Meehan of Detroit who is visiting at Bay St. Louis. Tom is a real fisherman; he catches salmon and lake trout. Likes the Gulf Coast so much he is planning to make his home here. Is a long time friend of Alvin B. Lee of Leetown. Welcome south, Tom.

Herman Thigpen does all kinds of fishing. Went Friday to the Kila pier, bass and mostly catfish. Gave me a few pointers as to how to catch 'em.

Did you know that there is a fresh water drum? And did you know that they are called musical? On calm days or evenings they can be heard producing a grunting or drumming noise. The drum will put on a determined and dogged fight when caught, depending on its weight, but it's not the fierce and spectacular battler the bass is.

And did you know that shrimp are being tagged? According to the Louisiana Conservationist Commission biologists use circular green tags which are named "wheels" (for obvious reasons) to keep track of

shrimp movement. Sportsmen catching shrimp bearing tags should report them to the Louisiana Fish and Game Commission. Shrimp are one of the main baits used by men. Let's protect our

Mr. and Mrs. K. Kierek are weekly commuters from New Orleans. They have a home on Stewart Street out by Blue Meadow Road. They do a little fishing but enjoy socializing with friends. A wonderful couple.

Bridget and Georgia spent the weekend with me. Wonderful to have the kids over with me. They will do fishing, crabbing or what have you. They are my grandchildren.

Harry Roman, Louis Decell and Hoke Ogden tried for salt water fish over the weekend. Caught some by the hardest. Decell said they had small croakers, cockahoos minnows, and shrimp for bait. The fish seemed to be out in a little deeper water due to excessive rain water build up near shore.

Pat and his dad, Dan, had to call off their fishing trip Sunday due to too much high winds and rough water. They usually go to Hopedale.

The regular supper-meeting of the Bay-Waveland Gun and Rod Club was Monday at the American Legion Home. Important matters were discussed and thrashed out. The members cooked for the 84 of their contemporaries present at the session. Frank Ladner is president.

Soft crabs are being caught on and off. According to the tide and moon. Keep plugging, you'll get some before the summer is over.

Mr. and Mrs. Thomas Stinson of 66 Restaurant tried salt water fishing Sunday without much success. They only caught a few croakers and cat fish.

## Scouts to host spaghetti supper

The scouts of Troop 208, American Legion, will sponsor a spaghetti supper from 5 to 8 p.m., Friday, June 4, in the Legion Home on Blue Meadow Road.

Funds realized by the event

will be utilized for their summer trip to Mammoth Cave, Kentucky.

Tickets are available from all troop members and at the door.

## St. John School to hold bazaar

The annual St. John High School bazaar will be held Saturday and Sunday May 22-23 in the Bob Rice Pavilion at Gulfport's small craft harbor. Featured at the bazaar will be the Mississippi Gulf Coast's first pick-up, van, and four-wheel drive vehicle show. A large combination and variety of these PV4 vehicles will be on display.

Live entertainment and musical concerts will be presented by Gulfport's Star Twirlers square dancing club, Coast entertainer Mack Taylor, and the Keesler Air Force Base drum and bugle corps. A talent show will also be presented with Miss Sharop Fuqua as mistress of ceremonies.

Carnival rides, a girl's softball tournament, game booths, displays, and other attractions will be provided in

addition to food and drink. Admission to the bazaar is free.

## Mrs. Cuevas leads WWI Biloxi chapter

Mrs. Esther Traveria Cuevas, Bay St. Louis, was installed president of World War I chapter 709 of Biloxi, in ceremonies May 3.

She was also installed as patriotic instructor D.A.V. of chapter 50 of Bay St. Louis. Mrs. Cuevas is a volunteer of RSVP and senior citizen of the Day Center.
